From the Principal

End of Term – 2:30pm Finish
A reminder is extended to all regarding our slightly earlier finish this Friday. Buses will leave the College at 2:30pm due to the last day of Term. Parents and guardians are reminded that they will need to meet buses one hour earlier than usual, due to this earlier finish.

Student Teacher – Mr Ferguson
For the best part of the past 3 weeks, the College has been fortunate in having an extremely capable student teacher by the name of Mr Ferguson. After hearing many rave-reviews from staff and students, I took the opportunity to join Mr Ferguson in a Year 12 PE class yesterday and was really impressed with the way in which Mr Ferguson delivered the class. Whilst he is meant to finish up with our College tomorrow, Mr Ferguson is coming back for a day after the holidays to take a few more sessions with our fantastic classes!

New College Staff
I am excited to announce two new staffing appointments at our wonderful College, for the second semester of 2017. Mr Paul Rowland has been appointed to a position which will see him teach Senior School Mathematics to our Years 9 and 11 students, PE to our Year 7 and 8 students, and Digital Technologies to our Year 8 students. Mrs Laura Falls has also been appointed to the College in the role of Science Lab Technician, working with Science staff across the entire College. We are very excited to have both Paul and Laura join our team, and look forward to working with them in the second half of the year.

Dates for Your Diary

JUNE

30th End of Term 2
Early 2.30pm finish
Causal Dress Day
Come Dressed in your HOUSE
Colours Gold Coin Donation

JULY

17th Term 3 begins
19th VCE Biology Excursion
Parent’s Association Meeting 10am Community Centre
20th Loddon Mallee Cross Country
21st Spot Jobs Careers Expo Melbourne Yr 10/11
24th Charlton TIS Yr 12
Yr 12 Studio Art Excursion
28th AGTV Regional Poetry competition Yrs 4-9

Middle Years Signage
Heath from Wizartry Signs in Bendigo visited the College today to stick up the giant ‘Wordle’ that helps to describe life in the Middle Years. This was part of a project undertaken by Mr Kidman and supported by our Parent Association, which involved Middle Years students identifying what was great about their sub-school.

Lions Club Junior Public Speaking Competition
Thanks are once again extended to our fantastic East Loddon Lions Club for the work that they do with the College. Today, students from Years 3 – 6 took part in the annual Lions Junior Public Speaking Competition and as always, the quality of speeches was outstanding! Our students do such a tremendous job when representing the College and the level of confidence, poise and expression used in today’s speeches was a real credit to each and every student who presented.
Report Distribution Yesterday
All families should have received 1st Semester reports yesterday, with students taking these home at the end of the day. Please take the time to read through these reports with your child, discussing areas of concern and celebrating successes. We would love to hear of any report feedback at the College, particularly around the slight changes to Prep – Yr 10 reports. These changes were outlined in a letter that accompanied all student reports from Prep – Yr 10. I also encourage parents and guardians to follow-up on any points of interest with class teachers, as the relationship between the student, teacher and ‘home’ is an extremely important one when moving forwards in a positive manner with a child’s education.

North-West Victoria Principal’s Conference
On Monday and Tuesday of this week, I attended the North-West Victoria Regional Principal’s Conference in Melbourne, taking part in a series of thought-provoking discussions and presentations, and using the 2 days as an opportunity to network with other Principals from across the state. Much of the 2 days revolved around education systems from across the globe, with research based evidence providing a great amount of discussion around what contributes to a high performing school. It was also very pleasing to hear that some of the work our College is currently undertaking, has also proven to be very beneficial for other high-performing schools and their students.

Pineapple Chart Continues…
I have again thoroughly enjoyed the opportunities forwarded to myself and other staff by our peers, in opening up classrooms to share teaching ideas and lessons. Cyan N, a senior student of the College, took me through a history session recently and taught me many interesting facts about Rome. This was of particular interest, bring that I have previously visited the area, and the depth in which Cyan could articulate her understanding of the city’s history to me was very impressive! Archer K shared his engaging picture storybook with both myself and Miss Pilkington at the end of last week, and the expression, fluency and voice control/projection displayed by Archer, would rival any other reader of any age. A tremendous effort by another of our Year one students!

Trialling A New Way To Communicate Proposed Dates
The early feedback regarding our new calendar page at the end of the weekly newsletter has been extremely positive. If you were considering providing feedback on this new addition, but have not done so yet, please endeavour to do so asap.

Thanks Miss Cunning!
I would like to thank Miss Emily Cunning for the tremendous amount of work that she has put into assisting College staff throughout the past term. Miss Cunning stepped into the void when Mr Judd had his health scare and we have very, much appreciated the manner in which Emily has integrated into College life. All the very best for your future in education Miss Cunning!

***LAST CALL*** - Youth Mental Health First Aid Course – ***LAST CALL***
In 2016, the college was fortunate enough to be able to host a Youth Mental Health First Aid Course, which was well attended by the college community and spoken very highly of by participants. Once again this year the college will host a course, with Mr Greg Currie once again presenting. The course is planned for Thursday 27th and Friday 28th of July, and will be held from 9:00am - 12:00pm and 1:00pm – 4:00pm each day. The target audience for this course is parents, community leaders and sporting club leaders, as well as education staff.
Please make contact with the college office to express an interest. Names are required asap in order to ensure a placement in the course.
For further information on this course please take a look at the following link - https://mhfa.com.au/courses/public/types/youth

(Our wonderful Parent Association are catering for this event, meaning that a tremendous ‘feed’ will also be a certainty throughout the course!!!)

I hope that all of our students are able to enjoy a great holiday period!

Steven Leed
College Principal
SPORTING SCHOOLS AFL PROGRAM

The Sporting Schools AFL Program this term has been a huge success. For the past 5 weeks, about 20 younger primary students have participated in AFL activities and games each Thursday afterschool. The coach, Nathan Fitzpatrick, from Central Vic AFL Development, has been fantastic with the students, teaching them the basic skills of AFL and encouraging their enthusiasm to put their new found skills to practice in game situations. It was fabulous to see each of our students grow in skill and confidence during the program. Thankyou s go to Nathan, of course, for being “the best coach!” Also a huge thankyou to each of the parents for your support of the program in supervising the students on one or more of the Thursday nights, (Miranda S, Hannah T, Michelle B, Craig L, Lachie R, Ben L), we couldn’t have run the program without you. Also to parents, guardians, grandparents, thank you for coming out to collect students so promptly at the end of each session and allowing them the opportunity to participate. (Of course if I have omitted you from the list aforementioned, please accept my apologies and thanks.) Lastly an extra special thanks goes to each of the students that got involved in this AFL program. It was wonderful to see you all so attentive, active and enthusiastic about your football. You should be very proud of yourselves. Mrs Maxted

Bunnings BBQ

On Sunday the staff, students and their families held a barbeque at Epsom Bunnings to raise funds for the students and staff going to Turkey in April next year. Everyone looked great wearing their Turkey jumpers that were very kindly donated by Centavic Clothing. We also held a raffle at the barbeque, we had AFL tickets as a prize and we’d just like to congratulate, Brenda Con first prize; Aaron Demeo on second prize and Katie Magee on third prize. Zeke the dog thought it was Christmas when his owner came to purchase him a sausage. We lost count as to how many ‘Turkey’ jokes we received e.g. ‘Are you cooking turkey?’, ‘What are you exchanging the turkey for?’ the list goes on,… Thank you to Mr Leed and Miss Pilkington for spending the day at the barbeque and helping the families out with running it.

Aaron L (On behalf of all students and staff traveling to Turkey in 2018).
Library Notices

We are well on our way to completing another successful 2017 Premier’s Reading Challenge for Years Prep to 9. We know that reading plays a critical role in literacy development and future educational success, which is why the Premier’s Office has set the ambitious targets of Prep to Yr 2 students reading 30 books and Yrs 3-9 students reading 15 books by Friday 8th September. Our challenge is to achieve these targets and have our names added to the 2017 Premier’s Reading Challenge Honour Roll.

So far I have entered 1,262 books against the names of the 179 registered students and the Prep to Year 4 recording charts are looking very colourful.

This Year’s Premier’s Reading Challenge theme is ‘Where will reading take you?’ Students in P-4 are adding a sticker to their chart for each book they read. Please encourage students to continue reading during the term holidays and ask students to keep a list of the books they read at home. This list can be signed by parent/guardian and handed into the library and included on their record.

Library Overdue Books

According to our Library records your child has overdue book/books. As we lose a great many books every year from lost books, we would appreciate your assistance by returning the items as soon as possible.

Thank you for your assistance.
P-4 Update

Building Strong Foundations

STUDENT OF THE WEEK

Prep Logan for working hard on learning his sounds.

Year 1 Abby for the improvements she is making with her reading.

Year 2 Kiara for trying really hard in all areas of her learning.

Year 3 Keira for her fantastic effort all week, working hard and confidently and demonstrating good behaviours.

Year 4 Ebony for working hard on her writing.

You Can Do It! Organisation

Prep—Zali
Year 1—Teagan
Year 2—Zane
Year 3—Colin
Year 4—Macey

MUSIC AWARDS

Congratulations to Teagen, Sarah, Logan and Ella on receiving their recorder certificates.

Prep Letter in Focus

The ‘L,l’ (Lizards like lollipops) and the ‘J,j’ (jumping jellyfish) are our letters being reinforced this week.

Please take the opportunity to practise letter names and sounds with your child during the holidays so no learning is lost.

Prep Words To Fluency

The words we are focusing on this week are ‘went’ and ‘she’.
Respect - Resilience - Responsibility - Relationships

P-4 Excursion - Advance Notice
We are currently planning a P-4 excursion for Tuesday 15th August to attend the Rochester Farm and Road Safety Expo. There will be a charge of $10 per student to cover bus travel but entry to the event is free and participants will receive a bread and sausage lunch courtesy of the Rotary Club. An information sheet will go out at the beginning of Term 3.

Literacy Hint
This one comes from Mrs Lister. From time to time record your child reading a page or two on your mobile phone. It is good for young readers to hear themselves reading and discuss features such as pausing, fluency and expression (reader’s voice). Feedback is important for improvement. Remember to keep the reading going during the holidays to maintain the gains your child has maintained over the last six months. Attitude is everything so reinforce how important reading is sharing books every day. The time invested now will pay incredible dividends in the future.

Maths Hint
Last week, one of our multi-age learning activities was a card game. Use all the cards from ace (representing 1) to 9 and place them face up. Players take it in turns to create bonds to 10 (combinations of numbers that add up to 10). Preps can start by selecting two cards, for example 7+3 while more advanced players can use any combination of numbers. The winner is the player who ends up with the most cards.

Writing for a Purpose
Our Year 1 students have linked up with a Year 1/2 class at Epsom Primary. They have engaged in regular video linkups and have now started writing letters to their new penfriends. Hopefully, our two classes can spend the day together at the Rochester Farm and Road Safety Expo.

Peter Vernon
P-4 Co-ordinator

Deutsche Nachrichten
This week has been a very busy week in the German classes. Klasse 4 to Klasse 9 have been practicing their chosen poem to say at the Regional Final. They have been adding expression while saying the poem. They have also been coming at lunch time to practice their poem. Yesterday was selection day, no easy task for Frau Mac and myself. Klasse 4 participants are Mia M, Matilda G and Ava M. Klasse 5 participants are Isaac JMcC, Amy T and Charlene S. Klasse 6 participants are Bridget V, Josh D and Stephanie D. Klasse 7 participants are Brittany B, Lily G and Kayah A. Klasse 8 participants are Georgie W, Victoria B and Zoe L. From Klasse 9 we have Sophie H participating. Gut gemacht. In total there were 35 students who learnt the poem by heart and then tried out for a place to participate in the Regional Final. Only 3 from each year level could participate. Standing room only in the Deutschzimmer during lunchtime yesterday.

Annette Burgstett
German Co-ordinator

Year 2/3 Science
This week the class have continued working on tasks about adding heat and taking heat away from materials. They had to predict what would happen to various materials if heat was taken away. On Monday Piper L brought to class a book written by David Suzuki. In it was information about adding and taking heat away from everyday materials, like peanut paste and the ink in biros, which she read to the class. Well done, Piper.

Annette Burgstett
Integrated Studies
Middle Years Captains Report

This week we got our reports tomorrow and there is a casual clothes day and it would be great to see everyone wearing their house colours. We hope you all have a great holiday. Oscar and Zoe.

Bloomz – Year 6

Year 6 parents, please keep in contact with what your child has been up to in class by accessing Bloomz (www.bloomz.net). Thank you to all parents who have got involved. We will be seeking your feedback shortly as part of our evaluation of this program.

Year 5 Slime

Students have set about making slime in Science recently. To market their product they have been assessing its quality, creating packaging, an advertisement poster and an advertising campaign using iPad’s and iMovie. The finished products look amazing and I am sure if someone from a toy shop were to really get in touch with us for assistance, they’d be extremely impressed!

Year 8 Art

The Year 8’s added their paste ups to the street art space at the back of the art building on Friday. Their work has livened up the area, to match the new geometric wall which is almost complete! I look forward to some outdoor classes in a fun, vibrant space... when the weather warms up again of course. Well done Year 8! Mrs Heaslip

Year 8 English

Students are reminded they are expected to finish reading ‘The Boy in Striped Pyjamas’ over the holidays. This will also include writing chapter summaries. Parents can you please support your child in finishing this task by providing them with a quiet space to read. Mrs Lethlean

Year 5 Art – Vincent Van Gogh’s ‘The Starry Night’ class painting

With his paintings based on the seasons currently in Melbourne, Year 5 have been exploring the works of the Dutch painter Vincent Van Gogh and have been creating their own version of his famous work ‘The Starry Night’ (1889). Each student received a canvas board and a part of the original artwork to recreate. Each canvas has its own unique qualities and put together, they depict the landscape of the original. Students are really enjoying the challenge of layering the colours and capturing the vibrancy of Vincent’s work! Mr Aurisch

‘The Starry Night’ oil on canvas 1889
**Senior School News**

**Experience La Trobe**

Bendigo Campus Wednesday July 5th 9:30am-3:30pm

A free interactive and informative day about what uni life is all about.

To register check out the La Trobe University website and search for experience La Trobe.

---

**La Trobe University Guest Speaker**

Yesterday our Year 11 & 12 VCE students were given the opportunity to hear from two university students Tegan (a La Trobe University Ambassador) and Tom F (our lovely student teacher). Both students spoke about their personal experiences from secondary to tertiary education and also what strategies work best for them in terms of study habits. Students were also provided with La Trobe university brochures, Experience La Trobe brochures and Aspire brochures. If parents/guardians have any questions please ask your son/daughter.

**VTAC Parent Information Session:** coming soon in August. More details will be distributed at the start of Term 3.

**VET Taster Day at Charlton Trade Training Centre**

Some of our Year 9 students took the opportunity to attend the VET Taster Day at Charlton last Friday. I had the pleasure of transporting the students to the excursion. I a real highlight for myself was seeing the transition from lots of nerves as we arrived at 10am to plenty of enthusiasm and excitement as we departed in the afternoon.

Student feedback from the day was as follows;

This morning I felt nervous but by the end of the day I felt good. During the day I learnt how to do sign language (the students even taught each other on the way home, very impressive), how to wash my hands properly, to communicate with people with disabilities, or try and communicate with a disability.

Pictured are some of our students in action at the VET Taster Day.

---

**Thanks for your time** and support throughout this term.

**Sarah Byrne Senior Sub-School Leader**

**Year 10 English Holiday Homework**

Students are reminded that they will need to re-read ‘Night’ the final written text we will be completing for English. This is the second text for comparative analysis. This will provide an interesting compare and contrast of ideas, themes, issues and points of view with the film ‘The Book Thief’ which we have just begun studying. Parents, if you can please support your child by providing a quiet working space.

**Thanks**

**Mrs Lethlean**
Work Experience - Well done to all!

I would like to say a big congratulation and thank you to ALL of our wonderful Year 10 and 11 students who participated in Work Experience last week and a few students who have undertaken Work Experience this week.

You have all represented yourself and our College extremely well and it has been a delight to receive such positive feedback about your initiative, respect and willingness to work during your week away. I hope all students have found this a valuable and enjoyable experience.

I hope you enjoy looking over some of our photos from the week. Our employers logos are also shown, please support them if you get the chance as they have supported our students!

Thanks for everyone's assistance and support in the organisation of our 2017 Work Experience.

Miss Pilkington
Careers Co-Ordinator
East Loddon P-12 College would like to thank these businesses for their support of our students whilst undertaking Work Experience.

It wouldn’t be possible without you!
Thank you to our Bendigo and District employers!

RSA, RSG & FOOD HANDLERS CERTIFICATE

FOOD HANDLERS CERT
Tuesday 4th July 10am-3pm - $110

RSA - Responsible Serving of Alcohol
Tuesday 4th July 6pm-10pm - $110

FOOD SUPERVISORS
Thursday 6th July 9am-5pm
$150 (includes lunch)

Must have the Food Handlers Cert before this course.

RSG - Responsible Serving at Gaming Venues

Completed online $50

These certificates are a requirement for working in or wanting to work in the food & drink industry, such as cafes, restaurants, hotels, supermarkets. All community groups need people with these certificates to run stalls, street stalls selling food, serving drinks at community events.

You do not need to be over 18 for the RSA course.

Book on 54943489.

BECOME A BARISTA

EXTRAORDINAIRE

Sunday 27th August
8:30am – 5pm

A Full day of training
Cost $160 (includes transport)
Please book on 54943489 and pay $20 deposit at the Wedderburn Community House.
Parentline 13 22 89

Parentline is a confidential and anonymous state-wide telephone counselling, information and referral service for all Victorian parents and carers of children aged 0-18+ years. Qualified and experienced social workers and psychologists support parents and carers in developing parenting strategies and skills, and linking families into local resources and services. Parentline staff answer over 12,000 calls per year, and are committed to increasing Victorian families’ knowledge of and access to the service. In 2016, the main reasons parents and carers called Parentline included:

- mental health issues (for both children and parents/carers)
- family breakdown (including separation, divorce, co-parenting, and conflict between parents)
- parenting confidence, child behaviour and development issues, and issues around the relationship between children and parents/carers
- parental isolation, family violence, and life stage transitions

Non-English speaking callers are able to access the Translating and Interpreting Service, and hearing impaired callers can access Parentline through the National Relay Service. Parentline operates from 8am to 12 midnight seven days a week.

The Parentline telephone number is 13 22 89

Further information can be found on the Parentline website: www.parentline.vic.gov.au

YEAR 10, 11 & 12 IMMUNISATIONS

Just a gentle reminder that the Immunisation Cards for the Meningococcal W Vaccine that were recently distributed to all Year 10, 11 & 12 students must be returned. This includes both “consent” and “no consent”. There are still a few cards outstanding and I would appreciate it if those could be returned promptly.

If you have any queries please feel free to contact the Loddon Shire phone number as listed on the Information Card, the College Office or myself at school.

Cheers

Denise Leed, School Nurse

Casual Dress Day Last Friday of term

Which House will show the most house pride?

**Evans, Laird, Long, Shaw?**

Students are to come dressed in their house colours and we will judge the Best Dressed House on the central lawn at the beginning of lunchtime with everyone in the winning house receiving a small prize.

Gold coin donation required for participation which will go towards College projects later in the year.
Next P.A. Meeting

Wednesday 19th July 2017 @ 10 am
At the East Loddon Community Centre
(building beside entrance to school)
Everyone welcome – Cuppa & cake included!

Please note: we have a few extra PA Cookbooks for sale at $10 each.
This recipe, on page 65, is great for the lovely apples available now.
Please contact Leanne for any cookbook orders!

HAVE FUN OVER THE HOLIDAYS, EVERYONE!

Leanne Welsh  President  03 5436 6281 or 0447 689 309  welsh600@gmail.com
Kaeler Grigg  Secretary  0448 632 780  kaelergrigg@hotmail.com

**Lumberjack Cake**

2 large (400gm) apples, finely chopped (can add a couple of extra apples if you like!)
1 cup (200gm) chopped dates
1 tsp. bi-carb of soda
1 cup boiling water
125gm butter
1 tsp. vanilla extract
1 cup sugar
1 egg
1½ cups plain **flour**

Pre-heat oven to 180°C.
Grease deep 19cm square cake pan, line base with baking paper.
Combine apples, dates, soda and water in bowl.
Cover and stand until warm.
Beat butter, vanilla and sugar in small bowl with electric mixer until light and creamy.
Add egg and beat until combined.
Transfer mixture to large bowl.
Stir in sifted flour alternately with apple mixture.
Pour into prepared pan.
Bake in oven for 50 mins. then spread cake with topping.
Bake a further 30 mins., or until topping is golden brown.
Cool cake in pan.

**Topping**

60gm butter
½ cup brown sugar, firmly packed
½ cup milk
2/3 cup shredded coconut
(or desiccated coconut will also work!)

*This cake is moist and delicious.*
*Can also be used as a sweet with cream & ice-cream*

*Recipe can be made a week ahead.*
*Storage: Covered, in fridge.*
*Suitable to freeze.*
