**From the Principal**

**Labour Day Holiday**

You will have noticed in our newsletter calendar that next Monday, March 10, is the Labour Day public holiday and the College will be closed. This will be the start of Week 7 of Term 1 meaning that we will be just four weeks from the end of this term. We have been able to fit a lot into the six weeks of teaching and learning that we have had so far and we look forward to another four weeks of commitment and effort. A day of rest and recovery will be welcomed by all members of the community.

**Change of Dates**

Please note that the College Trivia Night which was advertised for Friday March 21 will now be held on Friday March 28. This was due to a clash with another community event which was not advertised until around the same time as we made decisions about our dates. Hopefully, this will mean even more people can be involved in this fundraising event for the College.

**Personal Learning Goals**

All students have been through a process of setting personal learning goals for 2014. This is a process that we have undertaken in various forms over the past few years. Some students have done them very well and found that they have been motivated and striving toward achieving worthwhile improvements. Others have not made the same effort. This semester, we have standardised the process so that all students are guided through questions that will assist them to determine the achievements that are important to them. We have also asked that parents participate in the process by discussing the goals set by students and coming up with ways that they can support the desired improvement. If you have not already been involved in this discussion with your child(ren), please ask them tonight about their Personal Learning Goals.
**Student Investiture**
Our thanks go to the parents and friends of the College who were able to be part of our investiture assembly last Friday. We are also very grateful to Councillor Cheryl McKinnon who spoke of her journey to community leadership as well as presenting the Young Citizen of the Year award to Lachlan Twigg and badges to other leaders within the community. We were very happy to also have the presence of Mrs Hazel Whitmore who was one of the founders of Whitmore’s Bus Lines which was the forerunner to our bus service providers, Loddon Transit. The College is fortunate to be able to bring together current community leaders to acknowledge and encourage student leaders of today who will be community leaders of the future.

**Attendance at School**
As has been mentioned in previous newsletters, we want all students to get a great education, and the building blocks for a great education begin with students coming to school each and every day.

Missing school can have a major impact on a child’s future – a student missing one day a fortnight will miss four full weeks by the end of the year. By Year 10 they will have missed more than a year of school.

There is no safe number of days for missing school – each day a student misses puts them behind, and can affect their educational outcomes.

Coming to school every day is vital, but if for any reason your child must miss school, there are things we can do together to ensure they don’t fall behind:

- Speak with your Home Group teacher and find out what work your child needs to do to keep up.
- Develop an absence learning plan with your teacher and ensure your child completes the plan.

From 1 March 2014, new laws will mean that parents can be fined for not sending students to school without an acceptable reason.

If you’re having attendance issues with your child, please let your classroom teacher know so we can work together to get your child to school every day.

**Bus Safety**
This week, students in all year levels attended presentations on bus safety conducted jointly by Jo Guthrie of the East Loddon Lions Club and Senior Constable Dale Lewis. Students were reminded of some of the basics of bus travel such as staying in your seat, facing the front and following the instructions of the driver and the bus captains. It is also important that parents are encouraging good behaviour around the buses by picking students up from the side of the road on which they leave the bus and reminding students never to cross the road until the bus is out of sight and a clear view of the road in both directions is possible.

**Interruption to Power Supply**
We have been informed by Powercor that we will have significant interruptions to our power supply on Friday March 14. This will mean that students and staff will need to take some extra actions before and during the day.

These may include charging up laptop batteries at home, bringing bottles of water to school and bringing a prepared lunch instead of buying lunch from the canteen. We will have further details in next week’s newsletter to remind all students and parents of the necessary precautions.

**Assistant Principals News**
STOP PRESS! It would seem that the Trivia night we have planned is double booked with the biggest evening Calivil has ever experienced (or something like that). At the risk of making people choose and setting up an ‘us and them’ situation, we are rescheduling the Trivia Night for the 28th of March. OK, so I know that is a pain in the neck, especially if you have organised baby sitters in anticipation of winning prizes, however I think we would be sabotaging both events by running them both on the same night and given that both events are in support of the community, it is a no brainer. Please forward your bookings to the office.

Can I offer a big thanks to Jo Guthrie and Dale Lewis for conducting bus safety sessions recently with classes from prep to year 8. Safety on buses is paramount, given the amount of journeys that our students take. There seems to be a strong message getting through to our students about how to behave on the bus. I have had very few complaints this year about the behaviour of bus travellers. If your child misbehaves seriously enough for bus captains to report incidents to me, you will be issued with a letter from me describing the incident. Students who receive their third letter will be suspended from bus travel for a day
and further incidents for up to a week. Constant reoffenders will lose their privilege to travel on the bus indefinitely. Just a note to bus captains, you need to operate within the laws of other bus travellers. This includes staying in your seat whilst the bus is moving. Can I reassure parents that bus captains are doing a great job. They have been instructed not to argue with students but to try and keep the calm. If incidents can not be controlled by simple requests, then students offending are reported to me.

Next Monday at 6 pm in the multi purpose room, we will be meeting with interested parents and students regarding the 2015 trip to Turkey. Even if you have not yet expressed interest but are interested in some details, please feel free to attend. We currently have quotes from a tour company and I have had some contact with our sister school about prospective itineraries. Please come armed with plenty of questions which we can either answer on the spot or find answers for and plenty of fundraising ideas which we could use to offset costs with. Turkey, here we come!

Thanks to everyone who came to support their students last Friday at the investiture assembly. I might be getting old and sentimental, but it always impresses me when the students speak. To Alicia and Roscoe, Ethan and Jo and Lachlan and Tessa – well done on conducting such a professional assembly. To all other student leaders- Good luck. Special thanks also go to Cr Cheryl McKinnon and Hazel Whitmore who attended as our special guests.

Grade Preps Dine with Year 12 Students Over Lunch
Last week our big, tall and lovely Year 12 students took time out from their busy study schedule to have lunch with our gorgeous new Grade Prep students. Mrs Lister had even made some very yummy chocolate cupcakes for us. The students introduced themselves, talked about their first days at school and drew their hands on a large poster. I would like to thank the Prep students and Mrs Lister for having us for lunch. Check out the great photos below. Some of the Preps were a little camera shy.

Personalised Learning Goals
Senior School students have been working on developing their three personal learning goals with their home group teachers. Students have been asked to speak to other teachers who may be of assistance and also their parents/guardians. These are due Friday 7th of March. Please ask your child to show you the goals they have set for semester one, so that you can help them achieve their best.

Year 9 & 10 Outdoor Ed: Canoe Camp
The Year 9 & 10 Outdoor Ed students have been working hard in class and at the res to improve our Canoeing skills in preparation for our camp. Permission forms and information will be distributed on Monday 17th of March, once we have school council approval and I have finalised all plans. However, students are well up to speed with the details of the camp, so please ask your child if you have any questions or contact me at school.
The Canoe Camp will take place from Wednesday 2nd – Friday 4th of April. Students will return after bus times on the Friday 4th of April.

**Chisel Lodge Research Scholarship**
Our school has been invited to participate in the Chisel Lodge Research Scholarship. Students in Year 9 & 10 Humanities are being strongly encouraged to enter but it is also open to any Year 9-12 students of the school. The project involves researching a local history project, writing and presenting an essay. For specific information about the criteria please see myself or Mr Rudkins. $1,000 in prize money is up for grabs!!!

**CVGT Community Grants**
Our community grants program supports and enhances community-building projects. We provide grants to individuals or community groups for projects that benefit the communities where CVGT Australia operates.
Our grants aim to enhance:
- Social inclusion
- Education accessibility
- Recreational opportunity
- Environmental sustainability
Please encourage eligible community groups in your area to apply.
**CVGT Australia’s community grants program is now open and will close on Friday, 29th March, 2014.**
Details and application form can be found on our website [www.cvgt.com.au](http://www.cvgt.com.au)

**Bryan Jolly**
Bryan Jolly has been off competing again in some fierce competition over in Canberra. Prior to leaving he had to drop about 500grams. I was most interested to know how he was going to do this. His response was interesting and it worked, he dropped the weight in time to compete and I think two of the divisions. Congratulations, Bryan!

**Wimmera Field Days**
Mr Judd and the VCE Units 3 & 4 Agriculture & Horticulture class attended the Wimmera Field Days on Tuesday to broaden their horizons of the industry. The students had a great time and would like to thank Mr Judd for transporting them to the excursion.

**4R’s Award**
Congratulations Ashleigh Robinson, Tessa Sexton and Cammie Murray for assisting Mr Phelan with a kitchen inventory after some wet weather. Your voluntary assistance was very much appreciated. Thank you!
Another busy week here at East Loddon. Good luck to all the Year 9 & 10 Sports teams competing tomorrow in the Volleyball competition.

**Middle Years Report**
**Bus Safety Talks for the Middle Years**
On Tuesday of this week, students in the Middle Years were fortunate enough to have Leading Senior Constable Dale Lewis and East Loddon Lions Club Secretary Jo Guthrie visit the College to discuss the importance of Bus Safety.
Bus safety is obviously a very important thing for all to consider, and there is no doubting that it is of vital importance at a school such as ours where almost all of our students travel on this form of transport every day. Dale and Jo spoke to our year 7/8 students before recess and our 5/6 after the recess break. The message behind these talks was that all students need to ‘be safe’ around and on buses. Although students can generally say all of the right things when it comes to bus safety, we actually need to see our students put these safety considerations into action! The ‘little things’ such as remaining seated on
the bus until it comes to a complete stop, and ensuring that noise levels are not too high so as to distract the driver, are just as important as ensuring that students wait at the side of the road until their bus has driven off before attempting to cross. Parents may also receive gentle reminders from students about the importance of picking up children from the same side of the road as the bus pulls up on.

On behalf of the staff and students in our sub-school, I would like to thank Dale and Jo for their effort and commitment in assisting us with promoting bus safety in our classrooms.

It is important to remember that every student has a right to feel safe whilst actually travelling on the bus and we as a College expect that all students behave in an appropriate manner. Parents are encouraged to make contact with Mr Scott Wilkinson (College Bus Co-ordinator and Assistant Principal) if their child/ren are having any issues with their bus travel.

*‘Invested’ Middle Years Students*

Congratulations to all of our fantastic Middle Years students who were officially recognised for their positions of responsibility at last Friday’s Student Investiture Ceremony. We look forward to seeing the following students show a great level of leadership in their position of responsibility.

**Sub-school Captains**
- Ethan Lewis
- Jo Cartwright

**SRC Representatives**

- Jasmine Condliffe
- Blake Pickles
- Sophie Hay

**Sub-school Captains – Lunchtime Sessions**

A reminder of our lunchtime sessions is extended to all students in the Middle Years. Between 1:00pm and 1:30pm every Tuesday, Ethan and Jo will open up the year 5 and 6 rooms for Homework Assistance and ‘Hang out time’ for any year 5-8 student that wants to take part.

**Year 6 Netbook Computers**

Starting as of tomorrow, some of our year 6 students will start to take home their netbook computer at night as a result of **earning** the right to do this. Students in year 6 have worked on a structured system of recognising behaviours, responsibilities and work habits in order for students to earn the privilege that is associated with taking their netbook computer home. Students who earn this privilege will be issued with a computer licence. It is important for students and families of year 6 to understand that taking home these computers is a privilege that a student must earn, and that this privilege can be lost through misuse of the computers.
Our licence will look like this -

‘In the pipeline’ – Yr 7 Sleepover and Possible Year 8 Camp
Middle Years staff have been working on plans for a year 7 sleepover which will be held this term, and also on plans for a possible year 8 camp at the start of term 3. We will continue to organise and plan for these events and will inform relevant students and parents of the details as they are finalised.

Contact with the College
Parents are encouraged to keep in close contact with the College so that we are able to assist students with specific issues as they arise. Please feel free to contact class teachers with specific issues relating to particular learning activities. For general concerns or issues, please contact your child’s Home Group teacher or myself.

Good News Stories – I would love to hear some more!
I would love to hear from any students, families or school community members who have good news stories involving any of our Middle Years students. Whether it be a student passing a music exam or swimming level, or someone assisting with a community group, it would be great to have the chance to acknowledge the fantastic things that our students do. Please pass information on to me at leed.steven.a@edumail.vic.gov.au so that it can be published in this Newsletter.

Have a fantastic week!
Steven Leed – Middle Years Leader

Prep Letter in Focus  Bb
On the THRASS chart the ‘b’ sound is represented by the single ‘b’ as in ‘bird’ and the double ‘bb’ as in rabbit.

Prep Words to Fluency  my
Prep students have a key ring with their words to fluency, which they need to practice. Students are asked to take their ‘Word’ ring to school each day to use in class.

Pancake Day
Thank you for providing the delicious topping for your child’s pancakes. The activity was very successful in terms of curriculum outcomes and the feedback during the tastings confirmed the popularity of the sweet.

Bus Safety
On Tuesday, we were fortunate to have Leading Senior Constable Dale Lewis, Mrs Jo Guthrie (representing the Lions Club) and Mr Noel Woodman (representing Loddon Transit visit our College to give a practical talk on bus safety. We are very fortunate to have these dedicated and caring members of the community who give up their time to instil an awareness of safety. Our students were reminded about safety rules relating to waiting for the bus, travelling safely and leaving the bus. Two issues that were raised, were confirmed by a number of students, and which are of considerable concern were:

Some junior students wait by themselves each morning and

Some parents forget to wait on the left hand side of the road (bus door side) and allow their young children to cross the road by themselves.

These issues were confirmed by bus drivers and were related to the College.

It is important to remember that young children can become engrossed in play and forget about their surroundings and sometimes stray onto the road without thinking. Young children have a very narrow field of vision and their peripheral vision is limited. Thirdly, young children can become distracted and in their excitement to see their parent or show them something, will dash across the road.

We cannot afford to be blasé when it comes to the safety of our children because we don’t get second chances. Please continue to reinforce road and bus safety with your children at every opportunity and make sure that you are also close at hand when they enter and exit their bus. The Lions Club has provided brochures that outline bus and road safety rules which we hope you will be of value to you when you sit down as a family and discuss them or as you walk them through it at the bus stop.
**Library Bags and Books**

Every week your child has a Library class where they learn how to make effective use of the Library and its resources, learn how to care for books and engage in learning activities revolving around books and authors. Please make sure that your child has their Library bag and book on their designated Library day. Students are also encouraged to visit the library on other days to return and borrow books. Every class has a Borrowing Tally Board where students record their borrowing. Our computer system also tracks borrowing so that teachers, students and parents can be informed regarding borrowing habits of each student. Remember- ‘Good readers read’. Library books also provide an opportunity for children to learn book language and expand their vocabularies.

**Sandhurst Division Interschool Swimming**

Last Friday, a small band of hardy individuals backed up from our House Swimming Carnival the previous week, to compete against the Bendigo Secondary Colleges in the annual Interschool swim meet at Bendigo Aquatic Centre.

Our students performed well in what was some really high class competition, especially from schools with a high percentage of squad swimmers. We consistently placed 4th or 5th in most events we had swimmers for, and nobody looked out of place in the big time. Overall, we placed 6th out of the nine competing Colleges and had we been able to get more competitors involved in the team, we would have moved up the rankings at least one more place.

A few special mentions go to Jesse Wade who placed 2nd in the Diving, Alia Melgin-Hill 3rd in Butterfly & Backstroke and the Year 7/8 Boys relay who placed 3rd. The Melgin-Hill sisters, (Alia & Lydia), also performed admirably by competing in every stroke event available to them on the day.

Special thankyou to all the students who got involved and Mrs McNamara and Mrs Lethlean for chaperoning the team.

Next week we will be starting the Breaky Program for 2014. The program will be running the same as last year, on both Tuesday and Thursday mornings before school. Students will be able to get toast and milo for free in the Multipurpose room. We look forward to serving the students and staff in this way.

Thought for the week:
“Even though you may want to move forward in your life, you may have one foot on the brakes. In order to be free, we must learn how to let go. Release the hurt. Release the fear. Refuse to entertain your old pain. The energy it takes to hang onto the past is holding you back from a new life. What is it you would let go of today?” — Mary Manin Morrissey

Canteen News
Remember to make sure you clearly label lunch orders with child’s name and year level. This makes it a lot easier for volunteers! Canteen is open for lunch orders only until 1pm. Just a reminder to all volunteers that food & safety requires anyone with long hair to have it tied back when on Canteen. Please note there have been some changes made to the roster.

Please Remember - If you cannot do your rostered turn, please arrange your own swap with someone else. If there are any problems or concerns, or you need to update your availability, please contact me.

KFC – Kids Friday club
Will be running an Easter Session – dates and times to be arranged
KFC is an after school kids club for primary aged children. East Loddon P-12 College supports KFC by allowing us to meet in the Multipurpose room on Fridays after school until 5pm. KFC runs for four Fridays in a row during Terms 2,3 & 4 and then meets together for a Family Celebration in one of the Churches in the district. It is an interdenominational Christian based group.
At KFC we play games, sing, enjoy afternoon tea, do craft activities, listen to Bible stories and more. In 2012 approx 60 children from East Loddon P-12 College enjoyed coming along to KFC.
KFC is sponsored by the Dingee Uniting Church and all children in Prep – Yr 6 are welcome to come along.
