From the Principal

Parent Teacher Student Interviews

Thanks to those families who have been able to make appointments to meet with teachers to discuss the progress of their students. We are expecting that all families will be able to attend. If you cannot, it is possible for teachers to make phone contact with you on the day of interviews or at another time so please contact the College to make arrangements for this to happen. Interviews can still be requested using the sheet attached to the newsletter.

On Wednesday of next week, students will have normal school arrangements until lunchtime. Students will have time to eat their lunch and then buses will depart the College at 1:30pm. This will also be the time of the first interview. Only students who are involved in interviews before 2:00pm will be able to stay at school. Please ensure that you provide a written note to the office prior to the day of the interviews if you want this to happen for your child. Please note the change to pick up times at bus stops that will be necessary.

New Staff Member

For the start of this term, we will have new staff member with us teaching Maths in the Senior School. This has come about following the news that Mr Scholtes will not be returning to the College this year. Mr Robert Halse, who has a broad range of teaching experiences in Australia and internationally, will join us to teach Year 8 and VCE Maths. Due to timetabling clashes, Mr Cameron will now teach the year 10 maths class.

ANZAC Day

The College ANZAC Day service was held this afternoon with the support of the East Loddon and Mitiamo RSL sub-branch. As always, this service was befitting the occasion and students had the opportunity to mark the ceremony in conjunction with people with direct links to the battles that were fought in years passed. Tomorrow, Friday April 25, is a public holiday and the College will be closed.
**Hats**
During Terms 1 & 4, students are expected to wear school hats at all times during recess and lunchtimes and when outside doing other learning activities. During Term 2 & 3, there is the opportunity for the hats to be washed, repaired if necessary and stored safely so they are ready for use again later in the year. Please ensure that your child(ren) bring home their hats if they have not done so already.

**Holiday Works**
During the holidays, the College had an audit of the buildings that contain asbestos. As part of new DEECD and Victorian Government guidelines, all such buildings now have a blue and yellow sticker over the door to alert tradespeople of the presence of asbestos. This does not mean there is any danger in these areas but serves to alert contractors of the care needed to avoid drilling or cutting such materials which can become hazardous.

**Piano Lessons**
There are still some places available for private piano lessons at the College. Students from absolute beginners through to those who already know how to play a bit can benefit from the tutoring of Ms Irina Vorontsova, a renowned teacher of piano to students of all ages. It is possible for short lessons or small group lessons to be conducted to introduce students to the required skills. Please contact Irina at the College on Mondays to negotiate times and fees for lessons.

**Brad Madden**
Principal

**Acting Principal’s News**
Wowee, that’s the shortest school week in history and possibly the busiest. To make matters worse, yesterday I did a trip to Melbourne and back with our subschool captains to the Victorian Legacy Schools ANZAC service. The Captains will make mention of this later in the newsletter. That day was followed by a marathon school council and now today’s ANZAC ceremony. Needless to say I’m tired.

In other interesting developments, (and some of you know this already), during the holidays, Mr Madden was approached by the education department to fill in for one term, as Principal at Winters Flat Primary School in Castlemaine. Many things needed to be considered before Mr Madden accepted this request, none the least, how our school would operate in his absence. I think it says really good things about our school and the work of our staff, that the department feel that we can operate productively without Mr Madden for a term. We proved that this was possible for six months last year and I am sure we will again. This was not an easy decision for Mr Madden to make and we wish him all the best for term two at a different school. In his absence I will act as Principal for one term and Mr Leed will act as Assistant Principal. To ensure that Mr Leed can complete all of his other duties we have employed Mrs Jeannie Wagner to work with the year 6 class on Tuesday, Wednesday and Thursday for the remainder of the term. The year 6 classroom work will be job shared with Mr Leed. Also joining us for 3 weeks this term is Mr Andrew Whatley, an experienced principal who will answer questions from me such as ‘what do I do now?’ . Andrew worked with us during term 4 last year and we found his expertise extremely valuable.

This year is a fete year! Yippee. The fete will be held on the 2nd last Wednesday of term 3. At present we are searching for great ideas that will draw as many people to this event as possible. If you have any (maybe things that have worked elsewhere or original ones), please forward these to the school or your school council or parents association reps. This is our major annual fundraiser.

**Scott Wilkinson**
Acting Principal

**Senior School News**

**Experience LaTrobe**
Congratulations to Sarah Collins who braved it solo to attend the recent ‘Experience La Trobe’ event at the university during the break. I was really pleased to hear such positive feedback from Sarah. She has included below some information about the day. If you have any further questions please feel free to ask Sarah or myself.

**Student/Parent/Teacher interviews**
I will start contacting parents/guardians to just provide a friendly reminder about visiting the school on Wednesday the 30th of April to hear about your child’s progress. It would be great to see as many parents/guardians and their children as possible. Contact Jenny Cutting in the office to make an appointment.
time. I will be out canoeing at the time of the interviews, so please feel free to speak to me prior to the camp or afterwards.

**Year 9 & 10 Outdoor Ed Canoe Camp**

*Wednesday 30th April – Friday 2nd of May.* For further information please speak to your child, myself or refer to previous canoe camp information. All applies except the date change.

**Bike Camp**

Our Year 9 & 10 Outdoor Ed Bike Camp will also be happening *Wednesday 4th & Thursday 5th of June.* We will start planning for this camp shortly. This will include some practice bike rides to local destinations. Information and permission notes will be distributed closer to the time.

**Australian Catholic University**

Barb Bear has kindly organised a guest speaker from the Australian Catholic University to hold a presentation on Friday the 9th of May from 9am – 9:30am in the multi-purpose room. Parents and guardians are also welcome. Whilst the information will relate specifically to the Australian Catholic University it will also be applicable to other tertiary education (University & TAFE). All Year 10, 11 and 12 students will be encouraged to attend.

**Employment / Apprenticeship opportunities**

These employment opportunities were issued in the school holiday period, if you are interested in any of these positions I suggest you act immediately. Please see Mr Rudkins or myself if you need assistance.

**Automotive Apprenticeship – Light Vehicle**

CVGT has an opportunity for an apprenticeship with a large automotive firm in Bendigo. Successful applicant must have a background in the mechanical field. Cert 2 Automotive would be an advantage. Please provide a cover letter and resume via email to Marg at mmckinley@cvgt.com.au or drop into the King Street office.

**Bricklaying Apprenticeship**

CVGT has an opportunity for a junior applicant to undertake Certificate III in Bricklaying & Blocklaying which is a three year apprenticeship.
You will be working with an experienced local bricklayer and learning the trade on the job as well as some trade school requirements that need to met. You must be physically fit to meet the demands of physically demanding work and come ready to work and learn the trade. Apprenticeship wages apply.
If you have what it takes please apply with your resume via email to Marg at mmckinley@cvgt.com.au or drop into the King Street office. For further enquiries please phone Murray on 0448 990 721.

**Apprentice Chef - Wedderburn**

CVGT is seeking experienced persons in the Hospitality Industry to undertake an apprenticeship as a chef. It is a four year apprenticeship where you will work on the job whilst achieving your qualification. This is an excellent opportunity for a mature aged applicant interested in combining their years of experience in the Hospitality industry to gain formal qualifications as a Chef in a local Wedderburn Hotel. You must have a keen interest in the hospitality industry and trade experience is desirable. Only successful applicants will be contacted regarding their application. Margaret McKinley Ph. 5449 2152

**Thanks for your time,** I hope everyone had a nice Easter. I was fortunate to spend lots of time with my family and friends over the break, see Jake Bugg and British India play, participate in the ‘Run for the Kids’, sell my old car (was happy and sad at the same time). Oh and get some school work done too. All good.

Sarah Byrne
Senior Sub School Leader
byrne.sarah.m@edumail.vic.gov.au

**Middle Years Report**

**Sub-school Captain Report**

Hello and welcome back to another term of school. To start off we think we will soon cancel our Homework catch-up and the hangout room as we are not getting enough numbers to make this viable. On the 23rd of April we attended an ANZAC Ceremony run by Legacy. We sat on the stairs of The Shrine holding the College banner while the junior school captains laid a wreath at the eternal flame. Overall it was a great day and we would like to thank Mr Wilkinson for taking us to the ceremony. **Jo Cartwright and Ethan Lewis**
**Year 8 Camp**
Along with some of our year 8 teachers, I am currently in the process of trying to organise and finalise a possible camp for year 8 students to be held towards the end of term 3. The camp will be in an Urban setting (Melbourne) and will run for 3 days/2 nights. We are very keen to make this happen, as our year 8 students have not had a scheduled camp for a number of years, and we would love to make this a feature of the year 8 program each year.

More details will come as they are finalised and approved at a College level. Parents of year 8 students can contact Mr Leed for details of plans if they would like to.

**Good News Story for the week – Jacinta’s efforts in Volleyball**
Recently the Bendigo Academy Under 15 Volleyball teams competed in the Under 15 Nationals in Albury. This tournament consists of 5 days of competition. One of the regular team members was injured at the last minute and with the team requiring a fill in player at short notice, Mrs Johns who was assisting with coaching duties for the team was asked to help find a talented young player from her team who may be able to fill in at short notice. Jacinta stepped up to this task and very bravely went away with a team of girls who had trained together for 8 months and of who she did not know anyone. Mrs Johns reported that Jacinta did a very good job and more than adequately filled in for the team.

The team went on to win 5 of their 8 games and finished second in their pool. Well done Jacinta on your efforts and courage!

**Year 7 Sleepover**
I would like to acknowledge and thank the many people involved in making last night’s Year 7 sleepover a great success. The students themselves were a fantastic group, who impressed us with their efforts and attitude throughout the evening, and it was great to see some of our staff, parents and family members in attendance at our BBQ tea.

Students started out the night with a bring and share afternoon tea and there was certainly a great spread of food on offer. Our first activities for the night were an Amazing Race with Mrs Johns and Frau Mac, and a Tent Challenge with Miss Byrne, Mrs Maxted and Miss Buckland. The students had a wonderful time with these two activities before going to the Art precinct of our College with Mr Aurisch and Mrs Townsend for some clay cup-cake making and Mona Lisa poses. The students followed up their activity sessions with a lovely ‘Snag Sizzle’ which was cooked to perfection by our MKR team of Mrs Phelan and Frauline Burgstett. Evening activities began with a camp fire (thanks to Henry Lacey for establishing this for us!), marshmallow roasting and game of Chubby Bunny (winner Mr Leed on 13 marshmallows). We watched a movie after that, played some late night down ball and then went to bed by the stroke of midnight.

This morning we awoke to a beautiful bacon, sausage and egg breakfast, capably cooked by the team of Ms Tracey, Mr Kidman and Mr Cameron. We tidied up our rooms, packed up our bags and were ready for the start of the school day. I only hope we all get through the day with flying colours after a night of minimal sleep.

I would like to thank all of the staff I have already mentioned in this short article, as well as Mr & Mrs Cutting for supplying our eggs, Ms Coleman for getting our snags and the many other staff who offered to assist but were not required to attend due to the large number of staff already assisting. It really is fantastic when so many people bandy together to assist with something such as this. Thanks to all involved!!!
Year 6 German Excursion – More 100 word recounts!
The trip to Melbourne!
Do you know what’s amazing? That we are going to Melbourne to watch a….MOVIE!
But one small problem.....it is in German.
Though I will tell you the whole day.
We travelled by bus and by car. Connor, Jas, Sophie and I went in the car. Everyone else went by bus. When we got there we went by tram. The tram ride was noisy and bumpy.
When we got to the Kino Cinema the movie was 5 minutes into the movie! But it was awesome! After that we had McDonalds for lunch and Jamie ate the most.
By Zander L

German Excursion
I’m so tired I had to get up really early in the morning. Then I was ready for the German film clip. We got into the car and we set off for our great journey. We were a bit late to get to the tram and we had to run to make it on time. Then we finally got to the movie and it was great. After the movie we went for a walk for not too long and saw a McDonalds and it was delicious. Then we got back in the car and my German teacher dropped me at my house.
By Jasmine C

Practice NAPLAN Tests
In the weeks leading up to our NAPLAN testing period in the third week of May, students in the Middle Years will sit practice NAPLAN tests in order to simulate test conditions which will be in place for the actual tests held in 2014. Although years 5 and 7 are the only middle years classes formally tested, students in years 6 and 8 will also sit one practice test each in order to maintain an adequate understanding of the process for their testing next year. Students in years 5 and 7 will sit two practice tests before our testing period in May.
It is important to remember that we only ever expect students to do the very best that they can in any form of testing, and extra emphasis from parents about the importance of extremely high test results can place added stress onto students.

Contact with the College
Parents are encouraged to keep in close contact with the College so that we are able to assist students with specific issues as they arise. Please feel free to contact class teachers with specific issues relating to particular learning activities. For general concerns or issues, please contact your child’s Home Group teacher or myself.

Good News Stories – I would love to hear some more!
I would love to hear from any students, families or school community members who have good news stories involving any of our Middle Years students. Whether it be a student passing a music exam or swimming level, or someone assisting with a community group, it would be great to have the chance to acknowledge the fantastic things that our students do. Please pass information on to me at leed.steven.a@edumail.vic.gov.au so that it can be published in this Newsletter.

I hope you were all able to have a relaxing holiday with your families!
Steven Leed – Middle Years Leader

**You Can Do It!** (Organisation)

Prep – Keira
Year 1-Tyla
Year 2- Ned
Year 3 –Stephanie
Year 4- Roscoe

**An Act of Kindness Award**
Roscoe was nominated by another student for coming to her assistance when she had an accident. She appreciated the fact that he could have just walked past but didn’t. You are a great ‘Good Samaritan’, Roscoe.

**LOTE (German) Award**
Ciaran and Noah were nominated by Miss Burgstett and were presented with their LOTE award at our last assembly.

**Prep Letter in Focus – Gg**
On the THRASS chart there is ‘g’ as in ‘gate’ and the double consonant as in ‘egg’.

**Prep Word to Fluency**

**Congratulations and Thanks**
Staff would like to pass on their admiration and thanks to parents and caregivers for their great effort in maintaining good reading habits during the holidays. Sometimes some children lose some of the learning that takes place prior to holidays but all staff have reported an amazing first day back with students maintaining the gains made during first term and really keen to recommence their school based learning. We are incredibly fortunate to have such supportive parents, a major factor in our College’s consistent high academic achievements.

**College Fete**
This year the P-4 section will again run a crafts, food and plant stall. We are hoping that all families will be able to contribute either a craft item, food or some plants. Now is a great time to think about dividing plants, so please ‘pot up’ some for our major fund raiser.
Dads who may not be into the crafts or cooking can also be involved in making bird feeders, letter boxes, sculptures and garden furniture. Likewise mums (or other ‘gifted’ relatives) may like to drag out the welder or circular saw. If you can make it, we are more than happy to sell it.

**Literacy Hint**
Activities such as Lego, knitting, threading, hammering, dot to dots, jigsaws, colouring and more recently, looming, all help to improve hand-eye and fine muscle co-ordination with subsequent benefits for handwriting. This in turn allows children to spend more concentrated energy on the content rather than on the mechanics.
Numeracy Hints
For some young children, correctly forming numerals is not always automatic. If your child has difficulty with writing numbers, take a little time to practise forming them. A small whiteboard is ideal as the surface is reusable. A few minutes a couple of times a week can make a real difference, reinforcing learning taking place at school.

Excursion to Bill Twigg’s Wetlands
As mentioned, the P-4 students will be involved in a Science excursion to Bears Lagoon on Wednesday the 7th May (weather permitting) to study a wetlands environment. The cost of the excursion will be $3. A note and permission form will be sent home early this coming week.

Peter Vernon
P-4 Co-ordinator

Academic Competitions
Students will have the opportunity to participate in the University of NSW academic competitions program this year. This gives the chance to compare knowledge with other students throughout Australia in academic areas of interest. The results also come with extensive diagnostic information that can be used by students, parents and teachers to support future learning. Please refer to the information later in this newsletter. An expression of interest slip is on the last page of the newsletter. Thanks to Mr Cameron for leading this project.

Andrew Cameron
Competitions Co-ordinator

PARENTS ASSOCIATION NEWS

Please find attached to today’s newsletter, 20 tickets for our Mother’s Day Raffle. Tickets are $1 each - please sell both sides and record purchaser’s name & contact phone no. on the ticket & return tickets and money to the college office by 7th May. Raffle will be drawn on Thursday 8th May and prizes distributed in time for Mother’s Day.

We ask that every family provide an item, either bought or homemade - something Mum might like, to contribute to the prize hampers please, to be sent/delivered to the College office by Thursday 1st May. All proceeds from the raffle will be put towards funding projects to support our students.
Many thanks for your help.

Next PA Meeting will be next Tuesday 29th April @ 1.00pm at the College Office Meeting Room

All very welcome to attend. Topics to discuss include funding submissions received from teachers for future projects/programs and PA involvement in this year’s Fete. Any items for the agenda, please send through to Mel Primrose – Secretary – melissa@alltronics.com.au or Leanne Welsh – President – welsh600@gmail.com

-----------

COOKIE DOUGH FUNDRAISER – Order Forms now due
The Parent’s Association are once again running the popular Billy G’s cookie dough fundraiser.
Forms & money need to be returned to the College Office by Monday 28th April please
Any questions, please contact Nicole Hocking 0427 368 499.
**Canteen Roster – TERM 2 2014**

Thanks for Volunteering in the canteen for Term 2 – this is the start of our Winter Menu so all our warm food is back on our menu – Welcome back to our Gillies Big Pie and range of pasties, sausage rolls & school size pies. Please remember our healthy eating guide when choosing your child’s lunches. As delicious as our winter range is, they do fall into the occasional foods on our menu. Hot chocolate will be available about half way through Term 2 when the cooler weather begins. **GOOD NEWS** – MILKSHAKES ARE STAYING ON THE MENU FOR TERM 2 & 3.

**IF YOU CAN’T SEE YOUR NAME HERE BUT YOU TICKED “YES” TO CANTEEN ON YOUR BOOKLIST – Please email me your available days so I can add you to the roster.**

The days highlighted in grey are days I need volunteers – if you can help out by volunteering on one of these days please let me know.

If there are any problems or concerns, or you need to update your availability, please contact me. There may be changes made to this roster before school starts next term and if this happens I will email all contacts that I have, and re post it in the newsletter first week back in Term 2. **Please Remember - If you cannot do your rostered turn, please arrange your own swap with someone else.**

Enjoy the holidays & Happy Easter!

**Jo Guthrie, Canteen Coordinator**

ajguthries@bigpond.com or 0428 366 220
