Tuesday 2nd June  
Loddon Mallee Region Cross Country

Wednesday 4th June  
Outdoor Ed Bike Camp Begins

Thursday 5th June  
Outdoor Ed Bike Camp Return

Friday 6th June  
Report Writing Day

Monday 9th June  
Queen’s Birthday Holiday

Acting Principal’s News
Given our usually busy weeks, the last one has been relatively calm. As mentioned last week, exams will soon be held for all year 10 and 11 students and some year 12 classes will be sitting practice exams and other assessment tasks. This will occur in the week from 10-13th June. Leading up to this week is a report writing day on Friday 6th June and the Queen’s Birthday on 9th June. Please mark all of the relevant dates for your students on the calendar.

Active After Schools ‘Soccer’ is now attracting more students but there is still available space if your child is considering. This occurs on a weekly basis on Tuesdays after school in the gym. Permission forms are available in the College Office. We currently have 11 students attending, so it would be great to see a few more come along. Everyone is welcome.

Similarly we still have room for your kids, if they wish to study music. Guitar and piano lessons are available on site, during school time. Please contact the school if you are interested. This can be a great way to lift confidence in your children and let them see that persisting with difficult things, can produce great reward.

A trial version of a school App is currently being constructed. In the free trial version we can experiment with the types of things that would be used on a full scale App. For example, it will be possible for newsletters and important reminders to be sent directly to your phone. During the trial this will only be available on apple devices. If we choose to continue after the trial an android version of the app will also be available. What does all of that mean? This will become clearer in the coming weeks, when the trial begins. Stay tuned.

A big welcome back to Ms Sue Bradley, who will be with us until the end of the term. Ms Bradley will replace Mrs Phelan whilst she takes some leave. Ms Bradley will be familiar to most of you, as she has taught English and Humanities to many of our senior and middle school students in the past.
As part of our regular checks and balances, we had a practice ‘lock down’ yesterday. This allows students and staff to be familiar with the procedures to be followed if anyone entered the school whom we thought presented risk. Similar to a fire drill, the students and staff follow a set procedure of steps. All reports indicate that the students take this very seriously. In a lockdown situation students are asked to gather in locked areas of the school, away from windows and in a spot where communication can be made with the office and other areas of the college. As with a fire drill, we hope that we will never have to use the skills that were practiced yesterday.

Unfortunately we have had a spate of vandalism in the senior toilets of late. It saddens me to say that students are deliberately throwing toilet paper around, wetting paper and throwing it at walls, as well as placing food items such as apples and sandwiches in toilet bowls. After talking to all students about this at an assembly and then addressing groups individually, it occurred again yesterday. To the student or students doing this, be aware that when we identify you, your parents will be informed of the staggering cleaning and plumbing bills that are accruing due to your complete lack of respect. Also be aware that someone that knows you are doing this, will sooner or later have the decency to inform myself or Mr Leed of your identity. Please talk to your children about this. Having to lock toilets is not an option that we are looking forward to implementing. This is not the way we want to operate at East Loddon.

Scott Wilkinson
Acting Principal

Assistant Principal Report

Student Teachers
We have been very fortunate to have Brylie Parker and Kelly Pay at our college for the past 3 weeks on their teaching rounds from La Trobe University in Bendigo. Brylie has been working in the year 5 room with Mr Kidman and Kelly has been working alongside Mr Vernon in the Year 1 room. Both ladies have made a fantastic impression on their mentor teachers and their respective classes have thoroughly enjoyed having these student teachers in the classroom. Well done Brylie and Kelly! You both have wonderful careers ahead of you and we certainly wish you all the very best for the future.

Herald Sun Mast Head Competition
How would you like to help win $10,000 for our school? We have the chance to do this courtesy of the Herald Sun! From Sunday 1st June to Saturday 14th June, the school that collects the most Herald Sun mastheads per enrolled student wins. Scores are calculated on a proportional basis to the number of students who attend our school, so every school has an equal chance of winning.

To have a chance of winning, we will need all of our students, parents and College community members to collect as many Herald Sun mastheads as they can between Sunday 1st June and Saturday 14th June. Maybe source some mast heads from your family and neighbours and even get a little cheeky by asking various businesses to hand over the mastheads of their unsold papers, or see if you can source them from your place of work.

This is seriously a good opportunity to try our luck at winning a large sum of money for the school and I hope that you will all get behind the cause and endeavour to get some mastheads. If you are able to do so, please pop them into an envelope and return them to our College Office.

Thanks for your support!
A Hive of Activity in the Prep Room!
During reading time yesterday morning, there was a hive of activity in the Prep room with parent helpers, staff buddies, yr 6 students and yr 12 students all chipping in to assist the current prep students with their reading. For the remainder of the term the prep class will continue to receive reading assistance from parent helpers, and will also have yr 6 and yr 12 students assisting within the classroom during reading time. This is not only fantastic for our preps, but equally rewarding and educationally sound for the older students involved. Thanks for providing us with this opportunity Mrs Lister and our wonderful prep students.

Cyber Safety Awareness – How to Protect Children Against Cyber Predators
(Information taken from PD with Det Sgt Stuart Butler of Argos Internet Unit)
Recommendations (No 2)
- Review your child’s online contacts/friends. Do they actually know all of them in person?
- Review your child’s online pictures. Are they appropriate?
- Review your child’s profile. Are they revealing too much?
- Use parental controls on devices and websites
- Encourage friends to help each other by reporting incidents to an adult

Please continue to assist us with the following:
- The use of a bus pass if wanting to change stops for your child in the afternoon.
- Informing the College Office when wanting your child to get on the bus in the morning at a stop other than your own.
- Providing a note when your child is out of uniform.
- Encouraging your child to hand their mobile phone/I-Pod into the Office for safe-keeping during the school day, rather than keeping it in their pocket and providing temptation to use the device whilst at school.

Thankyou for your assistance with these matters.

Hope you have a great week!
Steven Leed – Acting Assistant Principal

Senior School News
General Achievement Test GAT
Wednesday 11th June
- 10.00 am – 1:15pm
- East Loddon P-12 College (Room 30)
Wednesday the 11th June, sees the beginning of the VCE & VET exam period for 2014. All students completing a Unit 3 subject (including VET subjects) are to attend the GAT (General Achievement Test) exam. Students are required to attend class during period 1, with the exam commencing at 10am – 1:15pm. However, if students request (with parent/guardian permission via a note) they are able to study period 1 as an alternative in either the Year 12 room or library.

Students received a parent/guardian letter, timetable and information brochure. The brochure distributed provided information about the importance of the GAT exam relating to the purpose of the GAT, how to prepare, what materials are acceptable, content, design of the exam and some general tips. I encourage students and parents to review this information together. Students have also been offered copies of previous GAT exams, which can also be found on the VCAA web site www.vcaa.vic.edu.au
National Youth Science Forum
Our very own Lachy Twigg has been promoting this event to students in Year 11. Check out the website for more details [www.nysf.edu.au](http://www.nysf.edu.au). You need to act soon though as applications close May 31st and it requires support of Rotary Club Member Tony Plant.

Keeping our kids safe: East Loddon P-12 College Road Safety Day
Year 10, 11 & 12 ‘Keeping our kids safe’ Monday 16th of June
Year 10: Keys Please (period 3 & 12:20pm)
Year 11: Fit2Drive (8:55am - period 4)
Year 12: Looking After Your Mates 12:30 – 1:38pm
Students were given notices regarding these events last week, which require a parent or guardian signature before being returned. Please ask your children/child for these. Parents/guardians are welcome to attend also. Please let me know prior to the day.

Year 10, 11 & 12 Practice Exam Timetable
Year 10, 11 & 12 students will be participating in a practice exam week where students will sit practice exams relevant to their subject areas. These exams will be internally set and assessed by the subject teachers. This exam week will take place between Tuesday 10th of June – Thursday 12th of June. Friday 13th of June will be designated as a catch up day. Students were given timetables on Tuesday during reading time. Teachers and students will be looking at revision techniques and course content required for revising. Students are encouraged to speak directly to their subject teachers about this during class time or lunch time.

Subjects such as VET Building and Construction, VET Engineering, VCE Food and VCE Units 3&4 PE have indicated that students will be completing internal assessments during their class times. Students will be directly informed of this by their subject teachers.

Year 9 & 10 Outdoor Ed Bike Camp
You might have seen some students riding along two abreast or single file the road to Dingee or Serpentine recently. We are practicing for our big ride to Lake Meran. We depart Wednesday 4th of June at 8:45am from East
Loddon P-12 College and return on Thursday 5th of June at 3pm. Consent forms are now due.

**4R’s award: Congratulations Crystal Shaw-Beck**
Crystal like other students from our school volunteered her time to assist Mr Clyne in the running of the Interschool Cross Country last week. Crystal by all reports took charge of the kitchen ensuring hot food was ready to go and the area was left sparkling clean at the end of the day. Well done, and thank you Crystal.

**Congratulations Bryan Jolly:**
You are a superstar!!!
OFFICIALLY WORLD NUMBER 1 IN THE U/50KG CADET CLASS.
WOW!

**Thanks for your time.**
Quick tip if you are free Friday night head along to the Memorial Hall in Pyramid Hill to see Fred Smith. He has stories and sings songs about living and working in Afghanistan. Maybe google him or check out a youtube clip first but I would recommend it.

Sarah Byrne byrne.sarah.m@edumail.vic.gov.au
Senior Sub-School Leader

**Middle Years Report**
**Sub-school Captain Reports**
**Ethan** – I would really like to start something up at a lunchtime for students in the Middle School and would like students to forward their ideas to me. I would hope to be able to use the Gym during one lunchtime a week.

**Jo** – Although I still have not had anyone come and see me about being on the social committee, I would still really like to have a social take place this year. I am going to have a meeting for interested students this Tuesday (3rd of June) at 1:00 in the Office Meeting Room with Mr Leed. If you are interested, please come along and show your support! However, if nobody attends, then I will have to change what I am planning to do.

**Yr 6 Nesting Boxes**
In conjunction with Anthony Gallacher of the Loddon Plains Landcare Network, Mr Poyser and the current year 6 students are embarking on a project to make bird nesting boxes to be placed within the community.

Anthony is coming out to the college today to have a look at the students work, take some photos and meet the kids. This is a very exciting opportunity for our year 6 students and I thank Mr Poyser and Anthony Gallacher for ensuring that our students were given the opportunity to participate in this initiative.

**Good News Story – Jayden’s ‘MAY DAY OUT’**
Year 6 student Jayden was lucky enough to be afforded the opportunity to attend a special day for deaf and blind students at the Schweppes Centre in Bendigo last Thursday. All reports regarding Jayden’s conduct on the day were extremely positive, and he also became a TV star that night when he appeared on the news! Well done Jayden!

Here is his recount of the day-

**MAY DAY OUT**
I woke up at 7:00 am in the morning and I had Nutrigrain for breakfast.
I caught the school bus to go to school at 8:00. The ride took roughly 45 minutes.
Once I got to school I did reading for 15 minutes and I read “diary of the wimpy kid”.
After I read the school counsellor Sue Allen came and got me and together we went in to Bendigo to the Schweppes Center.
When we arrived there were already more than 30 people who were Deaf and Blind there. I made lots of friends.
First we played basketball, the coach was the champion of the Bendigo Spirit.
Second was football and we had the same coach that came to the school last year on footy colourss day. His name was Ricky Coburn.

After footy we had a break before playing tennis!
I played with the other deaf kid.
The siren went off and that told us that the next game was coming.
Now it was time to play tennis.
When we played tennis I learnt some different skill like hitting and side to side.
Between basketball and footy I was interviewed by the local Win news.
The interview was on last Thursday 7:00pm My feelings to be on TV was exciting and strange.
It was really fun on the day.
I really want to do if again.

**Year 5/6 Camp**
This year our year 5/6 students will be travelling to Ballarat for their camp. A confirmed date for this camp is from the 12th – 14th of November, which is pretty consistent with the timing of our 5/6 camp each year. An itinerary and accommodation has been finalised and students will shortly bring home an initial note regarding this camp.

**Yr 8 Camp**
Staff have been working towards introducing a school camp at a year 8 level and are now at the stage where dates for this camp have been approved. The year 8 camp this year will be conducted from the 16th to 18th of September and will take place in Melbourne. ‘Urban’ settings are something that a lot of our students do not experience a great deal and the camp is sure to be a great experience for all students involved. Ethan and Jo have met with me today to provide input on the more social side of this camp, and there are sure to be many educationally rewarding items also. An initial notice will come home with year 8 students shortly, and as I have mentioned in previous editions, I would urge year 8 students and parents to be aware that this camp is coming up later in the year. (Might be a good chance for the students to do a few odd jobs to get some pocket money to go towards the cost of this camp?)

**Contact with the College**
Parents are encouraged to keep in close contact with the College so that we are able to assist students with specific issues as they arise. Please feel free to contact class teachers with specific issues relating to particular learning activities. For general concerns or issues, please contact your child’s Home Group teacher or myself.

**Good News Stories – I would love to hear some more!**
I would love to hear from any students, families or school community members who have good news stories involving any of our Middle Years students. Whether it be a student passing a music exam or swimming level, or someone assisting with a community group, it would be great to have the chance to acknowledge the fantastic things that our students do. Please pass information on to me at leed.steven.a@edumail.vic.gov.au so that it can be published in this Newsletter.

**Have a great week!**
Steven Leed – Middle Years Leader

**Return of Books**
We have a strong commitment to promoting reading at every opportunity and the turnover of books (take home readers and library books) is massive but to keep the system healthy we need students to take care of their books and promptly return them. Please remind your child to:
• Place their readers back in their reader box and then their school bag
• Return library books to their protective bag and keep it in a safe place
• Ensure that books are returned to school for a change over.
• Promptly search for missing books
• Return books found, even after months/weeks (we are just happy to have them back).

Year 3 Integrated Studies and LOTE
Here are the last of the reports from Bill Twigg’s Wetland Excursion.

On Wednesday the 7th of May we went to the Wetlands and we saw lots of plants and animals and we saw a water rat. We all saw lots of different birds. I had lots of fun.

Keira L
The Year 3/4’s went to Mr Bill Twigg and Mrs Gwen Twigg’s Wetland on the 7th of May. We travelled by bus to the Wetland. We walked all around the Wetland and Mr Twigg told us some interesting facts about the Wetland and the animals that live there. Stephanie D

The class has also completed their Thank You letters, and hopefully these have been received by Mr Twigg. The class have also finished writing and decorating their letters to Frau Süchting in Cologne. The class did a fantastic job, with their writing and presentation.

Annette Burgstett
Yr 3 LOTE and Integrated Studies teacher

Sandhurst District Cross Country
Congratulations to all students who represented the College at Sebastian last week in the annual interschool cross country carnival.

Notable performances on an individual front included:-

  - Alia M 8th.
  - Jessica D 11th.
  - Tahlia C 13th.
  - Nathan T 14th.

Of the above students, Alia will qualify for the Northern Zone Finals in St Arnaud next Tuesday 3rd June. We wish her all the best of luck as she steps up to the next level of competition.

Well done to all competitors and a special thank you to the Sebastian Harness Racing Club for the use of their terrific facility and provision of canteen facilities on the day.

Year 10 Pancake Maths
On Thursday the 22nd of May the Year 10 students participated in a delicious maths activity. Students had to use their understanding of ratio and volume measurement to create the perfect amount of pancake batter for their group. As they cooked their pancakes they had to measure each one and calculate the
percentage error of their measurements. This was a great way for students to see how their mathematical work can apply to the real world.

Science Academic Competition
The UNSW Academic Competition for Science will sit on June 4th during Period 4. Good luck to the following students who are participating:

- Rhys L – Year 4
- Ben C – Year 5
- Anthony M – Year 7
- Ethan L – Year 8
- Hugh C – Year 9
- Lachlan T – Year 12
- Roscoe C – Year 4
- Indi A – Year 7
- Caitlin J – Year 8
- Sarah J – Year 8
- Steven M – Year 12

Canteen News
Thanks again to everyone who has volunteered to help out in the Canteen this term.

SPECIAL MENU DAY on Friday 30th May – FISH’N’CHIPS. We will be selling fish & chips for lunch – pre orders a must! Please see order form and return with payment by Monday 26th May.

Parents – please remind your kids that if they are having a lunch order, they need to remember to place their order first thing in the morning. For Prep – Year 4 they can place it in their lunch order bags in the classrooms, for Years 5 – 12 lunch orders need to be taken to the office and placed in the red tin on the front desk. Late lunch orders make it harder for volunteers and may result in your child missing out on their first choice for lunch.

Pizza Rolls are available at recess and lunch but if students know they want one – it would help immensely if they could pre order them – even for recess. This will again help the volunteers and also mean the kids don’t have to wait for their pizza rolls to be heated up.

I am still in need of volunteers on the highlighted days – if you can help out, please let me know.

There have been a few swaps and alterations made to the roster. If there are any problems or concerns, or you need to update your availability, please contact me. Please Remember - If you cannot do your rostered turn, please arrange your own swap with someone else.

Jo Guthrie, Canteen Coordinator

Kids Friday Club – Final KFC for Term 2 tomorrow May 30th
Tomorrow we are very excited to show the children the Movie they have been making of the Lost Sheep. Come along for songs, games, craft and our movie! P-6 children all welcome. Meet in the multipurpose room straight after school until 5pm. Bring a snack to share, a gold coin and a smile.

Sunday June 1st is our Family Celebration Service at Dingee Uniting Church at 11am. Families welcome to come along – we will show the KFC Lost Sheep movie during the service. Treasure hunt for the children to follow the service and bring and share lunch.

Enquiries contact Robyn Falls 54368242, 0429368242 or Wendy Twigg 5368264

7ups Youth Club
All year 7 – 12 students welcome
Dates for Term 2 2014
June 1st 5.30 – 7.30pm at Dingee UC
June 15th 5.30 – 7.30pm at Dingee UC
June 22nd 7upsized for 7ups & families 5.30 - 7.30pm at Dingee UC
A gold coin covers a light tea, cans for sale, wear comfy clothes, bring a Bible if you have one.
