Water Safety Program

Our swimming program has started well with the hot weather helping enthusiasm for students and instructors. The water has helped everyone to cool down with some students also needing to warm up again after a long stint in the pool. Many thanks go to those parents who have assisted so far. We have been able to have groups of about 7 students per instructor which enables close attention for all swimmers at the appropriate levels of learning. We could also use more assistants if anyone is able to help out tomorrow or next Monday, Tuesday or Thursday. Please contact the office if you are able to assist with the program. The times for each group are detailed below.

- Session 1 with Year 3 and Year 6 from 11:00 – 12:15
- Session 2 with Year 1/2 and Year 4 from 12:15 – 1:30
- Session 3 with P/1 and Year 5 from 1:30 – 2:15

Please also consider setting aside a few hours on Friday February 21st to attend the P-12 House Swimming Carnival. This day is always fun for students and a great opportunity for families to support their children in a friendly social atmosphere.

School Council Elections

Remember that nominations for the 2014 council remain open until Friday February 21. There are three parent vacancies for which nominations are invited. If you are interested in nominating, please contact the College to arrange to have the appropriate paperwork sent home. For the formation of the 2014 council, it is possible to nominate yourself without needing the endorsement of another parent.
Food and Photography Excursion
Yesterday, I was fortunate to be able to attend an excursion to Bealiba and Boort to look at growth and production of olives and capers. Year 9/10 students will be looking to put some of the processes from the businesses visited into action back at school in the coming months. We were lucky to see four very passionate and knowledgeable business owners who shared their insights into their operations. Students now have a wealth of information that will assist them with projects in these classes as well for consideration of their future vocations and careers.

Immunisations
Documentation for immunisations through the Loddon Shire program was distributed to students in Years 7 and 10 on Tuesday of this week. Please ensure you received this paperwork and make every effort to return it to the College as soon as possible. Please contact Mrs Cutting if you need any further information.

Active After School Communities
We have had an overwhelming response to the Tennis program which starts this afternoon at school. We will not be able to take any more participants into the program at this stage. It is great to see so many students looking to get active and to learn new skills.

Piano Lessons
Private piano lessons will continue to be available during 2014. Students from absolute beginners through to those who already know how to play a bit can benefit from the tutoring of Ms Irina Vorontsova, a renowned teacher of piano to students of all ages. It is possible for short lessons or small group lessons to be conducted to introduce students to the required skills. Please contact Irina at the College on Mondays to negotiate times and fees for lessons.

Assistant Principals News
Man o man, teaching is such a tough job. Yesterday in 38º heat, I was required to attend the Mitiamo pool for the afternoon. Yep, it’s a rough gig. The pool is looking amazing at the moment, with new murals, courtesy of our art students and a brand new septic system. All is looking good for the swimming sports next Friday (21st). Space on the grassed area has decreased, but it would be great to see the pool area packed to the rafters with supportive parents, grandparents and friends. To the year 7 and 8 students who swam yesterday, ‘well done’. Participation levels were high and next Wednesday, we are aiming for 100% of students in the pool. With weather like this who would complain?

On the 28th of February at 2.40pm in the gym, we will hold our Investiture assembly. All interested parties are encouraged to attend.

In April next year we are planning to send a contingent to Canakkale in Turkey, to visit our sister school, Toki Anadolu Lesisi. Final details of this trip have not been finalised, however, we are planning to be in Turkey for between two and three weeks, spending approximately half of that time in Canakkale. We intend being there for ANZAC day 2015. Initial costings suggest that the total cost of such a trip would be approximately 5000 dollars (hopefully less, if we can arrange hosting with families). Please complete the tear away slip at the end of this newsletter if your child is interested in attending. Shortly we will hold an information session about this trip.

Our second ever Trivia Night, will be held on Friday the 21st of March in the gymnasium. Due to popular demand this will not be held in the middle of winter. (We will also remember to provide tea and coffee). With attendance and raffles last year we raised a smidge over $1500, which was targeted for improvements to the gymnasium. This year we are aiming for similar success. More importantly though, we hope to get as many parents, friends and staff together in a relaxed social setting. Similar set up to last year, tables of ten at $10 per head. Bookings to the office please.

Education Maintenance Allowance 2014.

Applications for the EMA are now open. Forms are available at the office. Please bring your Health Care Card with you (it must be valid as of the 28th January 2014) as a photocopy is needed at the time of application.

To be eligible for the EMA:

1. Your child must be under the age of sixteen; and

2. Your child must be enrolled at a primary or secondary Government or registered school in Victoria on, 28th February 2014 for the first instalment and 1st August 2014 for the second instalment; and

3. You must on 28th January 2014 for the first instalment and 14th July 2014 for the second instalment:
   - be a parent or legal guardian of the student; and
   - be an eligible beneficiary within the meaning of the State Concessions Act 2004, that is, a holder of Veterans Affairs Gold Card or be an eligible Health care card (HCC) or Pensioner Concession Card (PCC) holder or be a foster parent.

4. Submit your application to the school by the due date:
   - 28th February 2014 for the first instalment*
   - 1st August 2014 for the second instalment.

* Please note: you only need to make a second application in August if your child changes schools between March and August.

The Pension Concession Card (PCC) or Health Care Card (HCC) is subject to electronic confirmation with Centrelink to verify that the cardholder is receiving a benefit.

Please Note:

Parents who submitted an early application back in 2013 but did not provide their Health Care Card must do so as soon as possible for the application to be processed. If unsure whether you have submitted your Health Care Card please contact the office.

Conveyance Allowance.

Parents who reside more than 4.8 kilometres from their nearest bus stop may be eligible for transport support (student must be attending their closest school). In these instances, students may receive a conveyance allowance to assist with travel costs. Application forms are available from the office.

Senior School News
Tess Sexton Tells us All About Her Trip to America

On the 30th of November I embarked on my Youth exchange trip to America. Around 13 other kids travelled to ‘the States’ with me. I was staying in a town called Stevens Point, in Wisconsin which is up the very top of North America. It had a population of 26,000+. My host family was a family of 3, Rich, Tess and Haley Parker. Whilst there I attended high school at Stevens Point Senior High (SPASH). There was over 2000 kids there and it was only from years 10-12!

I was shadowing Haley in Year 10, although it was a younger year level to me at home it was still very hard! I went to a lot of Ice Hockey games, watching the High School team, SPASH Panthers. I also went to a couple of Basketball games. Ice Hockey was my favourite though. It’s a really fast moving, physical game and very entertaining! I went ice skating a lot with my friends, and played Pond Hockey with them as well.
I did some travelling as well. I went to Green Bay (about a 1.5hr drive) a fair bit as my host sister Haley played Volleyball there, and I went to Eau Claire (3hrs drive) for my host Mums, Great Auntie's 90th. I really enjoyed my time with my host family and made a lot of new friends who I still keep in touch with and plan to go back again in the near future to visit.

After my 6 week stay with my host family, I travelled to Los Angeles where I met up with all the other Youth Exchanges. We stayed in LA for 3 nights, on the first night we got to the hotel at about 6pm, then we spent about 3 hours wandering around Disneyland before it closed. We were up at 8am the next morning with a big day from 9 am-12 pm at Disneyland (15 hours at Disney). With all this time we still didn't manage to see/go on every ride there as its massive! But our day was well spent and I loved it. The next day we had a Hollywood bus tour. We stopped in Hollywood, walking down the main street with all the stars on the side walk. Then we went driving around looking at all the celebrities’ houses and where movies have been filmed. We also stopped at Santa Monica beach, Venice Beach and a Farmers Market. On our last day we went to Universal Studios, we got a limo ride there and back. It’s one thing to say I've been in a limo but it’s another to say I've been in one in LA! Universal studios was great. We went on rides, a studio tour and saw various movie sets. We flew out at about 10 pm that night (Sunday 12th) and landed in Australia at about 8 am Tuesday the 14th. Overall my trip was amazing and an unforgettable one. I would definitely recommend anyone thinking about it or interested in doing something similar, to do it! It’s a great experience. Just wanted to say thanks to everyone who helped me get organised for the trip!

If you are interested in viewing a presentation that Tess will be presenting to the local Lions Club please let her know by Sunday 16th of December. The presentation will be at the Dingee Hotel on Tuesday 18th of Feb at 7pm for a 7:30pm start.

**SRC Representatives**

Congratulations to the following Year 12 students who have voluntarily accepted their roles of responsibility on the Student Representative Council (SRC).

President: Stephen Mathews  
Vice President: Maddy Primrose  
Secretary: Steven Matthews  
Treasurer: Cammie Murray

Well done, we look forward to your input around the school.
Jasmine Newton Memorial

Last Thursday afternoon the Community House hosted a memorial service for a previous East Loddon student, Jasmine. Mr Phelan and the VCAL students had worked tirelessly during the week to prepare the garden area, the Jasmine Rose and the memorial stone for Jasmine. Sue Allen conducted a beautiful ceremony reflecting on the many positive and happy memories others had of Jasmine. Under the sad circumstances, it was a lovely afternoon with some previous students returning, community members, staff and current students who were involved in the memorial preparations or knew Jasmine also attended.

Special thank you to Mr Phelan for organising such a moving and special service for Jasmine. Thank you also to Geoff Thomas for assisting with the catering.

Year 10 & 11 Students Work Experience Placements

Mr Rudkins has taken on the role of Careers and Work placements co-ordinator this year. He has already started meeting with students who have indicated an interested in structured work placements and will shortly be getting organised for our Year 10 & 11 Work Experience Week held this year from Monday August 4th to Friday August 8th. More to come from Mr Rudkins in the upcoming newsletters.

Year 10 & 11 students will also be invited to attend, free of charge, the Herald Sun Careers Expo to be held on Friday August 15th. More details to come closer to the time.

MUNA Conference

If students are interested in putting a team (2 students) together for the Model United Nations Assembly MUNA conference to be held in Laverton from Friday May 2nd to Sunday May 4th please let me know early March. Students are involved in a conference where they role play the United Nations and act as ambassadors for different countries. This year the conference is happening in our local area, at Camp Getaway in Axedale. There is some research involved so students would need to commit to dedicating time to this. Staff here and Tony Plant (Rotary Club) are willing to assist students in researching such information.

Tony Plant from Rotary (East Bendigo branch) is willing to assist any student (as he did with Lachy) in applying for the upcoming National Youth Science Forum in Jan 2015. Even though the actual event is a long way away, the application process is relatively extensive. Interested students are encouraged to speak to myself or Lachy Twigg. Lachy will tell us all about his National Youth Science Forum experience in next week’s newsletter.

Thank you for your time, I look forward to seeing everyone at the P-12 Swimming Sports on Friday 21st Feb. I had the pleasure of taking the lovely Year 7 – 10 students to the pool yesterday for their respective PE classes. It was very refreshing after our recent heat wave. I must say I was also quite impressed with 47 Year 7 & 8 students cheering to go the pool in their lunch break and period 5 & 6. Nice work.

Sub-school Captain Elections

Last Friday saw 4 of our fantastic year 8 students vie for the position of sub-school captain. Ethan Lewis, Sarah James, Jo Cartwright and Kate Baker all delivered wonderfully constructed speeches to their peers and teachers, and all 4 should be extremely proud of the way in which they presented themselves on the day. In what was the closest lot of voting I can remember, Ethan Lewis and Jo Cartwright were named as our sub-school captains.

Whilst I would obviously like to congratulate Jo and Ethan on this fantastic achievement, I would also like to acknowledge the efforts and enthusiasm of Kate Baker and Sarah James. All four students were absolutely outstanding in their preparation and approach during the lead up to last Friday’s assembly and there was a huge amount of praise and positive comment for all 4 of these students. Well done to Kate and Sarah on the manner in which you conducted yourselves during this process and congratulations to Jo and Ethan on your new roles of responsibility. I look forward to seeing your positive efforts and interactions with the students of our College.
Sub-school Captains
Hello everybody! It’s our first week as sub-school captains and we are very excited by the prospect of being able to represent our sub-school in a very positive way. We are also keen to prove that we are great young leaders! Our names are Ethan Lewis and Jo Cartwright and we are in year 8.
As captains of the sub-school we are really keen to start up some activities for the Middle Years students and would like to continue with some of the things that have been successful in the past. We will also endeavour to keep you as a community informed of the happenings within our sub-school via weekly reports in this newsletter.

A little bit about us-
Ethan – I live in Serpentine with my mum and dad. I also have an older brother named Jake who has moved out of home and is attending university. I love playing basketball after school in Bendigo and my father is the local police officer in Serpentine as well as our College Council President. I was sub-school captain at our College in year 4 and I am very excited to be in this role again.
Jo- I live on a farm which is not far from school and live with mum, dad and my two brothers. I love netball, tennis, calisthenics and swimming. My mum currently teaches Performing Arts at our College and my dad volunteers with the Raywood CFA. In the past I have represented my classmates through the Student Representative Council, and I am really looking forward to stepping up into the role of Sub-School Captain.

 Corrections to Middle Years Newsletter
I would like to apologise to Mr Aurisch and our Middle Years sub-school ‘community’ for incorrectly naming Mrs Johns as the Yr 7 Homeroom Teacher in last week’s Middle Years Newsletter. Mrs Johns is in the year 7 homeroom as a reading buddy and classroom teacher; however, Mr Aurisch is the Year 7 Homeroom Teacher. He can be contacted at aurisch.neil.k@edumail.vic.gov.au or via the College Office.
Corrections to homework days are also as follows-
- Year 5 Maths is due in on a Wednesday.
- Year 7 English is due in on a Wednesday.

Yr 6 Netbooks
You could have mistaken Mr Judd for Santa Claus and the year 6 room as ‘party central’ last Friday when our year 6 students had a special delivery of their new netbook computers from Mr Judd. Excitement levels were enormous amongst the class and they have not really dulled at all since Friday. The class has spent a number of lessons on their new devices already and I look forward to seeing their computer skills improve further throughout the year.

 Junior House Captains
I am very happy to announce some further positions of responsibility that have been decided upon within our sub-school. Our Junior House Captains for this year will have very important roles to fulfil, particularly on our two major sports days – the College Swimming Sports and the College Athletics Sports. Our junior house captains are all year 6 students, and they are as follows-
Long – Josh Kuhn and Chloe Hayman
Laird – Emma Karslake and Hugh Cartwright
Shaw – Dakota Bish and Jasmine Condliffe
Evans – Blake Pickles and Sophie Hay
Congratulations to you all!
**Middle Years Swimming**

Year 5 and 6 students will continue their participation in the P-6 Water Safety Program over the next week with the program concluding next Friday with our College Swimming Sports. The program has started very well this week, with students impressing with their efforts and behaviour.

Year 7 and 8 students will also be attending the pool next Wednesday (19th) for their final swimming session before the College Swimming Sports.

I would like to extend a big thankyou to Mr John Clyne and Mr Eamon Smith who have put a huge amount of time and effort into this program. A thankyou is also extended to other teachers, parents and family members who are assisting with sessions at the pool!

**Contact with the College**

Parents are encouraged to keep in close contact with the College so that we are able to assist students with specific issues as they arise. Please feel free to contact class teachers with specific issues relating to particular learning activities. For general concerns or issues, please contact your child’s Home Group teacher or myself.

**Good News Stories!**

I would love to hear from any students, families or school community members who have good news stories involving any of our Middle Years students. Whether it be a student passing a music exam or swimming level, or someone assisting with a community group, it would be great to have the chance to acknowledge the fantastic things that our students do. Please pass information on to me at leed.steven.a@edumail.vic.gov.au so that it can be published in this Newsletter.

**Have a fantastic week!**

After nominations, delivery of speeches and voting by peers, we are very pleased to announce the following positions for 2014:

Sub School Captains- Roscoe and Alicia
SRC Representatives- Colby, Trista and Montana

CONGRATULATIONS YEAR 4s! (an email from a parent)
A BIG Congratulations needs to go out to all the Year 4 students who presented speeches last Friday, with the aim to become the school’s Sub School Captains and/or SRC representatives. All the Year 4s were really impressive in their public speaking abilities, showing great confidence with their voices, and eye contact with the audience. I have no doubt that any one of these students would make a great leader in the school! The wonderful abilities that they displayed are a reflection of the great teachers they have had in previous years, as well as Miss Windridge for preparing them so well for the day, and those teachers deserve a big pat on the back.
Well done Year 4s, you’ve made us proud!

Jeannie Wagner (proud parent)

Isaac Puts His Best Foot Forward
We would like to congratulate Isaac (Year 2) on having the courage to step forward as part of the opening of the Refurbished Bendigo Library. Isaac stood up in front of a big audience to count to 12 in another language (German) at the Bendigo library on the weekend. His teachers were very proud of the confidence he showed in volunteering to share his knowledge.
Swimming Program
With hot weather and lots of enthusiasm, the swimming program is off to a great start. We are still desperate for volunteers so if you can spare an hour to help teach our students water safety and swimming skills, please contact Mr Madden to have your name placed on the roster. We can guarantee that the experience will be very rewarding.

P – 12 Swimming Sports Carnival.
Friday 21st February – Mitiamo Pool
First Event: 9.50am
Presentations – approximately 2.30pm

Arrangements for the day.
1. All students are required to attend school as normal in the morning.
   Level assemblies will be held at 9.00am.
   Students board buses approximately 9.05am
   - Bus 1,2, 3 = P-6 students
   - Bus 4 = Yr 7/8
   - Bus 5 = Yr 9 / 10 / VCE

2. Shade areas will be provided for all students but parents are asked to reinforce the importance of hats, sunscreen and shirts. There is minimal shade areas for parents and they may also like to bring umbrellas etc to share, just in case of a lock out crowd.

3. Bring Your Own Lunch / Drinks. Students are required to bring their lunches / snacks and water to keep well hydrated during the day.

4. Permission Forms – Very Important! ALL students are required to return the blanket permission slip as sent home in week one to the Office

5. Parents are encouraged to attend in support of their children and the school’s program. Programs will be available at the gate along with a small admission donation to help assist the Pool committee fund raising.

6. Students are permitted to travel home with parents directly from the pool at the end of the day. Such students should notify staff on their bus of this intention with a note to class / form teacher in the morning. (This helps with planning for bus boarding).

Chapo’s Chat Space
I would like to introduce myself to our new school families and reacquaint myself to our existing families, as there has been an extension to my work hours and role within the school.
My name is the Rev. Susan Allen, I am an Anglican Pioneer Priest and through the federally funded chaplaincy program I have worked two days a week in our school as school chaplain since 2007. As chaplain in our school I work to provide a pastoral presence and service. My work in the school is to all those associated with the school community, including staff, students and their families. I aim to encourage, equip and empower people in areas such as resilience, reconciliation, and personal growth, to be all they have been created to be. Before I was ordained I worked as a counsellor and have a Diploma of Counselling and a Bachelor of Social Science majoring in counselling. This has enabled me to successfully apply for the Primary Welfare Officer position within our school which was filled by Alan Patterson before his resignation at the end of last year. I hope to connect over the next couple of weeks with the students and families that Alan was working with to introduce myself. If you have any concerns about your children or would like to talk over any issues please don’t hesitate to contact me on the details below.

In 2014 I will be working Wednesdays, Thursdays as I have in the past and now on a Friday.

EAST LODDON PARENT'S ASSOCIATION

As your new Parents Association President/Chairperson for this year, please feel free to contact me with regards to any issues or concerns you may have about our East Loddon P-12 College and I will do my best to help. E-mail me anytime at welsh600@gmail.com or arrange a time to speak to me in person by phoning me on 0447 689 309. Please leave a message if I don't answer and I will return your call.

Many thanks to Jo Guthrie for all her hard work and commitment to the position in the past, a job well done. Jo will be continuing on as Canteen Coordinator this year. Special thanks too, to Mel Primrose (Secretary) and Kaye Leech (Treasurer), for agreeing to continue in their roles on the committee.

It is a real honour to have this position and I really look forward to a great year in a great school, working as part of a great team.

Next Parent's Association Meeting will be Tuesday 4th March @ 1 pm at East Loddon P-12 College Office Meeting Room. Any items for discussion, please include in the agenda beforehand, by contacting myself (as above) or Mel on 0438 110 857 or by email to melissa@alltronics.com.au.

We value your input and you are very welcome to come along.

Thanking you.
Leanne Welsh

Canteen News

Thanks to everyone who has returned their volunteers forms this year. If I haven’t received it yet, I have gone on last year’s availability. We are asking volunteers to do two turns per term this year to help keep our canteen open every day. We appreciate the time everyone puts in when volunteering to do their turn on canteen and without everyone helping out, our canteen would struggle to run, so Thank You again for volunteering.

Please Remember - If you cannot do your rostered turn, please arrange your own swap with someone else. If there are any problems or concerns, or you need to update your availability, please contact me.

Please note: we will now be selling Pepsi products instead of Coca Cola products. Remember to make sure you clearly label lunch orders with child’s name and year level. This makes it a lot easier for volunteers!

### APRIL

2015 Sister School Visit

I would be interested in receiving more information that explains details of a proposed visit to Turkey in April 2015.

As a price guide, similar trips with all accommodation and most food, bus travel and transfers included, have been quoted at $2500 plus international airfares.

We may be able to offset costs by spending some time with host families from our Sister School in Cannakale and also by fundraising.
