**Welcome Back**
Welcome to the 2014 school year, especially to those students and parents who are new to our community. We hope that we can help you to achieve your goals while providing an environment which students look forward to each day. Our investment of time in the Step Up Week program in 2013 paid off yesterday as we were straight down to business with students into class work from lesson 1, and those students who are new to the school showing that the few days of Step Up Week resolved many of the issues of transition that are experienced in unfamiliar environments. We thank all the parents and carers who worked hard over the holidays to ensure that students had all their uniform and books ready to start the year.

**Congratulations**
Well done to our new Prep students who had a great day at school for the first time yesterday. The Prep class attended a full school assembly at the start of the day and worked hard with Mrs Lister and their other teachers throughout the day. Prep students will now have Wednesday as a rest day during which time individual appointments will be made for students to complete their school entry testing. Notes relating to this were distributed yesterday.

Congratulations, also, to current student Lachlan Twigg who was named the Loddon Shire Young Citizen of the Year. Lachlan was recognised for the potential he has displayed in a number of areas of school and community life. An example of his hard work was seen as he was unable to receive his award due to being selected for and attending the prestigious National Youth Science Forum in Canberra.

**Water Safety Program**
A reminder to all families that swimming for students in Prep to Year 6 will commence on Monday February 10 and for Year 7 to Year 10 students will start next week. There will be permission forms sent home that will need to be returned to enable students to participate. Please contact the Office if you don’t receive these notes. There will be no swimming for Prep to Year 6 students on a Wednesday which coincides with the rest day for Prep students. The program will culminate with a P-12 carnival to be held on Friday February 21. Please keep an eye out for the notes which will include a return form for parents / carers who are invited to assist with the program. The volunteers who assist with groups of students are vital to the success of the program. If you have the time available, please consider being involved even if you don’t have a high skill level with swimming. You will be supported and provided with resources to assist a small group of students and you can make a big difference to their level of confidence in the water.

**Hot Weather and Sunsmart Practices**

Please remember that it is compulsory for students from Prep through to Year 12 to wear a school hat whilst outside throughout Term 1. These are available for purchase from the office for $11 while there are sometimes second hand hats available at reduced rates. There are no exceptions and students without hats will be excluded from outdoor activities. During the early weeks of this term, it is important that students plan for and manage themselves during the extreme heat. Bringing water bottles to school, drinking and re-filling them during the day will be important to remaining adequately hydrated. During class time, air conditioned rooms are used. During breaks, students will be encouraged by teachers to stay in shade areas, participate in passive recreation activities and use the air conditioned rooms that will available. It is expected that the heat will continue into early next week so proper planning will be required.

**School Council**

Our School Council meeting schedule will see the first meeting held on Wednesday February 12. There will also be an election process to finalise the membership of the Council for this year. Parents are invited to nominate for positions on the Council. Information regarding the election process for 2014 will be distributed with next week’s newsletter. Due to the time required to call for and receive nominations, the first meeting for the year will be attended by existing members with any newly elected member to take up their position for the March meeting. If you would like to discuss the commitment of being involved in the School Council, please contact a current councillor or the College to gain further information.

**Immunisations**

The College will be involved in the Loddon Shire immunisation program again this year. This provides students in Years 7 and 10 with the opportunity to receive all the recommended doses to maintain optimal health. The first of these will be in March while information will be distributed shortly. The Shire is trying to ensure that all students have access to this health service so your prompt attention to the documentation will be appreciated.

**School Processes**

The newsletter will be distributed every Thursday so please look out for it in the afternoon as students get home from school. It is also available from our website and can be emailed by prior arrangement with Mrs Cutting. Contained in this newsletter is a list of email contacts so that you can contact your child’s class teachers by email if that is your preferred mode of communication. Otherwise, a phone call or a note in the student’s diary can be used to exchange information with teachers. Please remember that the Home Group or class teacher is normally the first point of contact if you have issues to discuss pertaining to students. Establishing a method of communication with your child’s Home Group teacher is important so that the school can be aware of issues that may impact on learning and appropriate support can be arranged when necessary. If your child needs to be absent from school for any reason, we would ask that you phone the office from 8am onwards to notify us when this occurs. It is expected that absences will be limited to unavoidable events such as illness and that a note of explanation will be provided upon return to school. Similarly, students are expected to be in uniform each day and, if this is not possible, a note of explanation is required. We would encourage all parents and carers to be in close contact with the College to ensure that we are able to support all students in their learning.

**Brad Madden**

Principal

**Assistant Principals News**

Welcome back to everyone, especially our new Preps, all of whom had their first school day yesterday. Every year they keep getting smaller, it’s amazing! I hope that everyone had a great holiday and managed to escape the heat during that crazy week. I went to Port Fairy that week (it’s as cold as Ballarat, but there’s a beach). I don’t usually advertise free of charge, but if you ever get down that way, I have one word for you to remember POCO. Homemade ice cream, like you’ve never experienced before. It’s hard to imagine ice cream like this but it got the Wilkinson family thumbs up, every day in fact.

On arrival back at school we had some Christmas cards that were delivered from our Turkish friends, so that made for some interesting reading and put a big smile on my face. They send their best wishes for the New Year and are eagerly awaiting a visit from some of us in 2015. I will be organising an information session for this in the coming weeks for interested participants.

Things seemed to have started smoothly for most classes and I think we can thank Step Up Week for this. We have a Year 12 breakfast planned for tomorrow morning and hope to see all Year 12’s and a parent representative with them if possible. I know that Miss Byrne and the senior VCE teachers are working hard to continue with the momentum of great results that our students have been achieving over the past few years.
The community house will also be continuing with its makeover this year, thanks to senior students who are studying VCAL. Mr Phelan has big things planned for the kitchen this year. I’m sure if you want to check on the progress of their projects that the VCAL class would proudly tour you through the house.

In bus news, we will be electing bus captains tomorrow. Please feel free to contact myself directly at the college if you have any bus issues big or small.

One week down.

Scott Wilkinson  
Assistant Principal

**Education Maintenance Allowance 2014.**
Applications for the of the EMA are now open. Forms are available at the office. Please bring your Health Care Card with you (it must be valid as of the 28th January 2014) as a photocopy is needed at the time of application.

To be eligible for the EMA:

1. Your child must be under the age of sixteen; and

2. Your child must be enrolled at a primary or secondary Government or registered school in Victoria on, 28th February 2014 for the first instalment and 1st August 2014 for the second instalment; and

3. You must on 28th January 2014 for the first instalment and 14th July 2014 for the second instalment:
   - be a parent or legal guardian of the student; and
   - be an eligible beneficiary within the meaning of the State Concessions Act 2004, that is, a holder of Veterans Affairs Gold Card or be an eligible Health care card (HCC) or Pensioner Concession Card (PCC) holder or
   - be a foster parent.

4. Submit your application to the school by the due date:
   - 28th February 2014 for the first instalment*
   - 1st August 2014 for the second instalment.

* Please note: you only need to make a second application in August if your child changes schools between March and August.

The Pension Concession Card (PCC) or Health Care Card (HCC) is subject to electronic confirmation with Centrelink to verify that the cardholder is receiving a benefit.

**Please Note:**

Parents who submitted an early application back in 2013 but did not provide their Health Care Card must do so as soon as possible for the application to be processed. If unsure whether you have submitted your Health Care Card please contact the office.

**Conveyance Allowance.**
Parents who reside more than 4.8 kilometres from their nearest bus stop may be eligible for transport support (student must be attending their closest school). In these instances, students may receive a conveyance allowance to assist with travel costs. Application forms are available from the office.

Sue Cail  
Business Manager
Senior School News
Year 12 2013 Uni / Pathways

The East Loddon P-12 College Year 12 class of 2013 was rather unique with just two Year 12 students. It has always been a small cohort early on in their schooling, however, the lure of trades, apprenticeships and employment opportunities meant that the class remained with two students in 2013. Mikhaila Columbus and Sam Davis from Eaglehawk and Myers Flat respectively opted for the rural environment of East Loddon. Both girls only made the transition to our school in Year 9. The smaller classroom environment, additional teacher time, supportive nature of a country school and the opportunities for leadership have enabled these two young ladies to excel.

Mikhaila completed her VCE this year with fantastic results. She had indicated throughout 2012 that she was uncertain of whether to continue her VCE certificate in 2013, and I think was still considering whether to continue as late as Sep 2013. In 2012 Mikhaila expressed an interest in working in a retail business. One thing led to another and before too long she was participating in a weekly structured work placement at Myers in Bendigo. Mikhaila attended a comprehensive interview and training days before commencing her placement. By Christmas 2012 Mikhaila had been offered Summer holiday paid work, which then led to continued part time employment throughout this year. Mikhaila completed Certificate 2 in Beauty Therapy through BRIT in 2013. Mikhaila now plans to increase her hours at Myers and is looking to transfer to the cosmetics department in the near future. I have every confidence in Mikhaila that she will achieve this. As Senior Sub-School Leader I am very proud and pleased with Mikhaila’s achievements. She is a walking advert for vocational pathways.

Our dux, Sam also completed her VCE with fantastic results. A worthy winner with some outstanding study scores that have certainly boosted our median study score. If you read the fine print in December, we actually had one of the highest median study scores outside of Melbourne (very exciting for our school). From a young age Sam has demonstrated a passion for animals and over time an increasing desire to be a Vet. At the end of Year 10 Sam weighted up her options and looked at pathways to being a Vet. Sam, with her family’s support, explored many tertiary options. Sam has recently been accepted to study Animal and Veterinary Bio Science at La Trobe University at Bundoora. This is a direct pathway into Veterinary Science at the University of Melbourne. As part of the course that Sam is likely to study there are other study options that she may also be interested in, such as Scientific research. Sam worked tirelessly all year and certainly deserves the outstanding results she achieved.

As it turns out this unique cohort of just two are certainly on the appropriate pathways they desire. As a school we aim to ensure that ALL students are given the best opportunity for success, whether it be tertiary education they are striving for or vocational training and employment. It is about finding out what they want to do and then setting an individual path for each student.

Loddon Shire Young Citizen of the Year: Lachy Twigg

Massive congratulations to Lachy Twigg for receiving the Loddon Shire Australia Day Award of Young Citizen of the Year. Unfortunately at the time of presenting the award Lachy was in Canberra at the National Youth Science Forum. It was my pleasure to nominate Lachy Twigg, the list of things he does to help the East Loddon P-12 community and broader community is exceptional. I am so proud of his achievements. Well done, Lachy.

Chemical User Course

If you are interested in completing either course can you please contact Crystal to confirm your booking. Crystal Branson – Murray Mallee Training Company Ph. 5033 1216. You will receive an invoice for $200.00 or $340.00 for the above mentioned to be paid prior to attending the course. Can you please ensure you bring Current Photo ID on the course day.

Chemical Users Refresher Course $200
Dates: Thursday the 13th of February 2014
Time: 9.00am
Venue: East Loddon P-12 College Room TBC
Location: Dingee
Address: Dingee Road
Duration: 6 hours Approximately
**Chemical Users Course $340**

Dates: Thursday & Friday 13th & 14th February 2014  
Time: 9.00am (both days)  
Venue: East Loddon P-12 College Room TBC  
Location: Dingee  
Address: Dingee Road  
Duration: 6 hours Approximately  

**Aspiring Film Makers**  
Visit [www.focusability.com.au](http://www.focusability.com.au) or call Ryan (02) 9623 4922 or mob 0414 932 987 to find out how you can create a film about disability and help other students to learn about students with a disability. You can win up to $70,000.

**Lions Youth Exchange Program**  
In regards to the Lions Youth Exchange you might be best to speak to our own Tessa Sexton about her recent trip to the freezing USA. However, if you are interested check out [www.lionsclubs.org.au/ye](http://www.lionsclubs.org.au/ye) I will be asking Tess to put something together for our next newsletter.

**Coffee & RSA School Melbourne**  
Courses are offered in Responsible Serving of Alcohol and Responsible Gambling Services. From the information given to the school it sounds as though there may be an opportunity to run a courses such as these here at school if the numbers are between 15-30 participants. The cost for each course is $55. If you are interested please let me know.

**Opportunity for Students in Yr 9 & 10 (who have an interest in Mathematics and Science)**  
There will be a LEAP into Engineering presentation at Charlton College on Wednesday 19th February from 1.45 to 3pm. Students would need to provide their own transport to and from the college. The LEAP into Engineering team [leapintoengineering@latrobe.edu.au](mailto:leapintoengineering@latrobe.edu.au) presents an overview of Engineering in its many different fields and is not limited to courses just at La Trobe Uni. The workshop will be interactive with a focus on robotics and software development. If you are interested please let Barb Bear know on Monday 3rd of Feb when she is here for our scheduled MIPS (Managed Individual Pathways) meetings.

**The Royal Australian Air Force** is excited to offer female students in years 11 and 12 the opportunity to experience Air Force aviation careers. High achieving year 10 students may apply, however, preference will be given to those in years 11 and 12.  
**Dates:** 4 – 7 March 2014  
**Location:** RAAF Base East Sale  
**How to apply:**  
All applications must be submitted online via the Defence Work Experience website. Students must have school endorsement and parental permission prior to applying. There is no cost to the student.  
Applications are now open.  
If you have any questions, please do not hesitate to contact Christine Waugh  
Work Experience Liaison Officer VIC/TAS/ACT/SNSW Regions  
P: 03 9282 7305 I M: 0414 012 351 I F: 03 9282 3471

**Roof Plumber in the Bendigo/Charlton/North West Region.**  
The company is Atlas Metal Roofing, see more at [http://www.atlasmetalroofing.com.au/](http://www.atlasmetalroofing.com.au/). Peter Hunter is the boss, & his phone number is 0417 538 267. Please contact him directly to find out if the position is still available.

**School Leavers Considering a Future in Construction.**  
Bricklaying Apprentices are in demand. For more information, please call 1300 30 44 77.

Wow only one day down and so much has happened already. I really hope that all students had, or are having a nice start to 2014.
Congratulations
Both Julia Twigg and Caity Hocking have been selected in the U/17 LVFNL Regional State League team during the month of Feb. Well done, girls, a fantastic achievement. Alyce Falls has also been doing some great things with the sport of Ultimate Frisbee, more to come on that.

I’m looking forward to everyone knowing what class they have and when, so I can minimise my role as a walking time table. I have some more sympathy for parents and the booklists after assisting my sister make purchases at Office Works at about 8pm with three young children and two lists with seemingly endless supply of items (some of which I had not heard of before). Georgia my niece who is 6, explained to my nephew Jaxon who is 3 why he needn’t be upset that none of the stationery items were for him as school is just a place where you have to do everything the teacher says, and if not you have to sit in the naughty chair or worse still go to the naughty room. So I spent the following days trying to talk positively about school with Georgia. She now thinks that the things kids do at East Loddon must be more fun than her school and is keen to come here. I think my plan back fired a little.

Thanks for your time,
Sarah Byrne
byrne.sarah.m@edumail.vic.gov.au

Middle Years Report
Welcome to the Middle Years!
A warm welcome is extended to our new students in the Middle Years (who will be individually recognised in our Middle Years Newsletter) who appear to have settled in very well and to be making the most of their first couple of days at East Loddon. We also welcome our Year 5 class into the Middle Years, and although still at the same school as last year, it is fair to say that the step from Year 4 to Year 5 still requires the students to learn new routines and expectations. Mr Kidman has been very positive about the Year 5’s first couple of days. Keep up the good work all year Year 5!

Sub-school Captain Elections
Sub-school captains will be elected at the end of next week. Year 8 students have been invited to nominate for the position which will require them to represent a good role model to the year 5-8 students on a daily basis and also play a large role in running sub-school assemblies, liaising with new students (particularly at the beginning of the year), and actively participating in public speaking requirements during College assemblies and special events.
Students who nominate for the role will deliver a speech to all members of the Middle Years at the assembly next Friday. This will outline the skills and characteristics that would make them a good leader. Students in Years 5-8 will then vote and a decision will be announced the following Monday.
After speaking with the year 8 class yesterday, I am quite excited by the prospect of a great deal of competition for this role. I believe the position of sub-school captain provides an excellent platform for the development of many desirable attributes that help to lead to greater self-confidence and personal success and happiness in the future.
I encourage all parents of year 8 students to speak to their child about considering this opportunity. The process of nominating and presenting a speech to an audience can be quite daunting in itself, but it is best to try and tackle this task at an earlier age as the skills required to successfully do this obviously improve with practice.

SRC Representatives
Over the next week or so, students in the Middle Years will also be trying for a role as SRC Representative for their class. Two students will be elected from each class (Yr 4 to 12) and they will form a part of the College’s Student Representative Council, providing their classmates with a ‘voice’ and assisting in running fundraisers, activities and various initiatives that they develop themselves. This again gives students a great opportunity to develop skills that are bound to be beneficial throughout their years of schooling and beyond.

Middle Years Newsletter
A Middle Years Newsletter will be distributed to all students in the sub-school next week. Please keep an eye out for this. The newsletter outlines some of the important dates for this term and requirements for each of the Middle Years classes such as homework days, sport days and teacher contact details.
Basic Organisational Requirements
Could all parents please make every effort to ensure that all students have the required booklist items at school ASAP. Most students arrive at the beginning of the year with all required items, but there can be occasional hold-ups with specific items.

The need to remain organised is vital and occasionally students struggle with this after the first couple of weeks of school. Students must have basic items such as pens, pencils, a ruler, diary and scissors on a daily basis. All students also need to ensure that they have their sports uniform on days when they have physical education or sport classes.

Please check with your child from time to time to ensure they still have all of these items.

Middle Years Compendium in 2014
Parents of students who are in the Middle Years Sub-School in 2014 would have noticed on their child’s booklist that there was a compendium to be purchased for use this year. After much discussion and viewing of the compendium in other schools, Middle Years staff decided to go ahead with this useful item across the whole of the Middle Years and aim to provide a great deal of emphasis on effective organisation during classes.

The compendium could be likened to a document wallet that houses the students’ exercise books as well as some stationary, and allows for a greater focus on organisation to be pushed across the entire sub-school. Students will have their exercise books with them in all classes, which eliminates any possible need to exit the classroom due to having inadequate class supplies. Thankyou to all of the many students who have brought their compendium in to classes already. Any family that is still to purchase a compendium, please endeavour to do so A.S.A.P. Thankyou!

School Diaries
It is great to see that most Middle Years students have a school diary in their possession, but it is equally important to make all parents aware of the need for all students to have one of these. Diaries should be taken to all classes, and they form a basis for communication between teachers and parents. Please ensure that your child has a diary, and that they are actively using them. It would be greatly appreciated if parents could look over and sign their child’s diary once a week.

Middle Years Swimming
Year 5 and 6 students will begin participation in the P-6 Water Safety Program on Monday February 10th. It is very important that all notes regarding this program are returned to school ASAP. Swimming will take place during set times each Monday, Tuesday, Thursday and Friday for two weeks, with the P-12 Swimming Sports being held on Friday February 21st.

Year 7 and 8 students will also be attending the pool on set days during the same two week period. Students in Years 7 and 8 will bring home notes regarding these visits and it is important that these notes are filled in and returned to the College promptly.

Contact with the College
Parents are encouraged to keep in close contact with the College so that we are able to assist students with specific issues as they arise. Please feel free to contact class teachers with specific issues relating to particular learning activities. For general concerns or issues, please contact your child’s Home Group teacher or myself.

Good News Stories!
I would love to hear from any students, families or school community members who have good news stories involving any of our Middle Years students. Whether it be a student passing a music exam or swimming level, or someone assisting with a community group, it would be great to have the chance to acknowledge the fantastic things that our students do. Please pass information on to me at leed.steven.a@edumail.vic.gov.au so that it can be published in this Newsletter.

I hope that all families were able to have an enjoyable break over the new year!
Steven Leed – Middle Years Leader

P-4 Update- Building Strong Foundations
A Great Start
Yesterday was an extremely successful start with programs commencing at 9:15, immediately following our assembly. We have high expectations and wanted to establish a learning centred focus from the very beginning. We were very impressed with the way our new Preps settled in quickly (testimony to our strong Transition program and the additional hours of Preschool each week).
We would like to extend our sincere thanks to families who have done so much towards preparing their children for school: uniforms, resources and most importantly - a positive attitude to school and learning. The next twelve months will prove another exciting and dynamic year as we continue to work on developing AusVels units and introduce new teaching and learning strategies to constantly improve learning outcomes for all our students. The aim of our team is to always remain as one of the leading education providers in the state (based on independent external testing and comparisons with other schools).

**Goal Setting**
Each of our students will work with their teachers over the next few weeks to identify individual learning goals. In our sub school we will continue to focus on a Literacy, Numeracy and a work habit. We will also continue to have a Home Reading goal as we have in past years, with a target of 250 Nights of Reading. Once goals have been established we will continue to focus on them until achieved.

**Homework Expectations**
These Homework Guidelines have been developed by the Department with the assistance of parents, teachers and students in Victorian primary schools. The Guidelines provide a framework to help schools engage their communities when reviewing their existing homework policies.

**Prep to 4**
- should not be seen as a chore
- enables the extension of class work by practising skills or gathering of extra information or materials
- will mainly consist of daily reading to, with, and by parents/carer
- will generally not exceed 30 minutes a day or be set on weekends or holidays apart from regular reading.

Please note that class teachers will identify homework requirements for their classes in Class Newsletters to be sent home shortly.

**Home Reading**
It is essential that every child reads to an adult every evening. Even when students appear to be very competent readers (for example our Year 4 students) it is very important that they still read with another person who can talk about strategies and provide feedback or prompts. Reading is not just about sounding fluent, it must demonstrate good pausing and expression and it is absolutely essential that they develop strong comprehension skills. Please discuss the text with them, asking them to make connections and predictions and discuss characters and events. We cannot over emphasise the importance of additional opportunities to practise reading skills and the direct benefits for other aspects of learning and we again seek your support in giving your child the best start possible.

**Swimming Program**
Our swimming program at Mitiamo Pool will commence on Monday week (Monday 10th February). With the hot weather continuing, it will be essential that our students have ‘sunsmart’ outfits (bathers and T-shirt or one piece bathers) with good UV protection ratings. We will also be looking for volunteers to help with small group instruction and if you are available even for a couple of sessions, please return the form indicating your availability. Staff will provide the necessary guidance and support to our volunteers.

**It's Not Okay To Be Away**
There will be times throughout the year when your child will not be able to attend school due to unavoidable circumstances such as illness. We also understand that some medical appointments cannot be made outside of school hours. However, it is very difficult when students miss school for reasons of personal choice and end up with serious gaps in their learning which can later impact on future progress. Frequent absences can also impact on a child’s ability to establish and maintain friendships. Please remember that a note or phone call to the office is required when your child is absent as attendance is audited.
Sub School Captains and SRC Representatives
Tomorrow we will be inviting students to nominate peers from the Year 4 cohort who they believe would make very suitable Captains and SRC representatives. Nominations need to be seconded and have a reason for the nomination. Students who accept nomination will be expected to write and deliver speeches prior to elections in one week’s time (Friday 7th February).

Computer Link With Epsom PS (Microsoft Lync)
Today our Prep and Year 1 students had their first video link up for the year with the students at Epsom Primary School. This will be a regular IT activity with students reading to each other and sharing stories they have written. It is our intention that the two groups have a games morning and lunch at the Botanical Gardens (Bendigo) so that our students can get to meet each other face to face. Working closely with other schools also provides an opportunity for our teachers to share curriculum and ideas as well as moderating student work samples.

Communication
For partnerships to be successful it is important that we maintain good communication between the school and home. If you have any ideas or concerns, please feel free to contact your child’s class teacher or myself by phone or arrange for a personal interview. Your views and concerns are important to us. It is also good to hear good news and receive positive feedback in relation to your child and what they are doing at school.

Peter Vernon
P-4 Co-ordinator

Blanket Permission Forms – Sport & Yr 9/10 ADVANCE
Students in Yr 7-12 have been given “Blanket Permission Forms” to bring home and have signed ready for return. These forms explain in detail the Schools Secondary Sports program and allow Parents / Guardians to sign a one off permission form to cover all listed excursions for the year. Individual arrangement notes will still be provided at the time of each upcoming excursion, but do not require repetition of the same detailed permission information. Please make sure that these are returned to the office promptly.

Students in Yr 9 / 10 will have a similar permission form for their ADVANCE program. Please complete and return – This is urgent as students have an excursion to the Mitiamo pool this Friday 31st Jan, for the launch of their year’s program goals and requirements. Lunch will be provided, transport is free for Advance activities.

Yr 7-10 Swimming Program
Details of this are listed on the above mentioned sports permission notice. Dates are as follows:-
- Yr 9/10 will swim on Friday 31st Jan, Wednesday 12th Feb and Wed 19th Feb.
- Yr 7-8 will swim on Thursday 6th Feb and Wednesday 12th Feb and Wed 19th Feb.
- The whole College House swimming carnival will be held on Fri 21st Feb.

John Clyne
PE Coordinator

Canteen News
Thanks to everyone who has returned their volunteers forms this year. If I haven’t received it yet, I have gone on last year’s availability. We are asking volunteers to do two turns per term this year to help keep our canteen open every day. We appreciate the time everyone puts in when volunteering to do their turn on canteen and without everyone helping out, our canteen would struggle to run, so Thank You again for volunteering.

Please Remember - If you cannot do your rostered turn, please arrange your own swap with someone else. If there are any problems or concerns, or you need to update your availability, please contact me.

Please note: we will now be selling Pepsi products instead of Coca Cola products. Remember to make sure you clearly label lunch orders with child’s name and year level. This makes it a lot easier for volunteers!

Jo Guthrie
Canteen Coordinator
