Parent Opinion Survey – NOW OPEN UNTIL THIS SUNDAY!!!
Parent Opinion Surveys were to close last Sunday, however they have now been extended to the end of this coming Sunday. As of yesterday we have 30 completed surveys, with a target of 40 not too far out of reach. If you received an ‘invitation’ to participate in this year’s survey, we would very much appreciate it if you could endeavour to complete this before Sunday evening.
The survey should take 10-15 minutes to complete and can be completed on any internet enabled device (iPad, Desktop or Laptop, Smartphone).

Student Absence – SMS Alerts – Starting This Monday
If a student is absent on a particular day and we have not heard from a parent providing a reason for the absence, our office staff have currently been calling or sending a text message to parents seeking a reason for the absence. As of Monday, September 3rd we will begin sending only text messages to parents if their child is absent and contact with the school has not been made. Parents will have the option of either calling the school or following a link provided on the message to inform us of the reason for the absence. Despite this change, we still encourage parents to make contact with us in the morning if their child will not be attending school for the day.

Chaplaincy Committee – Community Meeting
The East Loddon Chaplaincy Committee met once again last week, with a small but dedicated group of college and community representatives discussing the future of the this committee. A meeting will be held at the college on Monday 18th October, starting at 12:45pm, to discuss the future of this committee at the college. If you are interested in finding out more of what this committee does and how chaplaincy within the college benefits our students, then you are encouraged to come along to this meeting.
At the upcoming college fete, further promotion of chaplaincy and the benefits for students will be on display.
Respectful Relationships
The college has been implementing respectful relationships in particular classes/subject areas within the college, and plans are being developed to further promote respectful relationships across the entire college from Prep to Year 12, as well as within the college community. Everyone in our community deserves to be respected, valued and treated equally. Respectful Relationships is about embedding a culture of respect and equality across our entire community, from our classrooms to staffrooms, sporting fields, fetes and social events. This approach leads to positive impacts on student’s academic outcomes, their mental health, classroom behaviour, and relationships between teachers and students. Stay tuned for further work in this area…

Get Your Kettle On! – Let’s Help Georgia Get To Spain!!
A ‘Go-fund-me’ page has been set-up for our champion kettle-bell lifter and year 9 East Loddon P-12 College student Georgia Welsh. Georgia is a current world champion and is aiming to travel to Spain in November to defend her title, after excelling in world championship event in Denmark (2016) and Italy (2017). Georgia’s family are the type that do a tremendous amount for others, being involved in many voluntary roles within the community. We would now love to be able to do something wonderful for them and assist in getting Georgia to her next world-level event. If you would like more information on this fundraiser, and/or would like to donate funds to this cause, please click on the following link - http://gf.me/u/kqpqrq

Big Picture Field Trip
I was once again fortunate enough to take students out into the community this week with a group of year 7 and 8 Big Picture students who had been studying the Melville Caves. We met with Parks Victoria Ranger Nick to discuss the history of the area as well as the flora and fauna that is found around the Kooyoora State Park. The students themselves led this unit of work and planned the actual excursion themselves. I look forward to the presentation of their findings in the coming weeks, when all students discuss their work with the entire year 7 and 8 classes.

Eaglehawk IGA Community Rewards Fundraising Program – Info At College Fete
Eaglehawk IGA run a community rewards fundraising program through their store which sees shoppers rewarded with points upon payment of their groceries. A proportion of these points can be donated to a local organisation of your choice, with the college looking at becoming one of the organisations that shoppers can support. Sandra of Fairleys Supa IGA will be in attendance at the upcoming fete so that college community members are able ask questions and sign-up for a community rewards key tag. In order for the college to benefit from these community points, we need to have at least 30 families sign up to the program.

I hope you have a great week!
Steven Leed
East Loddon P-12 College

Fete

Wednesday 19th September

10:00am till 2:00pm

Activities throughout the day include:

Eastloddibald Art Competition

The East Loddibald Prize
2018 PORTRAITURE COMPETITION

ENTRIES ARE OPEN TO ALL AGES OF EAST LODDON COMMUNITY MEMBERS

TO ENTER: Purchase a canvas board for $10 from the East Loddon P-12 College Office and paint/draw/sketch/collage a portrait of a person of your choice from our district (e.g. a footballer/netballer/grandma/farmer/teacher etc).

Entries will be displayed and voted for on Wednesday 19th September at the fete.
Assistant Principals News

So we’ve currently got 12 budding artists, or potentially accomplished artists, who are taking up the challenge of producing a portrait of a well known or lesser known East Loddon identity for our EastLoddibald Prize. This event will be judged at the fete. $10 will get you entry and a canvas board to create your masterpiece on.

Last week saw Pirate Day on Friday to celebrate book week. It was so good to see the year 12s and preps hamming it up at lunchtime during their pirate parade. I love East Loddon for that reason. There’s not many schools where pirates are encouraged to run havoc. Who’s the best school ever? We RRRRRRRRRRRRR.

A special event on the horizon other than the fete.

A group of our wonderful year 10 students; Ella, Sophie and Jasmine are running a big week of activities during Cancer Awareness Week. This is the second week back from holidays in term 4. Here’s the plan – On the Tuesday 16th October they are having an out of uniform day, where you are encouraged to wear Pink, they will also sell pink stuff to assist in the fundraising. On Thursday 18th they are getting the shavers out. A couple of staff Mr Leed, Mr Young, Mr Aurisch and I have agreed to shave our heads (or at least have them shaved) to help raise money for this worthy cause. Others will colour their hair and I think Mrs Cutting is going to straighten hers. Staff agree to this sort of thing for a number of different reasons. For example: My hair is falling out at a rapid rate anyway, so I feel like I’ll be time travelling in to the future. Mr Young and Mr Leed are both pretty tall and a lot closer to the sun, so with summer on the horizon they are probably looking to lower the temperature as much as possible. Mr Aurisch however has more hair than most. On our zoo excursion a gorilla looked at him and said, ‘you hairy’. It is a monster effort for him to shave his hair and beard. For this reason he has set a reserve of $2000 to have the clean up. Righto, so here’s what you all have to do. Help the girls raise $2000 so that they can shave Mr Aurisch’s hair and beard. It may cost that much in shaving foam. All funds raised will be forwarded to Bendigo Health Cancer Ward. Unfortunately, we are all affected by this disease in some way or another and this has been highlighted this year for all of us at East Loddon with the diagnosis of Mrs Heaslip. We all wonder ‘what can we do to help?’ when news like this rocks us, well here’s something the girls have come up with that we can all contribute to. Hats off to the three of you. Donations large and small, will be accepted at the office.

Yesterday Joanna Kline a German pre service teacher visited the school. She is currently in Bendigo for three months working at Bendigo Sth East SC. She visited us to see how German Language classes operate in a smaller rural setting. This gave us a great opportunity to have Ella, Jess and Chelsea (our VCE German students) practice their have conversational German with a native German speaker. I listened in for some time to their conversations. I didn’t understand much of what they were talking about, but I think they were saying ’Mr Wilko is an awesome teacher and a wonderful fellow, a true gentleman’. Maybe it was lost in translation.
We currently have 2 new faces in the College Bruce Sen and Sam Walker. These fellows are Pre service teachers from Latrobe Uni. They will be with us until the end of term and you will get a chance to meet them both at the fete. Mr Sen is studying to teach English and Health and Mr Walker is studying to teach Art and Student wellbeing. Welcome to East Loddon guys.
**Student of The Week**

**STUDENT OF THE WEEK**

**Prep-Jimmy** - For working hard in all areas.

**Year 1-Travis** - For trying very hard with his reading and written work.

**Year 2-Ethan** - For great enthusiasm for the Pirate topic. A fantastic Pirate ship drawing.

**Year 3-Emily** - For trying hard when working with money.

**Year 4-Oliver** - For showing enthusiasm for his work.

**You Can Do It!**

**You Can Do It! Awards**  **PERSISTENCE (Working Tough)**

**Prep-Ruby** - Trying very hard to improve her reading.

**Year 1-Lucas S.** - For improving his spelling through effort.

**Year 2-Noah** - For reading words with speed to Mr Aurisch.

**Year 3-Kiara** - For never giving up and always doing her best.

**Year 4-Joseph** - For trying to do things even with an injury.

**Assembly News**

Keira performed beautifully on the piano, entertaining the audience with her music skills. Thanks for performing for us, Keira.

Prep Letters in Focus
The sounds this week are ‘Ww’ as in Water on the web, and ‘Zz’ as in Zebra in the zoo.

Prep Words To Fluency
This week we have been looking at an Information Text- Owls. Key new words from this text were: raptors, predators and talons. Improving student vocabulary greatly improves performance in ‘listening and speaking.

School Nurse Visit
Permission forms have been sent home to parents of our Prep students. The information provided by the nurse in relation to hearing and vision has been very valuable in the past and we hope that you will give your consent. There is a saying ‘You don’t know what you don’t know’ and this is particularly true in this case. Unless children have experienced perfect vision and hearing, they may not be aware that what they see and hear may not be as good as what it should/ could be. Please return forms by 14th September if you want to take advantage of this free service provided by the Department.

Book Week Thanks
A special thanks for making our Book Week theme successful by providing great pirate costumes. Our students looked incredible and had lots of fun in costume.

College Fete
Please remember that the success of the fete is dependent on everyone contributing to the day. If you haven’t yet done so, please sit down as a family and brainstorm some ideas. Every little bit helps.

Loddon Shire ‘Australia Day’ Literature Competition
Our students will be working on their written pieces during class but we need Parent/ Guardian permission for students to participate and have their work on display. Please complete the Competition Consent form and return it to school as early as possible. Competition winners will be announced prior to the end of the school year with the winners receiving their certificates and prize at a local Australia Day ceremony.

COLLEGE FETE—WEDNESDAY 19th SEPTEMBER Starting at 10am until 2pm
**Respect - Resilience - Responsibility - Relationships**

Middle Years Parents, please join Bloomz to get regular updates from your child’s classroom.

![Bloomz Logo](image)

**Bloomz Snapshot**

- Fynn & Joseph practicing 24-hour time.
- Levi’s delicious biscuits from Yr 8 Food.
- Brodie & Mason calculating discount percentages.
- Sam H in character for Yr 7 Performing Arts—Hansel and Gretel.

**Middle Years Captains Report**

On Monday the Year 5s and 6s listened to a band called “Music Viva” that came to the school, thank you to Miss Harrington for organising that. Next Thursday the Year 7s and 8s will participate in a headspace social media event, learning about the positive and negative sides of having social media. Well done to those students who will receive English Writing academic competition awards on Friday. Good luck to everyone playing finals on the weekend.

Alicia and Levi

**Book recommendation**

Jackson S in Year 8 recommends “Life After Theft” by Aprilynne Pike.

“This book is about a young man named Jeff who heads to Santa Monica to find a ghost girl. This ghost girl is named Kimberlee and can only be seen by Jeff. Surprisingly, the girl turns out to be a kleptomaniac, so Jeff attempts to give back what she has stolen from their school. I am really enjoying this book and recommend anyone from Year 8 to 10 who likes romance/drama/comedy books would enjoy this too!.”

**Responsible Social Media Use—Year 7/8**

In our modern age people of all ages are exposed to the sometimes extremely negative world of social media at some point in their life.

On Thursday, 6th September our Year 7 and 8 classes will participate in a “Responsible Social Media Use” workshop run by Headspace. This event is aimed at providing ideas and strategies to students who use social media on how to maintain positive relationships with friends when it’s so easy to post things you wouldn’t say to someone in person.

Please contact Andrew Cameron for more information.

**COLLEGE FETE—WEDNESDAY 19th SEPTEMBER** Starting at 10am until 2pm
Respect - Resilience - Responsibility - Relationships

Australian Defence Force Careers visit

On Monday our Y9-12 students had the pleasure of finding out about various careers in the Australian Defence Force. Sargent Bill Matthews spoke to the students about his 16 years experience in the Army and Air Defence. Harlan Marks Warrant Officer then shared information and stories about his 26 years in the Army relating to his role as a Fitter and Turner.

The presenters were lovely and gave some snap shots of the various experiences they have had with travel, combat and army life. The main three entry points the presenters spoke about were; ADF Gap Year, direct entry through the University of NSW and the defence university scholarship program. They provided plenty of brochures and information which was distributed to students. If parents would like any of this please let me know.

La Trobe University visit

On Monday during our lunch break our Year 12 students had the pleasure of two guest speakers from La Trobe University. Belinda spoke to the students about the 2019 Vice-Chancellor’s Access Scholarship. This is specifically for students applying for La Trobe next year who have also experienced some sort of disadvantage. Please see me asap if you would like to nominate for this scholarship.

Year 10 Empowerme excursion: cancelled

We will look into potential opportunities to attend this in 2019.

Jack S out and about with VCE Business Management

Jack was able to attend an excursion with other VCE Business Management students from our cluster. He attended various places in Bendigo such as, the University and the Art Gallery.

COLLEGE FETE—WEDNESDAY 19th SEPTEMBER Starting at 10am until 2pm
Come and join the Bec Bulley Netball Academy on Monday 3rd September at Calivil United Football Netball Club!

5.15pm-6.15pm: 12 -15 years

LOCATION
Calivil United Football Netball Club

COST
$30 per participant  Places are limited to 25 per session.

BOOKING DETAILS
To make a booking please call or message Bec Cullen p 0400 909 751 by Saturday 1 September.

CONTACT DETAILS Bec Cullen  m: 0400 909 751  e: cullendr@bigpond.com
HEALTHY BONES WEEK – MILKSHAKES ON TUESDAY

The Wellbeing Team representatives Wendy Twigg and Denise Leed were delighted to see the enthusiasm of students enjoying the milkshakes. Research reveals that many young people do not meet their recommended daily calcium intake, that calcium plays an important role in building strong bones and emphasised how easy it is to get the calcium that they need by enjoying foods from the dairy group every day.

The Recommended Dietary Intake (RDI) for calcium is between 500 and 1300 milligrams per day, depending on your age and whether you are a boy or a girl. To reach their RDI of calcium, most children need to eat or drink three serves of dairy every day.

One serve of dairy is equal to one small piece, or two slices, of cheese (40g), or one tub of yogurt (200g), or one glass of milk (250ml).

Many thanks for the assistance of our fantastic staff as well as Leanne Welsh and Linden Barry and the East Loddon Community House for their support in making and serving the milkshakes.

More information regarding the fun activities that we have learnt about in Healthy Bones Week can be found on www.dairy.edu.au/discoverdairy or score your bone health online by going to www.healthybonesaustralia.org.au and follow the links. While there, learn about why bone health is crucial and how you can improve yours.
Thanks to the Government’s Sporting Schools Program funding for Term 3, we are able to offer students the opportunity to participate in IAAF Athletics sessions after school. The first 4 sessions are scheduled for the end of this term, (dates above), with 2 more sessions to follow at the start of Term 4. This will be an excellent lead up to our Athletics Sports Day which is held in Week 3 of Term 4. The program for Primary students aged 6-12 will start on the 27th of August. Please read the details below (extract from Sporting Schools website) to see whether the program is appropriate to your child/children’s age & development.

IAAF Kids’ Athletics is a highly engaging program to help students develop skills and confidence around athletics. As a foundation sport, it will assist children develop the fundamental skills of running, jumping and throwing that are transferable across all sports. Athletics Australia’s programs are an introduction to team-based competition, in an age appropriate format focused on fun games and keeping kids moving. It aims build skills and a generation of active, healthy, sport loving children. Note - This is not a competitive performance based program.

Our coach, Garnet Rodda, will be taking sessions from 3.30-4.30pm. Students must be collected from school promptly at 4.30pm. Please ensure your child has change of sport clothes and appropriate footwear. It would also be a good idea to include a small snack for afternoon tea. In the event of rain, the program will still operate with activities most likely to be held in the gymnasium. The support of parent helpers is necessary for the program to run. We will need to have at least one parent each session to assist in a supervisory role, although of course you are welcome to join in too if you like.

I am keen to hear from people who are willing to assist with supervision for 1 out of the 6 weeks by indicating availability on the form below. By all means organise to do it on the same night as a friend and make it a time to catch up while you watch the kids.

Please note there is a limited number of positions available, so register early to avoid missing out by completing the form below. This will serve as a permission form, emergency contact note and remove your child form the bus roll on a Monday night for the dates that the program runs. IAAF KIDS ATHLETICS - WEDS AFTERSCHOOL

I give permission for my child/children to attend the IAAF Kids Athletics after-school program. I understand that the program will start at 3.30pm and that I will need to collect them from school at the conclusion of the session, 4.30pm. The program is for 6 week in total; 4 weeks this term & 2 weeks at the start of Term 4.

Student/s name & Year level/s: ____________________________________________

*Parent Helper Dates: I am able to assist with supervision on Aug 27th / Sep 3rd / Sep 10th or Sep 20th

Emergency contact details: (Name) _______________________________________

KFC – Kids Friday Club Term 3

KFC for Term 3 got off to a great start last Friday and continues on August 31st, September 7th and 14th with our Annual Bush Olympics at Bears Lagoon on Sunday August 16th. (More info next week)

All Prep to Year 6 students are welcome to come along to KFC. For registration forms/KFC newsletters or enquiries please contact one of the leaders listed below.

Please fill in the bus and sign out note below (also in KFC Newsletter) and return to the office.

During Term 3, KFC will be running its annual fund raiser for charity. We usually do a ‘Loose Change Challenge’ (collect loose change) but this year we are supporting 2 Pairs Each. Josh Berry, a 12 year old boy, started 2 Pairs each when he was 9 in an endeavour to care for the homeless by supplying pairs of warm socks. His aim is to provide 50,000 pairs of socks and is on track with nearly 19,000 pairs already. So, KFC children can either collect Loose Change to buy socks or purchase the socks themselves and bring them to KFC during Term 3.

Contacts for enquiries - Robyn Falls 0429368242, Leanne Welsh 0447689309, Judy Mountjoy 0488379222, Wendy Twigg 0427807124, Anne Baker 0429368453

Bus & sign out note for KFC Term 3 2018

My child/children......................................................................................................will be attending KFC on Friday August 31st, Sept 7th and 14th. Can you please take his/her/their name(s) off the bus roll. I will arrange private transport for him/her/them to be taken home at 5.00pm following KFC.
