Writing Moderation Sessions – Hosted At East Loddon P-12 College

East Loddon P-12 College hosted another writing moderation session on Monday in which 19 Prep – Yr 7 staff from 4 schools came together to moderate student work. Staff used an English glossary, VCAA F-6 writing samples and scope and sequence documents to moderate the students' information texts against an updated

version of the Victorian Curriculum rubrics. This rubrics was largely modified from its original format by East Loddon staff, with feedback from the department's Education Improvement Leader Julie Brady being very glowing of their work. Conversations between staff from each College was rigorous and the confidence and knowledge of curriculum was evident as staff worked together in cross-school teams. Congratulations are extended to our English staff and particularly Mr Vernon, on the leading of this terrific initiative known as a Community Of Practice or 'CoP'.

Student Progress Reports

As of Friday morning, log in to Compass to see a short report of your child's progress in subjects currently using Compass for reporting.

As part of our move towards our 2019 move to ongoing reporting across P-12, our Lead User Group will be providing progress reports of each student's progress on class activities, use of class time, behaviour and homework for each of their classes that is part of the current transition to Compass. These progress reports will be distributed to parents twice a term to assist with monitoring of achievement and areas for improvement. Please contact the school office if you need assistance accessing Compass.

ES Week – Recognition for Educational Support Staff

Across the education sector this week, schools have recognised ES week. ES week recognises the tremendous work and effort that our Educational Support staff provide to the College. At East Loddon we have a tremendous educational support staff carrying out a range of duties to assist in the smooth running of the College and we very much appreciate all of their work!

COLLEGE FETE—WEDNESDAY 19th SEPTEMBER Starting at 10am until 2pm

Respect - Resilience - Responsibility - Relationships

Let's Help Our Year 3's Beat Their Mobile Phone Record!

Back in 2016, the Year 3 class at the time collected 47 old and/or broken mobile phones to be recycled for a tremendous cause, and this years' Year 3 class are looking to gather well and truly more than this number of mobile phones. Go through your drawers and cupboards and see if you can find a couple of your old phones to help out our wonderful grade 3 class! Phones can be sent into the College Office or placed directly into the yellow mailbox in the Office itself.

To find out more about this initiative, please read the relevant details within this newsletter.

Turkish Presentation at Dingee Hotel

This coming Tuesday evening, the East Loddon Lions will hold their meeting at the Dingee Hotel with staff and students who travelled to Turkey earlier in the year, presenting on their trip. Anyone wishing to attend the evening is encouraged to arrive at 7:00pm for a 7:30pm start. If wanting a meal, it would be best to make contact with the Dingee Hotel before the evening to pre-order your meal.

Principal Day Continues...

Mr Wilkinson and I were treated to a wonderful video at our whole-school assembly last Friday in which a number of students made comment about the two of us. Students reflected on changes they would make if they were Principal for a day, words to describe each of us, and what they believe we do all day in our offices. The video finished with the entire P-4 sub-school shouting out 'Happy Principal Day Mr Leed and Mr Wilkinson!' Both Mr Wilkinson and I were taken by surprise with this terrific video and we wish to pass on our thanks to all who were involved in the recording and editing of this absolute treat!

Lions Junior Public Speaking – Regional Finals

Amy T and Emily S will represent East Loddon at the regional finals of the Lions Junior Public Speaking Competition in Pyramid Hill on Sunday August 19th. I am sure that both students will once again do a tremendous job and we wish them all the very best for this next level of competition.

Cardboard Pressing – Year 9 Advance Students and East Loddon Lions

Our Year 9 Advance students have been working with members of the East Loddon Lions to press and bale cardboard on a fortnightly basis. This has been a tremendous partnership between the school and Lions and the benefits for both are enormous. The 'balers' have now packed 20 bales and have also collected and disposed of 8 full garbage bags of plastic and rubbish.

Well done to all involved in this terrific initiative. Great community spirit shown by all!

Eaglehawk IGA Community Rewards Fundraising Program – Info At College Fete

Eaglehawk IGA run a community rewards fundraising program through their store which sees shoppers rewarded with points upon payment of their groceries. A proportion of these points can be donated to a local organisation of your choice, with the College looking at becoming one of the organisations that shoppers can support. Sandra of Fairleys Supa IGA will be in attendance at the upcoming fete so that College community members are able ask questions and sign-up for a community rewards key tag. In order for the College to benefit from these community points, we need to have at least 30 families sign up to the program.

Respect - Resilience - Responsibility - Relationships

Community Table-Tennis – Continues This Monday Evening

Local lady Dot Humbert has recently started 'community table-tennis', and this Monday night from 8:00pm will see the hosting of the second week of social table-tennis for those who are interested. The table-tennis will run for the next 3 weeks on a Monday evening with a charge of \$2.00 per person to participate.

If you are interested in participating in this social event, please make contact with Dot on 54 366 382.

Parent Opinion Survey

A fortnight ago we posted out 80 Parent Opinion surveys to randomly selected families of the College as part of the annual survey offered by the Department of Education and Training. This survey is designed to assist schools in gaining an understanding of parents' perceptions of school climate, student behaviour and student engagement. Our school will use the survey results to help inform and direct future school planning and improvement strategies, and should you be one of the lucky families who receive a survey, we would very much appreciate you taking the time to get online and complete the survey. The survey should take 10-15 minutes to complete and can be completed on any internet enabled device (iPad, Desktop or Laptop, Smartphone).

Parents are assured that all responses are completely confidential with the survey conducted anonymously.

Opportunity For Private Social Work Counselling At The College

On the back of the successful implementation of private speech sessions at the College, we would like to make College parents and guardians aware of the possibility of private social work counselling. If we receive enough interest, accredited mental health social worker Anna Garlick of RED BIRD ROOM, will provide this private service from the College on a designated day of the week. This private arrangement would allow for students to see a qualified worker discretely at the College, rather than rely on a parent or guardian to make a trip to Bendigo or Echuca for the same service. Being able to access a quality service at the College has proven to be most beneficial with private speech sessions and we expect that this would be the case once again, with students missing only an hour of class, rather than a half or whole day accessing the service.

If interested, please take a look at Anna's letter below and either make contact directly with her on the number or email provided, or make contact with myself for more details.

RED BIRD ROOM

ANNA GARLICK: MENTAL HEALTH SOCIAL WORKER

EAST LODDON P-12 COLLEGE, DINGEE. 3571

My name is Anna Garlick I am a mental health accredited social worker. I am offering private social work counselling to the school community of East Loddon College, where I will be working from the school 1 day a fortnight. I have 10 years' experience in working with children from 3-18 yrs old and their families. In this time I have worked in school settings in the Bendigo region as well as having private practice in Boort and in Bendigo. I utilise a variety of Evidence based techniques to assist children and adolescents in working through their difficulties in a relaxed and inviting environment.

I am experienced in treating and managing a range of presenting problems such as but not limited to:

Emotional issues such as anxiety and depression

Anger and behavioural disorders

Trauma and stress related issues

Self-esteem and social difficulties in children and adolescents

You can talk to the school for further information or contact me directly by Ph: **0413018086** or email me at red-birdroom@gmail.com

Fees are \$95 per hour, with a mental health plan you will receive \$74.40 Medicare rebate, so you will be out of pocket \$20.60

SINCERELY,

ANNA GARLICK

MENTAL HEALTH SOCIAL WORKER

I hope you have a great week!

Steven Leed

College Principal

Principal's Report (cont.)

Respect - Resilience - Responsibility - Relationships

Happy Science week!

We've had a great start to Science week so far!

Our 7-12 Science students have invited our P-4 students into the senior Science room. Students have investigated Physics, Biology and Chemistry through a range of experiments.

High light so far: Seeing the preps with safety glasses, peering over the tall Science lab benches on Monday!

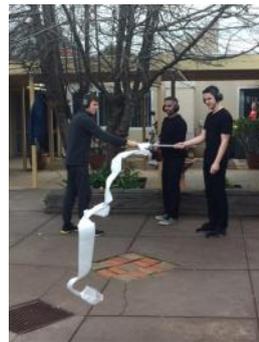

As I write this, we are preparing for our morning sessions with Kath from Catalyst Mines who have been undertaking significant work in our local area. She will speak to all our Prep to 12 students throughout the morning and give some examples of how Science is applied out in the work force!

Tomorrow, we will have on display our Prep – 6 research projects on a famous Scientist in the Multi Purpose Room.

I hope our students have enjoyed Science week and their time in the lab as much as we have!

Sarah Pilkington

**Science and Mathematics Teacher
Careers Coordinator**

Mission to Mars!

On Friday the 10th of August the Year 5 and 6s went on a “mission to mars”. We conducted a series of science experiments “on Mars” and communicated with a group ‘on Mars’ from ‘mission control’ on Earth. .

We made dancing robots and static electricity.

We all really enjoyed our day In Strathmore, Melbourne (Otherwise known as Mars!)

Thankyou to miss Pilkington and Mr Ferguson for organising it and to Neville for driving the bus

By Daisy and Amy

P-4 Update

Building Strong Foundations

P-4 Sub-School

Student of The Week

- Prep—Ava for trying hard with reading and checking that it makes sense.
- Year 1—Lucas C for doing extra work to improve.
- Year 2—Paige for always sharing her ideas and helping in class.
- Year 3—Chloe for being organised, working hard and helping others.
- Year 4—Joseph finding information relating to our writing topic.

**You Can Do It! Awards
PERSISTENCE**

- Prep—Baxter for working hard on his handwriting.
- Year 1—Lucas S and Jasper for working hard to improve their spelling.
- Year 2—Teagen for persisting even when injured.
- Year 3—Piper for focusing and completing tasks.
- Year 4—Emily working to improve her writing.

Reading Clubs

175 Nights of Reading	Y4-Oliver, Riley and Keira Y2- Sarah Prep- Matilda and Lylah
150 Nights of Reading	Y4-William and Joe Y1-Lucas C.
125 Nights of Reading	Y4-Darcy and Aidan Y2-Noah, Aaron, Angus and Teagen

Please note- Our first students receive their 200 Nights of Reading certificates tomorrow.

Prep Letter in Focus

'Yy' Yellow yo-yo (continued)

Prep Words To Fluency

The Prep words are 'come' and 'some'

Preps are currently working on correct formation of letters.

Respect - Resilience - Responsibility - Relationships

Rochester Farm and Road Safety Expo Tuesday 21st August

A reminder that we need to have permission slips returned to the office tomorrow. Families can make arrangements with the Business Manager (Sue Cail) for payment of the \$11 dollars.

Clothing- Students must be in College uniform, and should the weather be cold or wet, they are also advised to have a jacket or coat.

Food-

Morning tea- Students will need to have morning tea. This should consist of a drink and a substantial snack (no 'junk food' please).

Lunch- The Rotary Club of Rochester are providing sausages and bread. If your child does not eat sausages, please provide them with an alternative in a disposable bag. There is a drinking water fountain where students can get a drink of water. Alternatively you can provide them with a small bottle of water (Please place first name on bottle with a permanent marker).

Afternoon tea- Students may wish to have a quick snack when they return to school.

BOOK WEEK 2018

This coming week is Book Week. The theme for this year is 'There is more treasure in books than in all the pirate's loot on Treasure Island'. We will be having activities celebrating books throughout the week, culminating in a Pirate day on Friday the 24th. On Friday students are invited to come to school dressed as pirates. Please don't feel you have to go to a lot of trouble, we don't want our students to steal the limelight from their teachers who will also be dressing up.

Learning works best when home and school work together and we would encourage families to make a special effort this week to promote of love of books and reading. Turn off the TV (You can record your favourite show) and read books as a family. A great activity is to share your childhood favourites, whether they are stories or poems.

P-12 Assembly News- A message from the Year 3s

At our P-12 assembly, three of our Year 3 students (Piper, Angus and Alex) delivered an outstanding speech requesting that families recycle mobile phones (yellow container in office). The materials in these obsolete/ broken phones can be recycled to take the pressure off some of our most endangered species, which are threatened due to habitat destruction. If you are able to help out by sending along old phones, the Year 3s would really appreciate it.

Peter Vernon

On behalf of the P-4 Teaching and Learning Team

Year 3/4 Anglesea Camp Payment Plan

Date	Amount
Friday the 24th August (if unpaid on the booklist)	\$90.00
Friday 14th September	\$70.00
Friday 28th September (all monies paid to this date are non –refundable due to the Colleges financial commitment to the camp).	\$70.00
Friday 12th October	\$60.00
Friday 26th October	\$60.00

Deutsche Nachrichten

This week Klasse Preps have continued working on their Tiere (animals) from the Berlin Zoo. Klasse 2/3 are beginning to write short sentences for their Flecki Buch about Bauernhof Tiere (farm animals). Klasse 5 are working on the topic Guten Appetit. Spelling test for Klasse 5 next Wednesday. While Klasse 8 have finished their Stundenplan task. This week Charlyze S-Klasse 6 and Zoe L-Klasse 9 will be participating in the State Final of the AGTV Poetry Competition. Alles Gute, Charlyze, Jye and Zoe.

Annette Burgstett

German Co-ordinator

Year 2/3 Integrated Studies-Science

The Year 2/3 class have been very lucky this week-extra Science lessons. On Monday, the Year 10 Science class worked with the Year 2/3 class and on Wednesday the Year 9 Science class worked with them. More pictures next week. Oscar B showed the class the rocks he received from his Gran, which she bought back from Scotland, Archer K showed his Dinosaur Reference book and Ewan R showed the class different rocks which he bought with him from Western Australia. So Year 2/3 have had a very busy Science week indeed.

Annette Burgstett

Year 2/3 Integrated Studies Teacher-Science

Collecting and recycling unused or broken mobile phones

Our Grade 3 students have been learning and discussing how we can make a difference in our environment and world. The class has decided for the remainder of the term to collect as many old or broken mobile phones as we can and see if we can beat our record of 47 mobiles collected in 2016 by the end of this term.

You may ask yourself why? Here is a list of facts that we hope will persuade you to help us on this quest.

Every year, up to 250 Million mobile phones are replaced worldwide by new models.

A recent survey by Nokia covering 13 countries suggests that, although only 4% of users' old mobiles are actually thrown away and wasted on landfill, still less are actually recycled.

The vast unsung majority are left at home and forgotten about – 44% of old phones are just laying around people's homes.

Eight million mobiles were recycled in the UK in 2009.

Mobile phone recycling can help in many ways. Australian mobile phone recycling campaign 'Old Phones, More Trees' has in two years resulted in 175,000 trees being planted from the proceeds of recycling over 56 tonnes of mobile phones and accessories.

One tonne of old mobile phones can yield 150 grams of gold. That's 30 times more than a tonne of ore from a gold mine, preserving the planet's precious resources.

Recycling mobile phones will help stop the habitat destruction (like the orangutans in Sumatra and Borneo) in the search for precious metals.

Recycling old phones is so easy. So dig out your old mobiles and drop them into the yellow mail box in the office.

Let's see how many we can collect before the end of the term.

Thanks from the Grade 3 Students.

Fortuna Cluster Primary Athletics Carnival

On Tuesday 14th August, we had 38 students travel in to compete in the Fortuna Cluster Athletics. This competition saw our students compete against Golden Square Primary, Kangaroo Flat Primary School and Violet St Primary School.

The students all represented the school well and put in a good effort on the day. A huge thanks to Mr. Kidman and Mr. Ferguson for taking the students in and supervising/helping out for the day. Also thanks to Will Lee and Caitlyn Walsh (former student teachers from Latrobe) who also helped out on the day!

Kathleen H – 100m, 200m

Marley A – 200m, 1500m

Riley W – Triple Jump

Fynn C – Shot Put

Molly B – Triple Jump

Tyler D – Triple Jump

Lucas K – Discus, Shot-put

Noah R – Shot-put

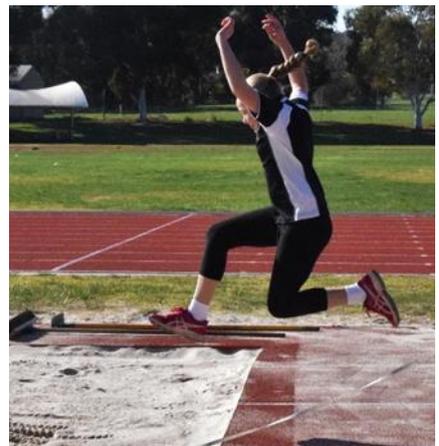

Mason H – Shot-Put, High Jump

Daisy S – 800m, 1500m

Libby C – 200m

Also a big Thank You to the parents who brought their children into the Athletics track and supported our students throughout the day.

Mr. Young

TERM 3 – DATES

MON AUG 27TH

MON SEP 3rd

MON SEP 10th

THU SEP 20th

Thanks to the Government's Sporting Schools Program funding for Term 3, we are able to offer students the opportunity to participate in IAAF Athletics sessions after school. The first 4 sessions are scheduled for the end of this term, (dates above), with 2 more sessions to follow at the start of Term 4. This will be an excellent lead up to our Athletics Sports Day which is held in Week 3 of Term 4. The program for Primary students aged 6-12 will start on the 27th of August. Please read the details below (extract from Sporting Schools website) to see whether the program is appropriate to your child/children's age & development.

IAAF Kids' Athletics is a highly engaging program to help students develop skills and confidence around athletics. As a foundation sport, it will assist children develop the fundamental skills of running, jumping and throwing that are transferable across all sports. Athletics Australia's programs are an introduction to team-based competition, in an age appropriate format focused on fun games and keeping kids moving. It aims build skills and a generation of active, healthy, sport loving children.
Note - This is not a competitive performance based program.

Our coach, Garnet Rodda, will be taking sessions from **3.30-4.30pm**. Students **must be collected from school promptly at 4.30pm**. Please ensure your child has **change of sport clothes and appropriate footwear**. It would also be a good idea to include a small snack for afternoon tea. In the event of rain, the program will still operate with activities most likely to be held in the gymnasium. The support of parent helpers is necessary for the program to run. We will need to have at least one parent each session to assist in a supervisory role, although of course you are welcome to join in too if you like J
I am keen to hear from people who are willing to assist with supervision for 1 out of the 6 weeks by indicating availability on the form below. By all means organise to do it on the same night as a friend and make it a time to catch up while you watch the kids.

Please note there is a limited number of positions available, so register early to avoid missing out by completing the form below. This will serve as a permission form, emergency contact note and remove your child from the bus roll on a Monday night for the dates that the program runs. If you require further information regarding the program, please contact me at school.
Thanking you in anticipation of your support and involvement.
Paula Maxted (Sporting Schools Coordinator)

IAAF KIDS ATHLETICS - WEDS AFTERSCHOOL

I give permission for my child/children to attend the IAAF Kids Athletics afterschool program. I understand that the program will start at 3.30pm and that I will need to collect them from school at the conclusion of the session, 4.30pm. The program is for 6 weeks in total; 4 weeks this term & 2 weeks at the start of Term 4.

Student/s name & Year level/s: _____

*Parent Helper Dates: I am able to assist with supervision on Aug 27th / Sep 3rd / Sep 10th or Sep 20th

Emergency contact details: (

Name) _____

(Phone) _____

Middle Years Parents, please join Bloomz to get regular updates from your child's classroom.

Bloomz Snapshot

Science Week Special

Year 7 and 8 students conducting experiments with junior students from P/1/2.

Year 5/6 Mars Excursion and geologist visit (below).

Middle Years Captains Report

Last week the Year 5/6 went to a Mars excursion, thank-you to Miss Pilkington and Mr Ferguson for taking to for taking them. The primary athletics was on Tuesday, well done to all of those who participated. There were some excellent results. This week was Science Week and all of the Year 5-8's have run an experiment with the lower year levels. Today there was a geologist coming in to talk to all of the Year 5-8's. Tomorrow the Year 7's are going to an Ecolinc excursion. Have a good weekend.

Alicia and Levi

Book recommendation

Brodie W from Yr 6: "The Trails of Apollo", written by Rick Riordan.

"This book is about the Greek God Apollo as we join him on his journeys being banished back to earth. I think people Year 6 and older who like adventure books would like this book."

Year 7 Ecolinc excursion

Quick reminder—the bus for Friday's Year 7 Ecolinc excursion will be leaving at **6:45am** from school.

See Bloomz for more details.

Science Competition

Ends Monday 20th Aug

Current Leaderboard—Thursday morning

Room 23

Just ensuring that students and parents are aware of these upcoming events. This term is a busy term with subject selections and career pathways a key focus within the senior school.

Year 12 parents/guardians please contact me if you would like VTAC, SEAS and scholarship assistance.

Hang in there folks freezing Winter is almost over... it is definitely getting lighter in the mornings and mostly warmer. Thanks

Sarah Byrne
Senior Sub-School Leader

Yr 9/10 ADVANCE – Moggs Creek Camp Deposit.

A quick reminder to all parents/students involved in the ADVANCE program, that letters were distributed in the second last week of Term 2, outlining the end of year celebration camp and asking for a deposit of \$70- by Friday 24th July to indicate interest and secure a position on this camp. Please attend to this so that numbers can be confirmed early enough to make bookings with adventure activity providers involved.

If there are difficulties with this date, please contact Sue Cail in the office to make clear your intention to attend and make arrangements for follow up payments

Volunteering efforts to help pay for camp fees

On the topic of payment options, students are being encouraged in class, to look for ways they can **earn their way** onto the trip. We understand that Parents / Guardians are generally the source of finances for camps, but it would be nice to think that students could negotiate some form of “**In kind**” service each week in order to pay their own way – or so to speak.

Suggestions along these lines might be offering to do \$10 per week of extra chores at home. Perhaps going along to local working bees with Parents and lending a hand.

Staff would like to see evidence of a log book being kept and signed by Parents. Don't be limited by our imaginations – We would love to get feedback from any Parents / Students who do make any such undertakings. We might even be encouraged to offer some prizes for the most interesting efforts. (e.g. Movie tickets seem like a good idea.

Be in it to win it !!!)

HEALTHY BONES WEEK CELEBRATION

FREE YUMMY MILKSHAKES

Will be available at lunchtime (1pm onwards)

TUESDAY 28th AUGUST

KFC – Kids Friday Club Term 3

KFC for Term 3 is set to start on Friday August 24th and continue on August 31st, September 7th and 14th with our Annual Bush Olympics at Bears Lagoon on Sunday August 16th. A KFC newsletter will be distributed tomorrow.

All Prep to Year 6 students are welcome to come along to KFC. For registration forms or enquiries please contact one of the leaders listed below.

Please fill in the bus and sign out note below (also in KFC Newsletter) and return to the office by Friday 24th August.

During Term 3, KFC will be running its annual fund raiser for charity. We usually do a 'Loose Change Challenge' (collect loose change) but this year we are supporting **2 Pairs Each**. Josh Berry, a 12 year old boy, started 2 Pairs each when he was 9 in an endeavour to care for the homeless by supplying pairs of warm socks. His aim is to provide 50,000 pairs of socks and is on track with nearly 19,000 pairs already. So, KFC children can either collect Loose Change to buy socks or purchase the socks themselves and bring them to KFC during Term 3.

Contacts for enquiries - Robyn Falls 0429368242, Leanne Welsh 0447689309,
Judy Mountjoy 0488379222, Wendy Twigg 0427807124, Anne Baker 0429368453

Bus & sign out note for KFC Term 3 2018

My child/children.....will be attending KFC on Friday August 24th, 31st, Sept 7th and 14th. Can you please take his/her/their name(s) off the bus roll. I will arrange private transport for him/her/them to be taken home at 5.00pm following KFC.

Nominated person to sign out.....

Parent/Guardian name.....

Parent/Guardian signature.....

Parent/Guardian phone no.....Date.....

Junior Tennis

We are very proud to be able to run an independent junior tennis competition in our small community and would like to invite any children wishing to play tennis amongst friends to join us.

We encourage a high level of sportsmanship whilst still being competitive in nature. Our aim is to create a positive, fun and relaxed environment for both parents and children that allows the children to develop their tennis skills in a safe and enjoyable environment.

The competition is held on Saturday mornings and runs from 10 until 12:30. The season will begin in early October with matches played at Calivil and Dingee. Teams consist of at least 4 players and there are two divisions catering for beginners up to the age of 16. We make every effort to ensure that players and teams are matched with opponents at a similar level of development.

If you would like to submit a team or have a child wishing to join a team, please contact:

Micheal Lawry 0429368360
Nicole Hocking 0427368499
Yoli Humphries 0428373335
