Lynda Cartwright, Jessica Demeo,  
Stephen Verley

## From the Principal

### Vale—Allan Leed

College staff and students were saddened to hear of the tragic passing of Allan Leed recently. Allan was the husband of college nurse Denise Leed. Our thoughts are with Denise, Chris, Jacqui, Amanda, family and friends at this time.

Former East Loddon P-12 College Chaplain Sue Allen is to be inducted as Pastor to the Gannawarra Cluster next Friday evening. This event will take place from 7:30pm at the Anglican Church in Kerang. If you would like to attend and support Sue as she moves into the parish ministry, then please pop this date and time in your diary.

AFL Central Victoria and the Loddon Valley Football Netball League are running a free Auskick match at Half-Time of the Calivil United vs Pyramid Hill Senior match at the Calivil Recreation Reserve on Saturday, August 3<sup>rd</sup>. This will include their blow-up inflatables, which will be run on the side of the oval from 2:00pm. The clinic will be run by their trained Game Development Officers, who deliver clinics throughout schools, junior clubs and community events. This event is to assist students in the area be active and healthy, while having a great time doing it. No registrations are required. Just turn up on the day if interested and have a great time!

I would like to wish Chloe H, Sianna T, Keira T, Chloe T, Angus A and Ruby C all the very best for the 'club level' Lions Club Public Speaking Competition this coming Tuesday evening. The competition will be held at the Lions Den (opposite the college), with supper also provided. Please arrive by 6pm for a 6:30pm start.

As mentioned previously, we are very keen to gather feedback from parents on our Compass program. Anyone who has not yet filled in the survey is encouraged to do so asap. The link to the Compass Survey is:

<https://www.surveymonkey.com/r/XGS6LWP>

Cases of head lice have been reported in the P-4 sub-school this week. Please check your child's hair carefully tonight and ensure that any eggs or lice are treated thoroughly before your child returns to school.

During the holidays I met with representatives from the Victorian School Building Authority and 3 architectural firms who are designing master plans for the upcoming capital building works at the college. College staff and council members will provide input on the upcoming works throughout next week and the initial information gathered by the college will be forwarded to the department shortly.

Hope you have a great week!  
Regards, Steve Leed

College Production Wednesday 18th September

## Literacy & Numeracy

### Maths Reader Books

Literacy and Numeracy- a match made in heaven?

Not too long ago, the school got our hands on some primary school reader books called 'Millie the Mathematician'. You may have seen these come home with your child in their reader box.

The books are levelled to fit in with our Fountas and Pinnell reader levels. The great part for parents is that the books also include prompts to guide a conversation with your child- before, during and after reading. Sometimes these prompts are about key vocabulary. Other times they will prompt students to count items or identify shapes.

To find out more, go to

<http://bit.ly/MillieMaths>

## Assistant Principal's news

Our 2020 Turkish travelers, 'See you at the Lion King'.

### Kaye from the Loddon Shire, delivering the goodies.

**'Nants ingonyama bagithi baba'**. Doesn't look like much written in text but sing it with a male 'African style' accent to the tune of 'Circle of life' and you've got the first line of THE LION KING. Possibly the best movie ever, other than Shawshank Redemption and Happy Gilmore. Our 2020 Turkish exchange students are running a fundraiser at the Bendigo Cinemas next Wednesday to see the remake of this movie. Over 100 tickets sold

already. We are aiming to fill a 240 seat cinema with EL staff students and friends. SO if you want to join in on ruining some of the best movie songs ever, with the worst loud singing ever, then please join us. Adult tix \$20 concession \$18. Purchase at school office. See you there! Translation for first line: **'There comes a Lion'** (Not as effective in English).

Kaye Leech dropped in yesterday with a lovely surprise thanking us for our work with the 'walk to schools program'. Because we were a bit inventive and made options for our students, most of whom were unable to physically walk to school, we won a prize of a big bag of sports equipment. Thanks Kaye, you can give us presents anytime.

## Notices

### Year 11 and 12 Agriculture and Horticulture community pH soil testing:

In term three our VCE Agriculture and Horticulture students will be conducting a community wide soil pH project. Our hope is to visit as many farms as possible over this time to test, assess and map the soil pH across the East Loddon area. We are inviting any interested community members to please get in touch as we begin to plan this exciting project. Please note, data will remain confidential within the class, unless permission is given for this to be shared. If you are interested in offering your land for this project, please get in touch as soon as possible via phone or email. Thanks in advance for your support and participation!

## Sub-School Updates

### Junior

#### Lions Club Public Speaking

A number of students will be competing in the next level of the Lions Club Public Speaking competition next Tuesday. We wish them all the best of luck.

#### ScienceWorks Excursion

Our major P-4 excursion of 2019 is coming up on Wednesday the 31st of July—that's less than two weeks away! Please ensure forms and payments get back to school ASAP. If you would like to volunteer, please contact Mr Clayton.

#### Monsters in my Wardrobe

Students in Grades P-6 were treated to a special one-man show on Tuesday morning at school. The presentation explored how we can find ways to deal with things that we find scary—it was a lot of fun!

### Middle

Welcome back to Term 3. Yesterday the Year 5/6's had a netball day. The P-6 students also participated in a "Monsters in the wardrobe" incursion on Tuesday. Next week Year 4-6 have a radio production visit.

By Gemma and Josh.

#### Year 7 2020 Parent Information Afternoon

Monday the 19th of August at 3.30-4.30pm

#### Year 8 Geography

I noticed a really interesting activity our Year 8's were doing in Humanities late last term: making continents out of plasticine. Here's a photo of the best 'Africa' I saw. Great job!

### Senior

#### Welcome back to Term Three

#### Work Experience

Our Year 10 & 11 students have returned to school work as oppose to work experience in the final week of Term 2.

It has been terrific to hear from students how they enjoyed their week and what they got up to from day to day.

Year 10 student Georgia W was at Healthy Mates and Human Mechanics. She had a great time learning about training schedules

for rehabilitation / fitness and treatment of injuries. Georgia W thought observing the dry needling was 'cool'. Keenan C was fortunate to be placed in Melbourne for the week with Year 11 students. Keenan C spent the week at Tullamarine tech repair centre. He said the best part was the stories the employers had of their flying adventures. Like a \$5,000 helicopter trip to fly a part to Western Australia.

#### Year 9 & 10 Bogong Ski Camp

Departs at 8am on Monday 5th of August and returns Friday 9th of August at 3:30pm. Please return consent forms and ensure final payment is made by tomorrow. THANK YOU.

## AROUND ELP SRC Report

Thank you for supporting our out of uniform day last term. We raised \$184 towards production costumes and props. This week, Yr 7-12 reps met with workers from DHHS and Anglicare to give our ideas on a fit out for a bus that will visit schools and youth events to promote mental health.

## Kindergarten Enrolment Information

**LODDON SHIRE**

**2019 Kindergarten enrolments**

Enrolments are now open for a year old and 3 year old kindergarten. Enrolments close Friday 30 August 2019.

If your child will be 3 years or 4 years of age by 30 April 2020 please contact Loddon Shire Early Years Department for enrolment.

You can now complete your child's enrolment form online at [www.loddonshire.vic.gov.au](http://www.loddonshire.vic.gov.au)

Enrolment forms are available from:

- Council's website
- Loddon Shire Office at 1 High Street, WEDDERBURN or 37 Freepoint Way, SEPPINGTONE
- Your local primary school
- Call the Loddon Shire Early Years Department on 5454 1201 to get a copy posted to you

Prompt return of your child's enrolment form is recommended to assist in the planning for programs that will run in 2020.

## GETTING TO KNOW YOUR STAFF

### YOUR STAFF

Mrs Heaslip just loves East Loddon. She came here four years ago and quickly realised she was in the right place. She often finds herself bragging about our unique school and our strong community. East Loddon has become one of the many 'families' that Mrs Heaslip has collected.

Since nappies, she was part of her local Footy Nettie club and they are family. Since she was 14, she has gone camping each Christmas to Walker-ville. It is not so much the place but the group of families from across the state who are now family. She grew up in a small town called Alexandra where she built cubbies down the creek and only went home for food. She liked school and was a bit of a 'goody-goody' (Oops! We weren't meant to write that.). Before teaching, she studied Graphic Design and worked at a newspaper and in a design studio. But she just loves being an Art teacher. Mrs Heaslip and her husband, who she has known since high school, are soon to move into their 'new' old house. He is a builder and she is a designer. Through their labour of love, they will create a home to welcome friends and family and begin a new but long chapter of memories. Mrs Heaslip believes everyone should just be kind and go easy on each other. Just do what *you* enjoy – that's simple, isn't it?
