Thursday 19th June
Immunisations
Yr. 7/9/10’s

Friday 27th June
End of Term 2. Early finish 2.30pm

Monday 14th July
Start of Term 3

From the Principal

Acting Principal’s News

This week sees the beginning of a free month long trial of our school App. This is available to download through the App store. At this stage, it is only available to install on i devices. After a one month trial the school will assess the worth of the App, by checking the traffic and can then decide if we continue with a full version. The full version of the App will allow Android users to download to their devices. This may make no sense at all and I re-read the above thinking, ‘imagine if that was placed in a newsletter 5 years ago!’ So, what to do? If you have an iphone, ipad or ipod, please visit the App store, search for SKOOLBAG East Loddon and install the App on your device (it’s free). Next, check out what is offered on the App. If you feel it is worthy, encourage others to install it. This can only improve our lines of communication and may supplement other forms of communication that we use.

Last night at school council one of our tasks was to revise our policies on ‘Attendance’ and ‘Complaints and Grievances Resolution’. The school has numerous policies all of which are available to parents to peruse. Please contact the school if you would like to view the policies above or current policies on, Budget Allocations, Newsletter, Visitors, Excursions/camps, Plagiarism, Uniform, Jewellery, Mobile Phones, OHS, Awards, Workplace Bullying, Maths, English, Assessment, Reporting, Privacy, Media, Professional Development, School Council Investment, Sunsmart or Curriculum Provision. I think we need a policy about how many policies we need. Congratulations to the senior students on completing their exam week. We have been really pleased with the attitude that the students have taken toward the exams and also to the respect shown around the exam rooms by other members of the college. Well done everyone.

Just a reminder that next term on Tuesday nights we will run ‘Dance’ as our Active After Schools activity. This will be held in either the gymnasium or multi-purpose room, depending on numbers. Please express your child’s interest in attending by returning the permission sheet to the office. Our current after school program, Soccer, will continue until the 17th of June.

As I mention every week, we still have room for your kids, if they wish to study music. Guitar and piano lessons are available on site, during school time. Please contact the school if you are interested.

Second instalment for the 2015 Turkish Trip was due at the end of last month. Please forward monies to the office asap if you have not already. Soon we will need to pay deposits to secure accommodation. Please call me if you have any queries about this.

Scott Wilkinson
Acting Principal
Assistant Principal Report

Herald Sun Mast Head Competition – Finishes this Saturday

The Herald Sun mast head competition finishes this Saturday and it would be fantastic to receive a whole pile of mast heads on Monday. If you have been collecting these mast heads from Herald Sun newspapers from **Sunday 1 June to Saturday 14 June**, then please forward them to the College Office so that I can log them with this competition in the hope of winning some cash for the College.

A special thankyou to the Hay girls who have been very diligent in collecting these mast heads!

**Please sign the Visitors Book at the front Office when visiting the College**

In our College Office we have a ‘Visitor’s Book’ which is there to assist us in tracking who is in the college at any particular time. It has become apparent of late that some parents and family members are entering our college without first calling by the College Office to sign in as a visitor. On pretty much all occasions I am sure that visitors to the College are here for genuine reasons and do not intend to avoid the procedure of signing in and out of the college, however it is quite important to us that all visitors do sign in and out. In the case of a possible emergency taking place at the College, it is very important that we know who is present at the College during this particular time.

**CFA Volunteers BBQ**

Students from the East Loddon P-12 College Yr. 9/10 Youth Crew are holding a volunteers recognition day to say thank you to CFA volunteers for the selfless dedication given by our local crews in the protection of our community assets.

Come Join the students and region 2 representatives for a bonnie, marshmallows, BBQ lunch and a cuppa.

Be challenged by students from your district to some CFA games and races. Dingee kids V’s Dingee CFA. Jarklin kids V’s Jarklin CFA. Calivil Kids V’s Calivil CFA. Serp Kids V’s Serp CFA. Yarrawalla kids V’s Yarrawalla CFA. Raywood Kids V’s Raywood CFA ….You get the idea?

Oh! Bring your spouses and partners as well!!!! Please try to get as many of your local brigade members as possible to come along and RSVP to the College Office by June 20th to help us with catering purposes.

It should be a great day for all involved!

**Year 5 - Impressive Initiative!**

I want to make a quick acknowledgement of our wonderful year 5 class who as a result of watching a recent BTN Report, have used their initiative in developing a desire to fundraise for a good cause. The class would like to undertake a fundraising project with the aim of ‘adopting an orangutan’. This has come about after viewing a story on Behind the News that highlighted the plight of the orang-utans due to issues such as deforestation and palm oil plantations. The students have taken their idea to our Management Advisory Committee and have been encouraged to further plan how they will raise funds for this great cause.

Their classroom teacher, Mr Kidman has been most impressed that the students were willing to take a global view on such an issue and be prepared to make a contribution in assisting a project that does not directly affect them.

Well done Year 5! Stay tuned for further details regarding this initiative!

**Nice to see you Lou!**

It was great to see Mrs Hocking and her gorgeous baby Ruby at the College today. Mrs Hocking was here as part of a program that VCAL students are running for new mothers and reported that she was very impressed with the efforts of our students. Mrs Hocking is a staff member currently on family leave from our College and it is always great to catch up with our staff who are on any form of leave.

Please continue to assist us with the following:

- The use of a bus pass if wanting to change stops for your child in the afternoon.
- Informing the College Office when wanting your child to get on the bus in the morning at a stop other than your own.
- Providing a note when your child is out of uniform.
- Encouraging your child to hand their mobile phone/I-Pod into the Office for safekeeping during the school day, rather than keeping it in their pocket and providing temptation to use the device whilst at school.

Thankyou for your assistance with these matters.

**Hope you have a great week!**

Steven Leed – Acting Assistant Principal
P-4 Update
Building Strong Foundations

Student of the Week

**Prep Keira**—For working hard in all subjects.

**Year 1 Fynn**—For his tremendous effort with the Narrative ‘Bike Racer’.

**Year 2 Casey**—For a great start at East Loddon.

**Year 3 Sam**—For working hard all week.

**Year 4 Olivia**—For showing a great attitude and organisation in class work

**You Can Do It! (Getting Along)**

**Prep**—Tristyn

**Year 1**—Tyla

**Year 2**—Hollee

**Year 3**—Libby

**Year 4**—Megan

**Reading Clubs**

Deutschenachrichten
Due to last Friday being Report Writing Day, the LOTE Awards for last week were unable to be given out. These will be given out this week, in addition to this week’s awards. Students have been working well during lessons, and sometimes it is not easy deciding who receives an Award.

Annette Burgstetl
LOTE Co-ordinator

LITERACY
This week the Principal of Epsom Primary school, joined in the LYNC video conferencing with our Year 1 class. She was extremely impressed by the ability of our students to use Formal Registry (specific academic vocabulary) when providing feedback to the Epsom students in relation to their reading. Our students used the acronym ‘FACES’ of reading when conferencing the students they listened to. Remember we introduced FACES around 18 months ago.

F- fluency
A- accuracy
C- comprehension (refer to last week’s Newsletter)
E- expression
S- stamina

When listening to your child read, consider using the FACES acronym to prompt the feedback you provide.

P-4 Excursion- Opera at the Melbourne Cultural Centre
Please remember that we would like the permission forms and $26 (please read on for details) returned to school tomorrow if you wish your child to attend the excursion to the Cultural Centre, Melbourne. We have further negotiated the cost of transport with Lodden Transit and they have generously agreed to subsidise the travel so that the bus cost now works out at $26 per student. We would like to thank the owners of Lodden Transit for the ongoing support they offer our College and the P-4 excursions in particular. For those who have already paid, we can have the money credited by the College Bursar to your child’s excursion to the Melbourne Museum/ IMAX theatre later in the year (part of our four year rotation, and with particular emphasis on Aboriginal life as part of our History unit). If you do not wish the credit to be transferred to your child’s Museum excursion account, please contact the Bursar to organise a refund.

Prep Letter in Focus II
Prep Words to Fluency is in did

Peter Vernon
P-4 Co-ordinator
Middle Years Report  
Sub-school Captain Reports

Ethan – I still have not received any student suggestions at the moment in regards to lunchtime activities to be held during term 3, but it is still high on my priority list. I would really like some suggestions before the end of next week so that I can start a lunchtime activity during Term 3.

Jo – This Tuesday Erin and I met as a Social Committee to further discuss the ‘social’ idea that we have. We developed a survey regarding our idea which we will put out to all Middle Years students shortly. We are going to meet again on Tuesday and would really like more of our middle years students to attend!

Year 7/8 Sports Day
This Tuesday the 17th of June, we have approx. 40 year 7 and 8 students attending the BDSCSC Term 2 Sports Day. Students will participate in Badminton and Netball on the day and as always, our expectation of students is simply that they do their very best. Students attending sports days need to ensure that they are in their sports uniform or college uniform. Good luck to all involved!

Technology Block Changes
Due to the change of Semester taking place this Monday, students in years 5 – 8 will also begin their new technology blocks next week.

Good News Story – Zander
Year 6 student, Zander L has impressed this week in offering his services to assist in constructing a small bookshelf to go in one of our Middle Years classrooms. Zander quite often impresses with his willingness to volunteer to complete tasks for staff or fellow students and this is another example of Zander putting the needs of others ahead of himself. Well done Zander. This type of attitude your willingness to assist others is much appreciated by all!

Year 5/6 Camp
A reminder to parents of year 5/6 students regarding the need to return the slip that was attached to last week’s initial camp notice by next Friday 20th June. Many families have already made part-payments towards this camp, and either Mrs Sue Cail or myself can be contacted via the College Office to give exact figures regarding payments already made.

Yr. 8 Camp – Return Slip Due Back Tomorrow!
We have received a great deal of response from parents of year 8 students regarding our first year 8 camp, to be held in September. As of this morning I have received 10 notes with the required financial deposit. This camp will go ahead due the the pleasing response I have received, but it is important for year 8 students and parents to understand that I do need to confirm numbers very shortly and pay deposits for accommodation and some attractions.

Parents are urged to adhere to the timeline I set in last week’s initial camp notice, which was to have the attached slip returned by tomorrow (Friday 13th June). If you are planning for your child to attend but are finding it hard to raise the $50 non-refundable deposit by this date, it is very important that you let me know. Confidentiality is assured in all cases.

For those who may have an outside interest in this camp, we are travelling to Melbourne and attending to such things as an MCG Tour and visit to National Sports Museum, the Old Melbourne Gaol tour – including Courtroom Drama activity, the Melbourne Museum, Immigration Museum, Shrine of Remembrance, National Gallery of Victoria (Fed Square), Eureka Skydeck 88 – both day and night, CBD Scavenger Hunt and Galactic Circus which consists of Ten Pin Bowling and Laser Skirmish.

More details will be forwarded to year 8 students and parents as they are finalised.

Contact with the College and Good News Stories
Parents are reminded to keep in close contact with the College so that we are able to assist students with specific issues as they arise, and to please make me aware of any good news stories that I can include in this section of the Newsletter.

I can be contacted via the College Office or by email at leed.steven.a@edumail.vic.gov.au.

Have a great week!
Steven Leed – Middle Years Leader
Senior School News

Congratulations Year 10, 11 & 12 students

This week has seen many senior school students a little under the pump with studying, revision notes, moderate but healthy levels of nervousness and completing their Semester One practice exams and the General Achievement Test. I just want to say congratulations and a big thank you to all the students for taking these practice exams seriously. Well done. For any students who were absent earlier this week, Friday (as in tomorrow) is set aside as a catch up day.

On Wednesday after the GAT exam (3 hours and 15 minutes) Year 12 students were treated to a special pizza lunch and movie to celebrate the end of Semester One (half way can you believe it?) and to say well done for all their efforts to date. I know, still a long way to go with more intense exams ahead but still important to celebrate the half way mark.

Well done Year 12 students.

Year 9 & 10 Outdoor Education Bike Camp goes off road

On Wednesday the 4th & Thursday 5th of June our Year 9 & 10 Outdoor Education class set off on a big ‘off road’ biking adventure. Ms Lethlean kindly volunteered her time to come along on our Bike Camp too. She did a fantastic job as our support vehicle driver. It is tricky to drive slowly behind bike riders travelling at 15-25km an hour. We had a brand new bright yellow magnetic sign attached to the back of the community bus which assisted vehicles to see us. Ms Lethlean also did a great job on the horn, tooting when vehicles were approaching. We managed to brave the slightly cool conditions that morning and fog which thankfully only lasted to Serpentine.

After a quick stop at the Road House we set off along the Old Boort Rd, past some nice sheep and cattle. Shortly after this we took the road less travelled (well maybe not but it was a dirt road and it wasn’t the main road to Fernihurst) to Fernihurst. We found a gorgeous spot to stop along the banks of the Loddon River, with some yummy muffins, our lunch and after a quick drink of the H2O to rehydrate we set off again. We headed along the road out of Fernihurst towards Hollands Rd, Hicks Rd and Boag Rd and onto the Boort Durham Ox Rd. I had the students looking for a camel, although it must have moved since my pre trip excursion. Along these dirt roads, it did get a little muddy. Mel required a bike change as the mud actually made it difficult for him to turn the wheels. It is important to note though, that Mel’s bike was certainly quality and one of a kind. He had resurrected it from the depths of a place where it was unlikely to be used again. Mel managed to repair and restore the bike to a great condition.

Across the Boort Durham Ox road we travelled (near Venables Creek), we spotted Jo Guthrie and I waved down one of my Netball team mates before very quickly exiting onto the Loddon River Rd. We travelled along this road for some time, passing some interesting sights, and having some little toilet and snack breaks along the way. Appin came and went, and the students seemed to be getting more concerned (curious) about how far we had to go until we reached Lake Meran.

It wasn’t long (this may be debatable depending on who you ask) before we reached the little white house and farm that the nice farmer had kindly offered for us to ride through to reach Lake Meran. Pretty lucky farmer I’d say with a property backing on to Lake Meran. Anyway, this part of the trip didn’t quite go as I’d planned but was an adventure all the same. The mud was extreme, we (Nathan Twigg and Nathan Pickles were my co-passengers for safety incase we came across more mud – thanks boys) decided to dismount from our bikes and take the Community Bus along the Lake Leaghur Rd to Lake Meran to avoid the mud. As the students trekked with their bikes through the farm, the mud became heavy on their bikes. Julia, Alyce, Mel and Ms Lethlean were a great help in directing the students to their destination. On return to East Loddon the next day, needless to say we travelled along the Lake Leaghur Rd for a change of scenery and a smoother ride.

The second day was tough, but students were still full of smiles as they started the bike ride to East Loddon. They actually made quicker time than day one, with the pace increased, we heard the
community Bus go into second gear in the automatic transition (how exciting!). We were a little pushed for time, so couldn’t stop to enjoy too much of the scenery. However, we were really fortunate to have gorgeous sunshine and pretty countryside as we rode along.

The students did a fantastic job, they rode approximately 160-170km in 2 days, with sore legs, bottoms and other body parts I was extremely impressed with their persistence, dedication and enthusiasm. They were great company and a fantastic help along the way to and from Lake Meran. Well done to Will Saunders, Dylan Fitzgerald, Mel Addlem, Nathan Twigg, Nathan Pickles, Alyce Falls and Julia Twigg. The students also assisted me to organise the bike shed today, it looks immaculate. Thanks everyone.

Special thanks to the many hands that assisted us on return (when we must have looked a little tired and weary) packing away equipment, cleaning equipment and cleaning the Community Bus inside and out. Thank you to Wendy Twig, Robyn Falls, Sue Pickles, Mrs Cail, Mr Leed, Mr Wilkinson and Ms Lethlean.

Congratulations Caitlyn Hocking
Caitlyn Hocking has recently been invited to participate in the Bendigo Academy for Volleyball. I must admit when I first heard this, I thought it was for Netball but apparently Caitlyn is also quite highly skilled at Volleyball. Congratulations and good luck Caitlyn.

Whilst on the hot topic of Volleyball I here that Ms Johns has the East Loddon teams in good position for the finals. Two of the girls teams finished on top of the ladder, the third team also placed in the top three. Go Ms Johns and the East Loddon Volleyball players. I hear Mr Wilkinson has also been hanging about court side cheering on an opposition team. Controversial… but I guess acceptable considering his daughter is playing for another team.

Year 10 & Year 12 Long Tan Australian Defence Force ADF Scholarship Awards
Are you interested in applying for an ADF Long Tan award with scholarship funds attached?

The selection criteria for the award is based on the following values;

- Leadership
- Teamwork
- Problem solving
- Resourcefulness

It is anticipated that there will be a recipient from Year 10 & 12

(provided the applicants meet the selection criteria)

Students are being asked to provide a brief summary (notices were distributed May 30th) of how you have demonstrated the above attributes at East Loddon P-12 College and/or within the broader community in which you live. If you have any questions please see Miss Byrne. Applications are due Friday 13th of June

Keeping our kids safe: East Loddon P-12 College Road Safety Day
Year 10, 11 & 12 ‘Keeping our kids safe’ Monday 16th of June

Year 10: Keys Please (period 3 & 12:20pm) Room 30
Year 11: Fit2Drive (8:55am - period 4) MPR
Year 12: Looking After Your Mates 12:30 – 1:38pm Room 30

Students were given notices regarding these events three weeks ago, which require parent or guardian signature before being returned. Please ask your children/child for these. Parents/guardians are welcome to attend also. Please let me know prior to the day.

Goldfields Accommodation Expo
Where: Bendigo Senior Secondary College James King Hall
When: Tuesday 22nd July 7pm

It is an opportunity to find out about various accommodation options available at universities and private providers along with key note speakers.

Contact: Naomi Flint ph 4408 6151 or flint.naomi@bssc.edu.au

Thanks for your time, apologies for my little rant last week, funnily enough those barrels turned up or at least the person responsible for having them turned up and the barrels will soon (just waiting on Number 2). Thanks very much for assisting with this process. I have the weekend off Netball so heading home to Tyntynder for some family time and to paint an old wheelbarrow for Mum.

Sarah Byrne
Senior Sub-School Leader
byrne.sarah.m@edumail.vic.gov.au
Canteen News

I am still in need of volunteers on the highlighted days 25th & 27th June – if you can help out, please let me know. Or we may have to close the canteen on these days. Term 3 roster will be out next week.

We are trialling some new snack options in the canteen over the coming weeks and Hot Chocolate will be available!

MEAL DEALS! We have decided to trial some snack & meal deals. The snack deals will be advertised weekly on the notice board of the canteen. The following lunch deals will be available next week from Monday 16th to Friday 20th June.

Pizza Roll & Milkshake…$3.50
Hot Dog & Quench….3.00

If there are any problems or concerns, or you need to update your availability, please contact me. Please Remember - If you cannot do your rostered turn, please arrange your own swap with someone else.

Jo Guthrie, Canteen Coordinator
ajguthries@bigpond.com or 0428 366 220

Volleyball Clean Sweep

Congratulations to the three East Loddon volleyball teams who have all finished top of the ladder in their respective divisions this season. Due to the different number of teams in each division, the East Loddon Devils (U15 Jade) and Vipers (U17) are straight into the Grand Final game at 5pm on Thursday 19th June. The East Loddon Foxes (U15 Topaz) will be playing in a preliminary final at 5pm on Thursday 12th June but hope to continue their unbeaten record! If you have a chance, come along and cheer on the girls!
Respect - Resilience - Responsibility - Relationships

Academic Competitions
Well done to all students who took the Science UNSW Academic Competition. We shall receive our results in Term 3.

Next week students will be taking part in the Spelling and Writing tests. The details are below. Good luck

**Spelling – Tuesday 17th June, P1 in Room 11.**
Megan G  Brodie W
Zoe L   Chelsea H

**Writing – Wednesday 19th June, P4 in Room 11.**
Zoe L   Indi A
Alia M  Lachlan T

Andrew Cameron
Competition Co-ordinator
