From the Principal

**Apologies: The Education Week art works of Mr Leed from last week were not on page 3 last week as indicated. Please see the drawings on page 3 today.**

**Live Radio Broadcast TOMORROW– Turkish Exchange Participants**

Students and staff who recently returned from our Turkish Sister-School exchange will appear on Phoenix FM 106.7 tomorrow between 12:00pm and 12:45pm. Community members are able to simply tune into 106.7 FM to listen to the broadcast and those who live outside of the broadcast area are able to listen to the live stream which is available on the Phoenix FM webpage - http://www.phoenixfm.org.au/

**La Trobe University Student Teachers - Continuing To Impress!**

The College has continued to receive the expert tuition provided by La Trobe University student teachers Mr Lee, Mr Mitchell, Mr Cooke, Miss Hamley and Miss Walsh throughout the past week. We always thoroughly enjoy hosting student teachers and find that we learn just as much from them as they do from us. It is great for our students to be exposed to a range of educators of all ages and levels of experience in their various subject areas and I wish to express thanks to College staff who have so enthusiastically embraced our student teachers once again.

**Attitudes To School Surveys**
All classes from Years 4 to 12 have now completed their annual Student attitudes to School Survey (AtoSS) for another year. Students conducted themselves beautifully during this time and the level of respect shown for classmates who were completing the survey was terrific. I will be completing a handful of catch-up surveys today and tomorrow for students who were absent throughout the week, with the AtoSS closing tomorrow afternoon.
The College should receive the anonymous feedback from this survey towards the end of term and I look forward to going through the data provided so that we as a College can reflect on our teaching, programs and College in general.

**Year 10 Mock-Interviews**
Our Year 10 Humanities class have recently been working on resume’s and cover letters for ‘mock’ job opportunities and have begun the process of sitting mock interviews today. These will conclude tomorrow.
The process of mock interviews gives our students some amazing real-life experience in an interview setting and helps to prepare our students for their upcoming work experience, as well as possible future employment.
We are very thankful to Mary-Anne Sait and Sue Clay who are our interview panel today, and Doug Byrne and Ron Vinnecombe who are interview panel tomorrow.

**Holiday Works**
It is very likely that the College will be shut to all these holidays as there will be a great deal of works taking place on various days across the two weeks. Further inspections of our termite affected areas are scheduled to take place, with building works on the Home Economics room, Canteen and Year 12 room to start as soon as the termites have been effectively eradicated. Together with the Loddon Shire, we have an East Loddon Remembers project taking place near the entrance to the College, with initial preparations for this World War 1 feature to start during the break. The project will be finished in November and will have an official opening/unveiling prior to November 11th.
On top of the works already mentioned, the College also has an arborist attending to prune some trees, and some comprehensive works to be done on the schools septic system.
In short, the College is likely to be a hive of activity but unavailable for anything else during this time. This should have very minimal impact on members of the community, with the College opening again as per usual on day 1 of Term 3.

**The Big Lift**
Further to the works being carried out these holidays by private contractors, the College is excited to also be welcoming 40 students from Sydney University who will be assisting with minor projects on the morning of July 11th. This work will be discussed further at College Council on June 13th, but will see our friends from Sydney assisting in general cleaning duties and minor works in return for a night’s accommodation and an evening meal. We are currently finalising plans for this event and will forward further details in the next couple of newsletters.

**Loddon Shire – Assistance With Volunteering Feedback**
Loddon Shire Council is currently asking the community to provide feedback on volunteering, via a short online survey.
Although this survey is available in hard copy, Council would like to ensure that all community members have an opportunity to provide feedback by following the link at the bottom of this email, and completing the survey.
The council would be grateful if you could please complete the survey by 12 June 2018.
For more information on this survey or the Volunteer Strategy, please visit their website www.loddon.vic.gov.au, contact them on 54 94 1200 or email loddon@loddon.vic.gov.au

PORN CONSUMPTION AND ITS IMPACT ON RELATIONSHIPS

Below is the link to the YouTube video on Dr Rosie King discussing [porn consumption and its impact on relationships](https://www.youtube.com/watch?v=6XR4wf4fZv4). We would encourage all parents of young people to take the time to look at this informative clip, which goes for about 26 minutes.

GAMING ADDICTION: UNDERSTANDING EXCESSIVE GAMING, RISK FACTORS AND WARNING SIGNS

Another interesting clip that is worth looking at is with James Driver discussing the factors behind [gaming and particularly video gaming](https://www.youtube.com/watch?v=x6zomcw43k&t=26s) and the impacts that it has on school, social and connections for young people.

P-4 Update

Building Strong Foundations

Student of The Week

Prep—Penny for fantastic class reading, displaying expression and fluency.

Year 1—Jasper for improving his reading.

Year 2—Ethan for working hard on his spelling words and improving each week.

Year 3—Emily for working hard all week and improving her Maths and handwriting.

Year 4—Zach for working harder in class to achieve the success criteria.

You Can Do It! ORGANISATION

Prep—Jake for getting himself organised before school, sharpening pencils and organising his locker.

Year 1—Oliver for being well organised and ‘ready to learn’ each session.

Year 2—Abby for bringing the correct sports clothes each week.

Year 3—Reid for always being organised to learn.

Year 4—Emily for arriving at class ready to work.

Act of Kindness

A special thanks to Matilda, Paige, Lucas S., Deisel, Jasper and Penny for volunteering to keep the yard tidy. Your thoughtfulness is really appreciated. Our yard looks great thanks to you!

Assembly News

Our assembly theme, with help from the Berenstain Bears, was always being organised. Good organisation means we are always ‘ready to learn’, making effective use of learning time and ultimately, achieving goals.

Prep Sounds in Focus
The sounds being explored in Prep this week are the ‘Ff’ (Five fat fish) and the ‘Nn’ (Nanny has a net).

Prep Words To Fluency
The words to fluency are: we, on, in and of.

Years 3/4 Anglesea Camp
Mr Smith has prepared a camp notice which your child will have brought home this afternoon. The camp is scheduled for Monday 10th December through to the 12th. The notice includes a consent form and medical information requests, along with information about a payment plan (If that suits best), along with items your child needs to take. Please read the notice carefully and return the necessary paperwork ASAP.

Literacy Hints
When sounding through words, encourage your child to ‘chunk sounds together, for example elephant- ele-eleph(f)- elephant. Sometimes it may not be necessary to sound through a whole word, they should use semantic (meaning- Clues from knowledge of the topic) and syntactic clues (Clues from sentence structure) to inform predictions. An example would be- ‘We went to the zoo and we saw a large orange orangutan’. There were sufficient clues to support an informed prediction and a few letters further refined it. It is absolutely essential that when words are sounded, that the student rereads from the beginning of the sentence. This is important for two reasons:

Firstly they need to test and confirm the prediction (Did it make sense in the context of the text? Did it sound right in the sentence? and Did it look right?).

Secondly, they need to re-establish the flow of the language to ensure that comprehension is not compromised.

Sometimes it is important to remind young readers to check the endings so that they use the correct tense for verbs (for example- ed/ ing). You said, “……………………………………………….. .” Does that sound right? For some young children, the answer may be ‘yes’, indicating the need for a quick grammar lesson.

Year 2/3 Integrated Studies-Science
A few weeks ago Year 2/3 participated in their last investigation for the topic All mixed up (Chemical Sciences). They investigated, ‘What is black ink made of?’ They made some interesting predictions and conclusions. This week and last week the Year 2/3 class investigated what forces are used to move marbles and different size balls.

Year 9 & 10 Bike Camp report from a students’ perspective
On the 17th and 18th of May the Year 9/10 outdoor ED class went on bike camp from Mansfield to Tallarook riding along the great Victorian rail trail. All together some people rode 120km in 2 days. On the 17th we were required to be at school at 7:15 in the morning. Miss Byrne volunteered to drive a bus full of crazy kids and all their belongings scrambled across the floor. We briefly stopped at Axedale so that we could stretch our legs and then continued to Mansfield. We arrived at Mansfield at about 10:30am and then got the bikes off the trailer and started riding. On the first day we rode 63km and camped at Molesworth that night. Some of us who didn’t want to use our gas cookers were spoiled with a gourmet meal of STONE COLD spaghetti in a tin and 2 dry pieces of bread. The next morning we had a delicious meal of cold baked beans in a can with some more dry bread in the rain. This meal gave us carbohydrates for the day ahead. We rode about 62km on the 2nd day and finished in Tallarook at about 2:00pm. We then packed up the bikes onto the trailer and left for the school at 2:30pm. We arrived back at school at around 4:45pm. We would like to thank Miss Byrne and Mr Smith for putting up with all the whinging along the way. By Hugh and Blake

Leadership School Opportunity
The College is in the process of applying to have four Year 9 students take part in the School for Student Leadership in 2019. If we are accepted, students in the current Year 8 class will be invited to apply for the positions. Depending on when we are allocated to a school, this may involve students attending the Snowy River campus at Marlo or Alpine School at Dinner Plain.

Further information will be supplied to parents once we have had word from the Leadership School.

If parents have any questions, please contact me at the College.

KFC – Kids Friday Club - Term 2 2018

Tomorrow, June 1st, is our final KFC for this term!!! It’s gone too quickly!

All Prep – Yr 6 children are welcome. Meet in the Multipurpose Room straight after school – finishing at 5pm. Preps will be escorted from their room.

On Sunday June 3rd our Family Celebration Service for Term 2 (breakup) will be held at Raywood AOG Church in the Raywood Hall at 10am. See note below. We hope you can join us.

So…Kids – remember to bring a gold coin and some afternoon tea to share (eg pkt biscuits – no nuts please) and we’ll see you tomorrow!

Dates for next term are still being finalized. During Term 3, KFC will be running its annual fund raiser for charity. We usually do a ‘Loose Change Challenge’ (collect loose change) but this year we are supporting 2 Pairs Each. Josh Berry, a 12 year old boy, started 2 Pairs each when he was 9 in an endeavour to care for the homeless by supplying pairs of warm socks. His aim is to provide 50,000 pairs of socks and is on track with nearly 19,000 pairs already. So, KFC children can either collect Loose Change to buy socks or purchase the socks themselves and bring them to KFC during Term 3. More info next term.

Parents Association FRUIT & ORNAMENTAL TREE FUNDRAISER

Once again the College Parents Association are running the Fruit & Ornamental Tree Fundraiser, providing family, staff and members of the community with access to reasonably priced and excellent quality trees. You will find the listing of available trees and an order form attached to this newsletter and within the Skoolbag App and on the East Loddon P-12 Parents Association Facebook page. You can easily forward the listing and order form onto family and friends from within these applications.

When you have completed your order form, not forgetting to add $5 per tree – (this amount being the fundraising component for the school parents association) return to the school office or directly in the post or email to Jodie Demeo by Friday June 15th.

Trees will be available for collection from the East Loddon Community Centre around mid July – hopefully during the week of 16th – 20th July.

All trees with the exception of the listed container plants are bare rooted, so they will need to be planted in their forever home or in a temporary home soon after they are collected.

If you have any queries please contact Jodie Demeo on 0427 471327.
