**Dates for Your Diary**

**NOVEMBER**
- 14th VCE Food & Tech, Yr 10/11 Catch Up Exams
- 15th Yr 5/6 Ballarat Camp return
- 17 & 18th Driver Ed
- 20th –23rd Energy Breakthrough.
- 25th Lions Club Youth of The Year.
- 25th—28th Moggs Creek Camp

**DECEMBER**
- 8-12th Step Up Week
- 9th Transition Day for Kinder and Primary
- 10th—12th P-4 Anglesea Camp
- 17th Presentation Assembly 10am
- Last Day for Students
  - Early finish 1.00pm
  - Valedictory Dinner 6pm

---

**From the Principal**

**Remembrance Day**
Tuesday of this week was the 11th day of the 11th month and was acknowledged accordingly with Middle Years sub-school captains Ethan and Jo carrying out responsibilities for reading to the whole school and attending to the flag which was at half-mast and then returned to full height as part of the ceremony. Thanks to the two Middle School Leaders for fulfilling the major roles in the ceremony and to all the other students who treated the occasion with the respect that it deserved.

**ICT for 2015**
The College will be continuing to provide Netbook and Notebook computers to all students from Year 6 upwards. This has been a successful program involving a parent contribution and a subsidy for the devices from school funds. For 2015, the fee for Netbooks and Notebooks will be increased to $105 which is a reflection of the payment processing fees and still a very reasonable cost for the device. As always, we would like to assist families with the payment of fees so please contact Sue Cail in the office if you wish to discuss payment plans. Students will soon bring home their lease agreement details which will need to be returned to the College with payment to arrange for the purchase of a device. Mr Judd will be catching up with all students in Year 6 upwards to make arrangements for computers over the holiday period.

**Booklists**
Booklists will be distributed to most students on Monday of next week, while Year 11 students will receive theirs today. These will need to be returned to the College by Thursday December 4. As outlined above, the College will be able to provide support to families who may need assistance to make ends meet. If you would like to avail yourself of this opportunity, please contact Mrs Cail or myself before returning your completed booklist. Students in all year levels have been asked to clear lockers and school bags so that any unused items can carry over to next year without further outlay. Early in 2015, School Council has suggested that we invite families to recycle any stationery items that are no longer required to ensure that reserve supplies and swaps for items are possible throughout the year. Further details will be provided in Term 1 of next year.

**School Council Meeting Outcomes**
School Council met last night and dealt with normal business as well as some very important items for funding within the College for 2015. With the loss of EMA funding, Council is aware that there may be additional financial burden on some families and discussed ways to try to support the education of all students. It was accepted that some families may request payment plans and credit against some payments required at the start of the year and that there are steps that can be taken as a community to assist. Council authorised the use of school funds to ensure that all students were able to start the year with the basic requirements for their classes.

**Respect - Resilience - Responsibility - Relationships**
Respect - Resilience - Responsibility - Relationships

Student Scholarships
There are a number of scholarships available to students and families through a range of funding bodies. These are open to students in Years 4-12 and range in value from $300 to $2400 with many of the scholarships identifying financial need as an eligibility criterion. Students on Youth Allowance, or whose parents/guardians hold a Health Care Card, a Low Income Health Care Card or a Pensioner Concession Card, meet this criterion. Full details and application forms are available from www.eduweb.vic.gov.au/scholarships. If you would like assistance to access the site or to discuss the application process, please contact me at the College. Applications close on Friday January 30.

Active After School Communities
Our AASC Dance activity started last Thursday afternoon, continues today and will run until Thursday December 11. There was a small but enthusiastic group of participants who got involved and there is still room for more. There is no cost to participate and all you need to do is arrange for children to be picked up from the College at 4:30pm. Another permission note is included in this newsletter. This will be the last reminder so don’t wait another week to try it!

Brad Madden
Principal

Assistant Principal’s News

Its week 6 and it feels like the term has just started! That may be because I have just had two weeks of Long Service Leave, but I’m feeling as fresh as a daisy. Yee hah. During my Long Service I had planned to do a bit of ‘man’ work, paving a pool surround. I was very pleased with the progress that I made, but my wife and kids weren’t. Needless to say we will be swimming by Christmas, but maybe not this one. I did thrive on the opportunity to procrastinate though. I didn’t think that I could get better at that, but here we sit.

Speaking of procrastination, its exam week for the year 10’s and 11’s, so I’m sure that students in these levels have been finding heaps of really important things to do before they sit down to study each night. Learning to study for exams can be a difficult thing, hence the need for us to start the students practicing it from year 10 so that they will be adept during year 12. Keep pushing yourself kids, it’s amazing what you can cram in, even at the last minute.

The 5/6 camp left yesterday. There were a lot of tears from parents as the bus disappeared down the track. That is, until it was out of sight and everyone cheered. Mr Leed has already reported in that everything is going well and that all are having a wonderful time.

Its camp season, from here on in until Christmas. Driver Ed is held next week for the year 10s, as well as a Tafe and Uni course excursion for years 10 and 11 on Wednesday. Energy Breakthrough is held from Thursday next week. This is followed the next week by Moggs Creek Advance camp for years 9 and 10 and then the 3/4 camp to Anglesea on the 10th of December.

The presentation assembly this year will be held on December the 17th at 10 am. Please mark this on your calendars. It is your time to celebrate the achievements of our students. Can I put this out early as a reminder, after the assembly there is usually a gathering of official guests, staff, parents and year 12 students in the Multi Purpose Room. All parents are welcome to attend this, but we ask that you bring a plate to share. If you are unsure of what to bring, personally I like egg and lettuce sandwiches (curried egg is good too), jelly slice, hedgehog, pav, oh yeah and those little egg and bacon pie things mmmmmmmmmmm and homemade sausage rolls (with home made sauce).

In other news, staff parents and students involved in the Turkish tour next year, will be volunteering their time helping the Rotary Club at the Swap Meet in Bendigo this weekend. See you there.

Scott Wilkinson
Assistant Principal
P-4 Update

Building Strong Foundations

STUDENT OF THE WEEK

Prep Joe for terrific problem solving in Maths.
Year 1 Drew for her interesting “Fairy” story (Great persistence).
Year 2 Harvey for overall achievement in class.
Year 3 Alinta for her impressive effort to catch up on work missed this week.
Year 4 Levi for a fantastic start to his new school (a great attitude and readiness to ask questions)

You Can Do It! (Confidence)
Prep—Zach
Year 1—Tyla
Year 2—Hollee
Year 3—Noah
Year 4—Alicia

German Language Award
Well done, Blake Y4, for your effort in German last week. Frau Burgstett certainly noticed how hard you were trying.

Assembly News
Last week we were entertained by some of our Year 2 students who presented the play ‘Puss In Boots’. The use of character voices made the performance very entertaining and the whole play was held together by a fabulous narration provided by Hollee.

P - 4 Sub-School
Prep Sounds in Focus

Koalas - This group is learning about the long vowel sound ‘I’ as in the split digraph ‘i-e’ (kite).

Kangaroos - This group is learning about the voiced ‘th’ as in ‘that’.

Emus - Our Emu group is consolidating the short vowel sound ‘i’ as in ‘pin’.

Year 4 Pen Licence
Congratulations to Blake, Megan, Roscoe and Rory on receiving their Pen Licence. These licences are awarded to students who consistently demonstrate good penmanship.

Integrated Studies
As part of our Humanities (History) theme - Days of Significance, all Prep to 4 classes spent time learning about and observing ‘Remembrance Day’ (originally ‘Armistice Day’). Classes learnt that this solemn remembrance has been observed for 95 years and is symbolised by a red ‘Flander’s Poppy’. This symbol originated from a poem written by a doctor on the Western Front, John McCrae, who wrote ‘On Flanders’ Fields’ for the funeral of a close friend; and was popularised by Moina Michael, a member of the YWCA who wanted to do something tangible. Commemorations and symbols are part of our culture and it is important that we understand their origins and significance.

Lunch Boxes
With warm weather returning, it is important to remember to place a cool block in lunch boxes that contain food that spoils in heat. It’s great to see students sitting down to enjoy their healthy lunches, some of which are very creative. Sometimes it is special to write your child a note (telling them how special they are, how much you love them or something you are looking forward to doing with them after school) and slipping it quietly into the lunch box. Imagine the feelings when they open their lunch box and discover the surprise note.

Lost Clothing
Warm weather also means that students are taking off their windcheaters and putting them on a seat while they play. Quite often they remember to collect them, however, some forget and the top ends up in Lost property. We try to return items to their owners but sometimes name tags are missing or names have faded beyond recognition. Please take a moment to check your child’s clothing after it comes out of the wash and ensure that the name is clearly visible.

Years 3 and 4 Anglesea Camp
This coming week, Mr Smith will be sending home a list of camp requirements (clothing etc.). Please ask your child to bring it straight home so you can follow up the items listed (Some children are a little forgetful and notes can sit in bags for days/ weeks). A reminder that the last payment for camp was due on 24th October ($50). Please contact Mrs Cail (College Business Manager) if this is a problem.

To Ponder Upon
Thoughts on what it's like to be a parent- “It's one of the hardest things you'll ever do but in exchange it teaches you the meaning of unconditional love.”
— Nicholas Sparks

Peter Vernon
Prep to Year 4 Co-ordinator
**Middle Years Report**

**Sub-School Captain Report**

Jo – Good luck to the 5/6 for their Ballarat camp this week. Hopefully you all have a great time!

Ethan – I am still continuing to run the Super Happy Fun time Spectacular during Monday lunchtimes. This week I had a lot of people come to the lunchtime spectacular but I would still like more people to attend so I am able to keep it running, please make an effort to get into Mr Leed’s room next Monday for a blast!!!

**Year 6 Trip to Rosevale Hall – By Josh and Jayden**

On Tuesday of the 11-11-14 the year 6’s went back in time to visit Rosevale hall. It was like visiting the olden day.

Firstly we sat down and Mark cooked us sausages. Whilst eating we had a look around the yard.

Secondly we went into the hall (Mark’s work shed) and had a look around. Mark taught us how to use the anvil and the forge. Then Josh got a turn of the hammer to hit the metal rod. Josh took his anger out on it, but because Josh hit so hard, it broke the hammer. He thought he was going to get into trouble by Mark but he didn’t because the hammer was several years old. Damo had a go smashing with all of his force he made it look like a horse shoe. Mark packed up all the machines we all walked out and said good bye and Blake and Josh said “Thank you for cooking the sausages and showing us how to use the anvil and the forge.” We got back into the car with our group and we left to come back to school.
Year 5 Possible Visit From Orang-utan Expert

As a result of our year 5’s recent adoption of Orang-utan babies (Seroja, Rahayu, Gokong and Dora) through the Supporting The Orangutan Project, the class have been accepted into the ‘Long Call Club’. Membership into this club allows the class to be officially recognised on the Orangutan Projects website and even more exciting is the potential visit from Amber Anile, who is a Primate Keeper at Melbourne Zoo and a tour leader for Raw Wildlife Encounters (taking guests to Sumatra). This potential visit will more than likely take place on either the 25th or 26th of November. More details will be forwarded to year 5’s as they become available. How exciting!

Do you really know what your child views on the Internet?

Seriously, I would recommend that you sit down with your Middle Years child and have a talk with them regarding their Internet usage. A discussion surrounding what to do when they come across inappropriate or disturbing images could also be a very good idea. You may be surprised at how easy it is for students to access sites and pictures that are well and truly inappropriate.

Energy Break Through

All the very best to Mr Bunton, Frau Mac and the rest of the Energy Breakthrough Team who are travelling to Maryborough in a fortnight’s time. The year 6 team are certainly excited by what lays ahead. I wish you all the very best!

Contact with the College and Good News Stories

Parents are reminded to keep in close contact with the College so that we are able to assist students with specific issues as they arise, and to please make me aware of any good news stories that I can include in this section of the Newsletter.
I can be contacted via the College Office or by email at leed.steven.a@edumail.vic.gov.au.

Ballarat, We have Arrived!

Mr Kidman, Mrs Arthur and I have arrived in Ballarat with 31 of our year 5/6 students. We have just returned from an evening of mini-golf and it would be fair to say that I have learnt a couple of things throughout the day.

East Loddon students are fantastic kids! We have had many, many comments throughout the day in regards to the behaviour and attitude of all students.

Bendigo has a lot to offer so close to our homes. If you have not been on a Central Deborah Goldmine Tour, then do yourself a favour and get in there. It was really impressive, as was the Golden Dragon Museum. (They were looking for volunteers to carry Sun Loong next Easter???)

Kids love feeding Kangaroos! At times during the visit to Ballarat Wildlife Park, all of our students could be seen gathering around and feeding the kangaroos (particularly those that had joeys.)

The Bell Tower Inn have set a high standard for camp food. Tonight’s meal was superb and we are all very keen on the full English breakfast that awaits us tomorrow!

Mr Kidman takes his mini-golf far too seriously! Mrs Arthur and I managed a fabulous hole-in-one each and were still ‘flogged’ by a double figure margin.
Deutsche Nachrichten
Christmas activities are just round the corner. The Prep/1 class will be making angels as one of their Christmas activities, I am looking for 25 empty cereal containers for the class. The Yr 3 class will be making lanterns, for this they need an empty jam/sauce jar (250 mls max). If anyone has one or two of these items, it would be very much appreciated.

Annette Burgstett
LOTE Co-ordinator

Today we will spend the large majority of the day at the Gold Museum and Sovereign Hill, where students have always had a great time! We also return in the evening for the ‘Blood on the Southern Cross’ sound and light spectacular. We should have a great day and a fantastic time for the remainder of camp!

Hope you have a great week!
Steven Leed – Middle Years Leader
Senior School Newsletter Thursday 13th November

Year 10, 11 & 12 Exams

Well done to all the Year 10 and 11 students who took part in the exams this week. I know it is a stressful period of time, but I certainly feel that it is a beneficial and purposeful experience for all our students. By the time you read this Year 10 and 11 students will have completed their exams. However, if students were absent during the last three days they may have some catch up exams to complete.

Teachers have been chasing students for class work and assessment tasks, so please check with your child that they have submitted all their assessment tasks. If you have any questions please contact specific subject teachers.

Year 12 students are starting to look a little less stressed, with only a couple of students still to sit their last exam. The majority of Year 12 students have now finished their exams and schooling for ever. We look forward to celebrating this at the Presentation Assembly and Valedictory Dinner on Wednesday 17th of December.

Please note payment for the Valedictory Dinner is due by Monday 1st of December. The cost is $24.90 and includes a two course meal at the National Hotel Crown Room.

VCE, VET and VCAL results

SMS 19 787 888 to register to receive your results by SMS, send a text message as follows; student number eight digits only not the letter, space, pin (four digits). Alternatively, you can go to www.resultsandatar.vic.edu.au from 7am on Monday 15th of December. Or if you do nothing you will receive your results in the mail. This information was given to all students sitting a Unit3/4 exam at the start of Term Four during an exam preparation meeting.

Year 10 Driver Ed

Year 10 Driver Ed departs Monday 17th Nov at 9am and returns Tuesday 18th Nov at 3:20pm.

Good luck Ben Baker and Sarah Collins

As mentioned in previous newsletters these two are preparing to travel to America and New Zealand respectively. They are pictured here with their package provided by Sharman Stone.

Just a reminder to Year 11 & 12 students now that your exams are over please clean out your lockers.

Thanks for your time, the next two weeks are action packed, with Driver Ed, La Trobe and Bendigo TAFE excursion and Energy Breakthrough followed by the Advance Camp the following week. If you have any questions please let me know.

Sarah Byrne
Senior-Sub School Leader
La Trobe and Bendigo TAFE Excursion

Year 10, 11 & 12 students have been invited to attend an excursion to La Trobe University and Bendigo TAFE on Wednesday 19th of November. Mr Rudkins has distributed relevant information and permission notes to students over a week ago and these are due back by November 12th. This is a great opportunity for students to ask questions and get an experience of these organisation’s course offerings and their facilities. Students will receive a guided tour of the institutions and receive information about their courses and facilities. The tour of Latrobe will include the new Health Sciences facilities and Sports Centre. They will also take part in an Engineering Experience presentation.

Please see the following link to the advertised Trainee Court Registrar positions

For additional information on the advertised roles please follow the following link to our website.

Shane Rudkins  
Vocational Education Co-ordinator  
rudkins.shane.m@edumail.vic.gov.au

P12 Art News

A big thank you to Henry Lacey and Mr Phelan and his hard working VCAL team who built the storage shed up near the pizza ovens this week. Thanks also to Mr Judd for the installation of the wonderful watering system in the students’ garden, also in this area. This place will certainly represent the ‘OASIS’ that we have on our College emblem. Please feel free to visit, when next in the College. While up there, we have some FREE GARDEN MULCH TO GIVE AWAY Just bring a trailer and load it up!!!!!!! There are also some cast iron incinerator pieces that someone might like in their garden for an artistic ‘look.’ Also thank you to the people who have dropped off some ‘goodies’ for the Art room this week, these donations always save us money, for which we are grateful.

Pam Townsend
On Monday the 3rd of November the Year 12 Studio Art class travelled to Melbourne to visit different art galleries. We caught the train at 8:45 from Bendigo and arrived in Melbourne at 11:00. From Southern Cross Station we caught a Metro train to Armadale. In Armadale we visited the Metro Gallery, which is currently displaying various artworks done by Dean Home, which were mainly paintings of food and crockery. We then went to a pretty cool store that sold things made in Mexico, Italy and Portugal. After having a little browse we caught another train to Flinders Street and went to the NGV, or the National Gallery of Victoria. On the way we saw the Melbourne Cup Parade, which was pretty awesome. In the gallery we saw an amazing carousel, *Golden Mirror Carousel*, which was gold and had mirrors and lights all over it, it had been made by Carsten Höller. We rode on the carousel, which takes 5 minutes to do a full rotation. Out in the gardens there was an exhibition called *Hyper-Natural*, where there were different perfumes from different points in history. Some of them smelt pretty funky. After that because we are such little kids we went on a climbing frame, also part of the gallery’s gardens. Back inside the gallery, there was a beautiful stained glass ceiling in the Great Hall, it was so awesome. Another current exhibition is *Express Yourself: Romance Was Born for Kids* by Sydney fashion designers. After wandering around for a little bit, we walked to Platform, a space for artists to hire out and display their works in a walkway under Flinders Street Station. *Spaces* is the current display, and contained black and white photographs of empty rooms, by Ross Coulter. Unlike Mrs T’s prediction, 8/10 people that walked passed actually looked at the artworks. Having completed our artistic discoveries, we walked to the Sofitel on Collins Street, and enjoyed a lovely ‘High Tea’ (afternoon tea) in Sofi’s Lounge. Also enjoying afternoon tea in the lounge was “that chick off telly… what’s her name?”, Samantha Armytage, the co-host of Sunrise. Once we could not possibly finish any more scones or ribbon sandwiches, we moved quite quickly down the glass elevator, onto a tram and back to Southern Cross station to catch the 3:15 train back to Bendigo, catching it with 5 minutes to spare. Some of the members of our crew (not naming names of course, Leah and Taylor J) entertained the train with the song they learnt in Biology, *The Membrane Song*, singing in falsetto.

Overall, it was an awesome excursion, and we all had a great day. Thanks ever so much to Mrs T, who organised the trip, led the way through a busy day in Melbourne, and paid for all of us to enjoy high tea. We really appreciate it, we had heaps of fun.

Leah, Taylor, Caitlin and Emma
The Year 10s participated in the Core of Life Program last week which was delivered by School Nurses Denise Leed and Janice Deocampo.

Core of Life is an interactive life education program that addresses the sensitive topics of pregnancy, birth, breastfeeding and parenting in a fun and interesting way. Core of Life was developed to address limited knowledge about these topics in young people. It strengthens the link between youth, health and communities, and encourages young people to take responsibility for their own health and wellbeing. The purpose of Core of Life is to achieve better health outcomes for young people and future families in our wider community. Our students found this to be a most enlightening and entertaining session which was presented as part of the Health and Wellbeing Curriculum.

Many thanks to Janice for assisting with the delivery of this program.

---

**Active After School Communities – Dance**

Dance sessions will be held at the College from 3:30 to 4:30 pm on the following dates.

**Dates:** Thursday November 6 through to Thursday December 11.

---

**Permission Form**

I give permission for ................................................................. to attend the Dance sessions from Thursday November 20 to Thursday December 11

No equipment is required and there will be no cost.

I will arrange transport for my child/ren at 4:30pm at the conclusion of the session.

Canteen Roster – TERM 4 2014

Thanks for volunteering in the canteen for Term 4. During Term 4 we will again have the help of the Advance students during lunch times from 1 – 1.15pm.

The days highlighted in grey are days I need volunteers – if you can help out by volunteering on one of these days please let me know. If you cannot do your rostered turn, please arrange to swap with someone else.

Jo Guthrie, Canteen Coordinator  ajguthries@bigpond.com or 0428 366 220

Please find attached to today’s newsletter, 20 tickets for our Big Christmas Raffle. Tickets are $1 each - please sell both sides and record purchaser’s name & contact phone no. on the ticket & return tickets and money to the college office before 7th December. Raffle will be drawn on Wednesday 10th December and prize winners listed in that week’s school newsletter. Extra raffle books will be available at the office.

We ask that every family provide an item, either bought or homemade - Christmas Theme - to contribute to the prize hampers please, to be sent/delivered to the College office before Wednesday 3rd December.

All proceeds from the raffle will be put towards funding projects to support our students.

Many thanks for your help.

-------------

Next PA Meeting will be next Friday 21st November @ 9.00am at the College Office Meeting Room

All very welcome to attend.

Topics to discuss include fundraising.

Any items for the agenda, please send through to Mel Primrose – Secretary – melissa@alltronics.com.au or Leanne Welsh – President – welsh600@gmail.com

-------------

BOOKLIST ATTACHMENTS FOR PA: Attached to 2015 booklists, which students will be bringing home shortly, will be 2 important forms for Parents Association. Please fill out and return to the school office as soon as you can. These forms really do help our volunteer committee immensely, with future planning and record keeping requirements for PA to continue to support the school.

PA play an active role within the school community by running the Canteen, selling the school uniform, supporting school activities, support of the Chaplaincy Program and we also do fundraising activities throughout the year to raise money that goes back into our school environment.

Thank you in advance for completing these forms.

We really appreciate any help and time you are able to give.
Kids Friday Club: Prep – Yr 6

KFC starts next Friday November 14th. And continues on Nov 21st, 28th, & Dec 5th with our BBQ & Christmas Carol evening at the Dingee Hall on Sunday Dec 7th. This Term we are focusing on the Christmas story.

This term we have our 5c collection competition. We encourage the children to collect 5c pieces and give them to Charity. This year we have decided to reach out to the people in West Africa suffering the ramifications of the Ebola virus outbreak. CBM (Christian Blind Mission) are responding to this crisis to ensure that the most vulnerable people in these areas (those with disabilities) are supported by the Emergency Response plans, as well as receiving information. As we support CBM we hope to encourage the children to be thankful for the wonderful country we live in.

Meet in the Multipurpose room after school – finishing at 5pm.

Remember to bring a snack to share, a gold coin (or envelope with term donation) and a smile. **Plus an empty jam jar if you have one to use in craft. (we will have spares)**

Please fill in bus note below

Remember on our final afternoon of KFC we farewell our Yr 6 children and will aim to finish at 5pm with a sausage sizzle to follow – families welcome to join us.

All prep – Yr 6 students are welcome to come along and join us.

Contacts for enquiries: Robyn Falls 54368242, Judy Mountjoy 54379222 or Leanne Welsh 54366281

**Bus note for KFC Term 4 2014**

Chappo’s Chat Space

Good afternoon everyone, letting you know that I will be out of the school Wednesday and Thursday next week meaning there will be **NO BREAKY PROGRAM NEXT WEEK ON WEDNESDAY** as I will be out of the school at a three day professional development seminar on “Family preservation strategies” for working with families in crisis.

**Thought of the Week**

"One can never consent to creep when one feels an impulse to soar."

~ Helen Keller
