From the Principal

Parent Teacher Student Interviews
Attached to this week’s newsletter is a form to return which indicates your preferred times for interviews which have been scheduled for Wednesday April 30 in the afternoon between 1:30 and 6:00 pm. The interviews provide an opportunity for parents, teachers and students to discuss learning goals and progress in all class activities. There will not be an interim report distributed but we are hoping all parents will attend and that the Personal Learning Goals that students have set in conjunction with teachers and parents will form the basis of the discussion for these meetings. P-4 students will have their Personal Learning Goals included with their journals which will be sent home prior to the day of the interviews. Please return your request form as soon as possible so we can endeavour to arrange times that will suit you.

Visitors to the College
At various times during a normal school week, we have tradespeople, sales representatives, psychologists and a range of parents and others who visit the College. Our visitors who come on official business are in the habit of signing in and registering their presence with the staff in the office. This helps us to know who is in the school and the purpose of each visit. Often parents visit the school and don’t take the time to call in at the office to sign in. We are asking that you make the effort to do this so we can maintain accurate rolls if you are collecting your child from school and we can ensure that students are always supervised by their teacher or their responsible carer. Staff from the office will go to classes to collect students who are leaving early from classes. Your support with implementing this procedure is appreciated.
**Casual Dress Day**
Tomorrow will be an SRC fundraising casual dress day. Students are free to dress in appropriate clothes and donate a gold coin. Parents are asked to ensure that students have a gold coin to donate and are dressed appropriately. Please ensure that students do not wear singlets, tank tops, thongs, mini shorts or skirts, but dress suitably for the classes they have on the day and for the weather conditions.

**Trivia Night**
Tomorrow night is our trivia fundraising night to be held at the College. It is not too late to book a table and come along to enjoy the fun. Please contact the office tomorrow if you have a table of eight or if you just have one or two people who are interested in joining a table.

**College Highlights**
We were visited last week by the creative team from the Bendigo Advertiser who toured the school and saw Year 1 students doing an online reading session with students from Epsom Primary School, watched some senior students completing Art projects and discussed the upcoming visit to Turkey in 2015. They were impressed with the range of opportunities on offer and have prepared text and photos that will appear in the Schools Noticeboard section of the Advertiser on Monday April 7.

**Active After School Communities**
There will be one catch up tennis session to be held next Wednesday April 2. Please note the change in day from the normal Thursday sessions, one of which was cancelled earlier in the term. We will have details of the sport for next term at the start of Term 2.

**Piano Lessons**
There are still some places available for private piano lessons at the College. Students from absolute beginners through to those who already know how to play a bit can benefit from the tutoring of Ms Irina Vorontsova, a renowned teacher of piano to students of all ages. It is possible for short lessons or small group lessons to be conducted to introduce students to the required skills. Please contact Irina at the College on Mondays to negotiate times and fees for lessons.

**End of Term**
Next Friday, April 4, will be the last day of Term 1. School will finish early and buses will depart the College at 2:30pm. Pick up times from bus stops will need to be adjusted by 1 hour as a result.

**Brad Madden**
Principal

**Assistant Principals News**
The Trivia night is tomorrow evening at 7 pm. So far we have a whole heap of teachers and three parent tables attending. This evening is designed to get staff and parents together socially, so if you were thinking ‘ooh I might go to that and win some prizes’ or ‘ooh I might go to that and show the teachers how clever I am’ and you haven’t yet confirmed this with the office, can you please do that tomorrow morning so that we can set the correct number of tables. We will provide cheap entertainment ($10 per head), tea and coffee and you provide drinks and nibbles for yourselves. Great night last year, promises the same this year. Please ring to confirm your tables tomorrow morning if you haven’t already. The type of prizes that you may/ will win (depending on your positive attitude) are so far donated by the following businesses: Capital theatre, Sportspower, Organise my….Dingee Pub, Ruffell Jewellers , Mr Goodtimes , Robs Jeanery, Bendigo Eyeworks, Mona Lisa, Brazilian Beauty, Mtiamo General Store Serpentine Hotel, Annie Hammond Podiatry, Raywood Butchers Raywood Hotel, Foundry Hotel, Jo Guthrie Scrapbooking. Please support the school by supporting this evening and even if you can’t, please support the businesses listed above. I hope to hear the phone buzzing to the office tomorrow with a few last minute parent tables. For those wondering, we will rig up the footy on a TV somewhere, so that we can access scores. Don’t use that as an excuse Ross. Bring loose change.

The first few week back next term is really busy. It is a three dayer. Monday is Easter Monday and for that I grant you all a day off. Friday is ANZAC day, for which you can all have another day to rest, remember and watch footy. On the Wednesday of the first week, is the year 7 sleep over and also a trip for the junior and middle school captains to the schools ANZAC service in Melbourne. On Thursday our East Loddon P12 ANZAC ceremony will take place, with Mr Norm Gray as guest speaker. Norm will be bringing a special
friend who has served at Gallipoli, Tobruk and the War Memorial in Canberra, (to name a few). This promises to be one of the best ANZAC ceremony presentations yet. There’s a bit of pressure for you Normie. As always, we strongly encourage as many guests to attend from the community as possible. It will be held at 2:30 in the gymnasium on Thursday the 24th of April. Not sure when badges will go on sale for ANZAC day, but this may have to be squeezed in to the first week also.

We would love to see you all tomorrow night.
Scott Wilkinson
Assistant Principal

Senior School Newsletter Thursday 27th March

Year 11 & 12 parents
Just a reminder to Year 11 & 12 parents that you would have received in the mail a package of information about your student’s personalised learning goals, study timetable, student and teacher evaluation. If you still have the parent comment slip could you please return this as soon as possible. If you have specific questions for subject teachers please contact them directly.

Year 12 Study Classes over the break
To date the Year 12 VCE Physics, Accounting (12 – 3pm Thursday 10th April), Maths Methods, Health & Human Development (12 – 2pm Thursday 10th April) and English classes have indicated that they interested in conducting revision classes over the Easter break period. These times and dates will be finalised with individual subject teachers and students. If you require specific information please contact the subject teacher directly. As much as we love chocolate, hot cross buns, family and friends’ time and all the other fun stuff that happens during our non-school hours over Easter, our Year 12 students especially are already a third of the way through their academic year. We are hoping that students will be able to utilise this time to have a break, but also revise and complete course material.

University of La Trobe Bendigo
A friendly reminder that one of our biggest platforms for your school students in Years 10, 11 & 12 to experience University and get a good look at possible career options is our event “EXPERIENCE LA TROBE.” Experience La Trobe is held in both the April and July school holidays at Bendigo campus this year. Friday 11 April & Thursday July 10. -It will also be on offer at our other campuses.

Parents are encouraged to come along and experience from a Parental perspective. They are most welcome, and will enjoy the day gaining an insight. Students have received promotional brochures at school, if you would like one please let Mr Rudkins or Miss Byrne know.

Students can register for Experience La Trobe via our website. http://www.latrobe.edu.au/experience/events/experience-la-trobe-events
We look forward to them coming along and experiencing La Trobe and the University life.

East Loddon Lions Club Local Photography Display
I took a little Sunday drive to see the lovely photo display. I was really impressed with the photography on display by community members, our students and some of the staff also. It looked really nice. So I convinced my parents to take a drive too. They were meeting me for lunch but arrived a little early, they were also really impressed.

Shave for a Cure
On Wednesday 2nd of April during our lunch time some students, community members and maybe teachers (if the students can convince them) will be getting some new hairstyles courtesy of Mandy Karlslake. Mandy is kindly volunteering her time to participate in this event. We also have Mel Cassidy volunteering to cut her lovely long blonde locks. The Loddon Times will also be along to report on the event. The SRC is organising for some donation points (paper triangles) to be placed at the school, see Stephen or Steven for the exact locations. However, if you wish to donate online please see the details below.
Team Name: East Loddon
Sponsors link
my.leukaemiafoundation.org.au/donateeastloddon
Stephen Mathews contact person email: stephen.mathews@hotmail.com or alternatively speak to any of our Year 12 SRC representatives, Maddy Primrose, Cammie Murray and Steven Matthews.
Canoe Camp
Departs East Loddon P-12 College Wednesday 2nd of April and returns Friday 4th of April at 3pm. Students will need to organise parents/guardians to pick them up on the Friday, as school finishes at 2:30pm on this day (last day of term). However, if we are running ahead of time, there MAY be a chance students could catch the school buses home. Students will have the opportunity to contact home and let their parents know.

Further details about the Canoe Camp have been distributed to the individual students involved, if you have any questions please contact me directly at school before Wednesday.

Thanks for your time, I will away on Canoe camp next week. As a result the newsletter items might be a little smaller than usual. If you have any direct questions about Senior School information please feel free to email.

I’m also very sorry that I am unable to attend the Annual Trivia Night tomorrow night. I have a wedding to attend. I hope everyone has a good time and is able to answer plenty of questions.

Thanks
Sarah Byrne
Senior Sub-School Co-ordinator

Middle Years Report
Compendium Use
The compendiums that were introduced in the Middle Years Sub-school this year are generally being used very well, and there appear to be no dramas with organisation when students use them well. There have been occasions where the odd student has found the use of a compendium difficult and in most of these cases the issues have broken down into one of two problems. Some students simply try to pack too much into their compendium and items such as all class books and 2-3 library books will simply not fit into these compendiums. The other problem appears to be with students who have not purchased their books from the College booklist, and have in turn purchased items which are too big to fit in the compendium. I have included two pictures with this article which were used earlier in the year. One picture simply shows what the compendium looks like, and the other is an example of what the current year 6 class are carrying in their compendium. As I mentioned in the beginning of this article, the students who are using their compendium correctly are having very little drama with their organisation of belongings and requirements for class.

‘Solving the JIGSAW’ – Parent Information Session
I would like to thank Sue Allen and Mr Kidman for offering their time to explain the Solving the Jigsaw’ program to parents of year 5 students last Friday. Any year 5 parents who were unable to attend the information session are encouraged to contact Sue, Mr Kidman or myself at the College to answer any questions that you may have.

On Demand Testing and Practice NAPLAN Tests
Students in the Middle Years have recently been completing On Demand testing in the areas of reading and numeracy with these tests providing teachers with another form of assessment within the topics tested. Students in the Middle Years have all experienced this form of testing in the past and the process of sitting a test takes approx. 1 lesson to complete. Teachers are able to access the results of this testing quite quickly and the results assist us in gauging the students’ understanding of various aspects of literacy and numeracy.

In the weeks leading up to our NAPLAN testing period in the third week of May, students in the Middle Years will sit practice NAPLAN tests in order to simulate test conditions which will be in place for the actual tests held in 2014. Although years 5 and 7 are the only middle years classes formally tested, students in years 6 and 8 will also sit one practice test each in order to maintain an adequate understanding of the process for their testing next year. Students in years 5 and 7 will sit two practice tests before our testing period in May.

It is important to remember that we only ever expect students to do the very best that they can in any form of testing and too much extra emphasis from parents about the importance of high test results can occasionally place added stress onto students.
Good News Stories For The Week

No 1- Aaron and Cooper’s Grand Final Triumph!
As mentioned in the last couple of editions, year 7 boys Aaron Lister and Cooper May have had a very successful season in the U13b Cricket division in Bendigo. The boys started out by going through the regular season undefeated, then comfortably won their semi-final match two weeks ago, before then going on to win last week’s grand final against Marong in a tight contest.

No 2- Jamiee A (Year 6)
It is with great pride that I commend almost all of the current year 6 class on their rapid increase in positive attitudes, behaviours and mannerisms displayed during class time. Whilst I am very proud of my entire class, there has been one young man who has consistently received high levels of praise from his peers and teachers over the past 3 weeks. Well done Jamiee, on a rapid turnaround in attitude and positive behaviour! Continue the great work Jamiee!

Year 7 Sleepover
This year’s sleepover for year 7 students will take place on the night of Wednesday 23rd March with various activities planned for the afternoon and evening. It is certainly hoped that all students in year 7 are able to attend and we look forward to parents of year 7 students joining us for a BBQ tea on the night. All students who will be attending the night must have their forms returned to the College Office by Wednesday of next week, in order to assist with the planning of the night.

Year 6 German Excursion
Students in Year 6 were last week provided with the opportunity to attend the screening of a movie for a German Film Festival which is held in Melbourne tomorrow. After some very quick action from students and their families, a large majority of the year 6 students will be attending the screening tomorrow and I am really looking forward to assisting on the day. (I will no doubt spend the entire time reading sub-titles as my German is quite rusty!) The German language movie that our students will see is the award winning G-rated film ‘V8 – Start your engines’. Below is a brief snippet from the movies advertisement/promotion. It reminds me in some ways of our yr 6 students striving to succeed at the Maryborough Energy Breakthrough event later on in the year!
Well done to Frau MacNamara and Frauline Burgstett on providing this opportunity for our students, and thankyou to the parents of year 6 students for acting upon this opportunity in such a timely manner. It should be a great day!

V8 – START YOUR ENGINES
From the moment they first meet, David, Kiki Lilou, Robin and Luca cannot stand each other. All four have strong personalities and are not team players! But if the teenagers have anything in common it is their desire to win. So when the legendary travelling race course “Die Burg” comes to town, the four must work together and prove themselves as a team; only then can they win the big race.
Following the huge success of DIE WILDEN KERLE, director and children’s author Joachim Masannek presents another turbulent tale. This adventure deals with winning and losing, friendship and team work.

Contact with the College
Parents are encouraged to keep in close contact with the College so that we are able to assist students with specific issues as they arise. Please feel free to contact class teachers with specific issues relating to particular learning activities. For general concerns or issues, please contact your child’s Home Group teacher or myself.

Good News Stories– I would love to hear some more!
I would love to hear from any students, families or school community members who have good news stories involving any of our Middle Years students. Whether it be a student passing a music exam or swimming level, or someone assisting with a community group, it would be great to have the chance to acknowledge the
fantastic things that our students do. Please pass information on to me at leed.steven.a@edumail.vic.gov.au so that it can be published in this Newsletter.

Have a fantastic week!
Steven Leed – Middle Years Leader

It's Not Okay To Be Away
Parents and Caregivers are reminded that students must attend school unless there is a genuine reason for their absence (such as an illness, an appointment or a bereavement). The Government has recently passed new legislation relating to absenteeism which takes force as from the end of March. Most families take their responsibilities very seriously and do everything possible to ensure that their children do not miss learning opportunities, and we appreciate their commitment. Please remember that if your child is absent, a note needs to be sent to school so that it can be registered on the computer data base, alternatively a phone call can be made to the office (54368300).

District Tennis Finals at Dingee
Two weeks ago, Colby and I played in the Junior tennis finals at Dingee. We played against Raywood and won. We were presented with a medal and our whole team won a trophy. We felt great after we did it because Raywood is hard to beat. Alicia

Numeracy Hints
This week we have included two simple Maths games you can play at home.

Guess If You Can - Suitable for Prep onwards
What to do

1. Let your child think of a number between a stated range of numbers while you try to guess the number by asking questions (With Prep children the range may be 1-10 or 1-20 in the early stages). The following is a sample conversation.
   Child: I am thinking of a number between 1 and 100.
   Parent: Is it more than 50?
   Child: No.
   Parent: Is it an even number?
   Child: No.
   Parent: Is it more than 20 but less than 40?
   Child: Yes.
   Parent: Can you reach it by starting at zero and counting by 3's?
   Child: Yes.
   (At this stage, your child could be thinking of 21, 27, 33, or 39.)

2. Figure out the answers to your own questions.

3. After you have guessed your child's number, let your child guess a number from you by asking similar questions.

More or Less- Suitable for Prep to Two
What you'll need
One coin, number cards (from book cover), scratch paper, pen, and pencil

What to do
Two players will play a card game where each will draw a card. The players will compare cards to see who wins that round. Before you begin, flip the coin and call "heads" or "tails" to see if the winner of each round will be the person with a greater value card (heads) or a smaller value card (tails).

1. To begin the game, divide the cards evenly between the two players.
2. Place the cards face down. Each player turns over one card at a time and compares: Is mine more or less? How many more? How many less? The player with the greater or smaller value card (depending on whether heads or tails was tossed) takes both cards.
3. The winner of the game is the player with more cards when all the cards are gone from the stack.
4. Now try the same activity with each player pulling two cards and adding them. Which sum is more? How much more? How much less?

Don’t forget to have some quality family time playing board and card games. These games are good for teaching skills such as logic and strategies. They also teach social skills (personal and interpersonal) such as taking turns and accepting the fact that you can’t expect to win every time.

Peter Vernon
P-4 Co-ordinator

WORLD’S GREATEST SHAVE FUNDRAISER (brought to you by ELP-12 College SRC)
Since we announced we were taking part in the ‘World’s Greatest Shave’ fundraiser, we have received lots of comments like “Oh, you’re so brave!” etc, which is very encouraging, but we all know it is really nothing compared to actually having cancer.

Losing your hair is a common side effect to cancer treatment and suffering this is incredibly brave, because they are really fighting for their lives.
Sadly, we all know someone who has gone/is going through this experience. These people and their loved ones are the ones who are brave!!
So for us, losing our locks next week is the least we can do to help find a cure to this dreadful disease.

Please support us with a donation to ‘World’s Greatest Shave’
which can be given to the College office (name/address), SRC reps (Stephen Mathews), or to the shave participants, Mel Cassidy, Sam Garlick, Brayden Karslake or Lachlan Twigg.
Receipts (tax deductable) for donations can be issued upon request.

When? Lunchtime, Wednesday 2nd April
Where? East Loddon P-12 College
Who?

Also tomorrow the 28th March is a casual dress day, to raise money for Alyce Falls, and her International Frisbee Adventure. Alyce is representing Australia in the under 19 Ultimate Frisbee tournament in Italy! So please bring a gold coin donation, and dress up.
Thanks, from the SRC.
Tomorrow Yr 6 students will be going down to Melbourne to watch the German film, V8 – Start your Engines. As this is a school screening, a reminder that school uniforms are to be worn. All is organised for a very exciting day. A very BIG Thank You to parents who returned the permission forms by Monday so that we were able to book the seats. Mr. Leed, Frau McNamara and myself are looking forward to a very busy and exciting day.

Canteen Roster – TERM 2 2014

Thanks for Volunteering in the canteen for Term 2 – this is the start of our Winter Menu so all our warm food is back on our menu – Pies, pasties & sausage rolls. Hot chocolate will be available about half way through Term 2 when the cooler weather begins. GOOD NEWS – MILKSHAKES ARE STAYING ON THE MENU FOR TERM 2 & 3.

IF YOU CAN’T SEE YOUR NAME HERE BUT YOU TICKED “YES” TO CANTEEN ON YOUR BOOKLIST – Please email me your available days so I can add you to the roster.

The days highlighted in grey are days I need volunteers – if you can help out by volunteering on one of these days please let me know.

If there are any problems or concerns, or you need to update your availability, please contact me. There may be changes made to this roster before school starts next term and if this happens I will email all contacts that I have, and re post it in the newsletter first week back in Term 2.

Please Remember - If you cannot do your rostered turn, please arrange your own swap with someone else.

Enjoy the holidays & Happy Easter!

Jo Guthrie, Canteen Coordinator

**7up’s Youth Club**

**March 30th – Zone trip** – If you haven’t been to 7ups yet why don’t you come along and give it a try – Yr 7-12 welcome. This Sunday is our trip to the Zone. Meet at Dingee UC at 2.45pm ready to leave at 3pm. Please let Robyn know if you are planning to come along. – Consent forms available from Sue Allen at the College or contacting Robyn Falls 

Contacts: Sue or Neil Allen– 54365386 or Robyn or Colin Falls– 54368242

**KFC – Kids Friday club**

Easter Program on Friday April 4th. Meet in the Multipurpose room straight after school, pick up time 4.30pm. (note change of finish time due to early school finish that day)

We’d love to see some new children come along and join in. For our Easter session afternoon tea will be provided – hot cross buns and fruit with a drink. We’ll be learning about the Easter story and making a craft item for the children to bring home.

Please fill in the bus note below and send a gold coin to help cover costs.

KFC is an after school kids club for primary aged children. East Loddon P-12 College supports KFC by allowing us to meet in the Multipurpose room on Fridays after school. KFC runs for four Fridays in a row during Terms 2, 3 & 4 and then meets together for a Family Celebration in one of the Churches in the district. It is an interdenominational Christian based group.

At KFC we play games, sing, enjoy afternoon tea, do craft activities, listen to Bible stories and more. In 2013 approx 60 children from East Loddon P-12 College enjoyed coming along to KFC.

KFC is sponsored by the Dingee Uniting Church and all children in Prep – Yr 6 are welcome to come along.

Contacts - Robyn Falls 54368242 or 0429368242, Judy Mountjoy 54379222 or Leanne Welsh 54366281

**Bus note for KFC April 4th 2014**

My child.........................................................will be attending KFC on Friday April 4th. Can you please take his/her name off the bus roll. I will arrange private transport for him/her to be taken home at 4.30pm following KFC.
Parent name........................................
Parent signature....................................
Parent phone no………………………………..
Date....................................................
2014 Auskick
East Loddon Auskick will start at the East Loddon P-12 College on Thursday 24th April (first Thursday in Term 2). The Auskick Coordinators this year will be Jade and Belinda Clymo. Cost for 2014 is $70 per child. Online registrations are now open – Please register and pay online at the NAB Auskick website under the East Loddon Centre (http://www.aflauskick.com.au/). If you need help registering please call Belinda Clymo on 54 366302 or 0427 422928. You will need to print the last page of registration and bring it along on the 24th April to collect your Auskick pack.

Please note all Prep students attending will require an adult in attendance. This year we will have a roster of parents to come along and help each week. Please call Belinda Clymo to discuss your availability.

Please make sure you fill out this form. This will be an overall permission bus for the duration of Auskick.

Bus note for Auskick 2012

My child.........................................................will be attending Auskick, starting 24th April. Can you please take his/her name off the bus roll. I will arrange private transport for him/her to be taken home at 4.30pm following Auskick.

Parent name..............................................

Fund raiser for Energy Breakthrough 2014. \( \text{Tractor/ Truck wash.} \)

This year we have decided to do a fund raiser with a difference. As the long hot summer harvest has drawn to a close, many tractors are simply having a breather. Trucks and tractors are gearing up for this season’s work. We wanted to give the tractors / truck a ‘spruce up’. So our fund raiser will happen on Wednesday the 23rd of April. (First Wed of term 2). As tractors and trucks are usually worked hard we thought a wash, clean inside, armour all the dash etc., clean the head and tail lights, gentle blow out of the radiators, polish the panels that we can reach and tyre black the big wheels. Auto connections of Kangaroo Flat have donated some tyre black that will help preserve the side walls from UV rays. Generally we will give them a tidy up so that they look great and you can enjoy a coffee and sausage sizzle while you wait.

Cost: We thought a massive 8 wheel tractor would be $80, a 6 wheel tractor $60, and a small tractor $40, and a truck to be negotiated.

Please phone Mr Bunton at the College to be included in our fund raiser.

Back by popular demand!

- Held in the College Gym on Friday 28th March
- Starting at 7pm - $10 per person - Tables of 8

Help us raise some more funds to further improve our 'Stage in the Gym'.

What a great chance to have a social catch-up with other members of the college community.

Come along for a great night out!
