From the Principal

Naplan Tests Arriving Home Today
Students in years 3, 5, 7 and 9 who participated in Naplan testing in May of this year should arrive home tonight with their Naplan test results. Please take the time to look over your child’s test results and speak to your child’s teacher should you have any queries or questions.

Student Absence – SMS Alerts – Started On Monday And Continues...
SMS alerts to parents for student absences started on Monday. These are sent at the middle of each day when a student is marked by their teachers as being ‘not present’. As Jenny has been absent this week, emails regarding absence have not been processed. Please send emails regarding the absence of your child to east.loddon.p12@edumail.vic.gov.au. This way all office staff are able to process absences communicated via email.

Parent Opinion Survey – EXTENDED ONCE AGAIN!!!
The Parent Opinion Survey deadline has once again been extended to midnight this coming Sunday (9/9). If you received an ‘invitation’ to participate in this year’s survey, we would very much appreciate it if you could endeavour to complete this before Sunday evening. The survey should take 10-15 minutes to complete and can be completed on any internet enabled device (iPad, Desktop or Laptop, Smartphone).

Let’s Get Our Food ‘Nude’ Next Wednesday!
Next Wednesday will be the college’s first whole-school nude food day. Take a look at the further information contained within this newsletter to get a better understanding of this initiative.
In regards to this initiative, it is so impressive to see that this event has been driven by our year 3 students. Students initially invited me into their classroom where they read me their persuasive piece of writing on the benefits of nude food. They then presented their idea and a proposal for a college-wide nude food day at a recent Management Advisory Committee meeting, as well as presenting to the entire school at Friday’s P-12 assembly. It is terrific to see such an investment from these young students and I sincerely hope that the entire college gets behind this event!

**Goalposts Erected! Well Done ADVANCE Crew!**

I had the pleasure of watching a fantastic team of year 10 boys hard at work on a couple of hours the posts set in concrete a few games of football. Special thanks are extended to Mr Neil Lister who volunteered his time to come into the college and dig holes! Efforts like this are very much appreciated!

**Paste-Up Artworks**

Our talented year 6 students have been working on some creative ‘paste-up’ artworks which have started to appear around the college. These artworks look terrific and many of them are integrated into/onto existing college features.

**Get Your Kettle On! – Let’s Help Georgia Get To Spain!!!**

A ‘Go-fund-me’ page has been set-up for our champion kettle-bell lifter and year 9 East Loddon P-12 College student Georgia Welsh. Georgia is a current world champion and is aiming to travel to Spain in November to defend her title, after excelling in world championship event in Denmark (2016) and Italy (2017). Georgia’s family are the type that do a tremendous amount for others, being involved in many voluntary roles within the community. We would now love to be able to do something wonderful for them and assist in getting Georgia to her next world-level event. If you would like more information on this fundraiser, and/or would like to donate funds to this cause, please click on the following link - [http://gf.me/u/kqprqr](http://gf.me/u/kqprqr)

Eaglehawk IGA Community Rewards Fundraising Program – Info At College Fete
Eaglehawk IGA run a community rewards fundraising program through their store which sees shoppers rewarded with points upon payment of their groceries. A proportion of these points can be donated to a local organisation of your choice, with the college looking at becoming one of the organisations that shoppers can support. Sandra of Fairleys Supa IGA will be in attendance at the upcoming fete so that college community members are able ask questions and sign-up for a community rewards key tag. In order for the college to benefit from these community points, we need to have at least 30 families sign up to the program.

C’MON THE MIGHTY HAWKS!!!

College Principal

RED BIRD ROOM
ANNA GARLICK: MENTAL HEALTH SOCIAL WORKER
EAST LODDON P-12 COLLEGE, DINGEE.
3571

My name is Anna Garlick I am a mental health accredited social worker. I am offering private social work counselling to the school community of East Loddon College, where I will be working from the school 1 day a fortnight. I have 10 years’ experience in working with children from 3-18 yrs old and their families. In this time I have worked in school settings in the Bendigo region as well as having private practice in Boort and in Bendigo.

I utilise a variety of Evidence based techniques to assist children and adolescents in working through their difficulties in a relaxed and inviting environment.

I am experienced in treating and managing a range of presenting problems such as but not limited to:
Emotional issues such as anxiety and depression
Anger and behavioural disorders
Trauma and stress related issues
Self-esteem and social difficulties in children and adolescents

You can talk to the school for further information or contact me directly by Ph: 0413018086 or email me at redbirdroom@gmail.com

Fees are $95 per hour, with a mental health plan you will receive $74.40 Medicare rebate, so you will be out of pocket $20.60

SINCERELY
ANNA GARLICK
MENTAL HEALTH SOCIAL WORKER

Assistant Principals News

Subject selection sheets have been distributed to most year 10 and 11 students, so that we can get an accurate picture of what subjects will be staffed next year at the senior end of the college. This is always a tricky task as we need to balance the needs of the students with the capacity of staffing and the finances of the College. Please rest assured that our offerings of VCE subjects are broad and have always allowed students to achieve their senior school goals, be it entry to particular uni courses, apprenticeships or full time employment. Please continue to discuss subject selections carefully with your children and feel free to contact Miss Byrne or myself if you wish to meet to discuss anything relating to this.

I wish I’d taken a photo of this for the news (and I might have to next week) because it’s hard to describe the fun that some of our kids are currently having at lunch and recess in the sand pit. They have launched into good old fashioned play. They are digging tunnels, they have old bits of pvc pipe, they have the hose on and are making dams. It is just awesome to watch. Yesterday a carrot was being used as a boat! If you are reading and thinking ‘what is he on?’ you need to drop in to school to see it in action. Apologies to all parents who have kids coming home with muddy knees. That must be occurring somewhere else.

Apologies to parents of the Calivil bus who were left waiting at the stop as the bus had been held up Tuesday night. A replacement bus was sent to relieve the usual one which was having mechanical issues. Please don’t blame the bus company, they rang me and informed me of the change. The bus was apparently about ten minutes behind schedule, so I made a call not to make a call to all parents to inform them of this delay. Once again, apologies for any distress this may have called. If at any time parents are worried about bus issues or arrival times, please contact me at the school.

Check her out! Isn’t she beautiful! I call her the Queen. A fine example. Not Miss Pilko, you animals, I’m talking about my rocker cover racer. There are currently three on display in the office, ready to take on all comers in the Fete rocker cover race. Please, please, please, if you have one already made at home, bring it in to display. If you have one in the making, get a wriggle on. Entry is $5. The winner receives adulation of fans worldwide. Well errr adulation amongst East Loddon people.

There are just a few canvas boards left for the East Loddibald prize. These can be completed by anyone in the district, painting anyone in the district. Purchase these from the office $10 and get the textas out.

Until next week Go Blues, um Go Golden Square, um err don’t bother, I give up

Mr Wilkinson
East Loddon P-12 College
Fete
Wednesday 19th September
10:00am till 2:00pm
Activities throughout the day include:
Eastloddibald Art Competition
The Sponge Kiss Bake-off
Hungry Hippo
Loonie Tunes
Jumping Castle
Zorb Balls
Sumo Wrestling
Tarot Card Readings
Rocker Cover Racing
Coffee Shop
Various food stalls
Various activities
Something for all ages
All money raised will go towards the
P-4 Heating and Cooling Upgrade.

P-4 Update

Building Strong Foundations

Student of The Week

Prep-Shania- For working hard in all areas and asking for help when she needed it.
Year 1-Jasper- For trying hard with a text.
Year 2-Haylie- For showing how to be a good friend in the classroom.
Year 3-Logan- For terrific spelling results, and a wonderful attitude.
Year 4-Zach- For working hard all week.

You Can Do It!

You Can Do It! Awards   PERSISTENCE (Working Tough)
Prep-Penny- For developing a consistent reader’s voice- not too fast, not too slow.
Year 1-Lucy- For working on and improving her spelling. Well done!
   Tom- For working on fluency with good results.
Year 2-Angus- For never giving up when he is faced with challenges.
Year 3-Jayde- For persisting with her handwriting and producing a wonderful ‘Recount’.
Year 4-Jorja- For not giving up even when work is challenging.

Assembly News

Our Year 3 students took the opportunity to promote the “nude food’ as a responsible environmental project. Well done, Year 3s.

COLLEGE FETE—WEDNESDAY 19th SEPTEMBER Starting at 10am until 2pm
Respect - Resilience - Responsibility - Relationships

Prep Sound in Focus

This week our Preps are learning the ‘k’ sound which is made with k, c, ck and q. Ducks dive down. Generally we see the ‘ck’ used when it follows a short vowel sound ‘a, e, i, o and u’ as in deck, sick, sock and duck. Preps are also learning about the ‘ng’ as in ‘Ring on the finger’.

Prep Words To Fluency

The words in focus this week are: they, for and all

Literacy Hints

When teaching reading we focus on a number of interdependent skills, all of which are extremely important. To help us remember each component we refer to the acronym ‘FACES’.

F- fluency: Students need to read phrases rather than word by word and develop ‘return sweep’ (not stopping at the end of a line but scanning the next line so that the sentence isn’t broken.

A- accuracy: Students should be reading at 90% plus accuracy

C- comprehension: Students should be able to answer literal questions, and make inferences and connections.

E- expression: Students need to work towards developing a ‘reader’s voice.

S- stamina: Students need to be able to focus on the text and read increasingly longer texts.

When listening to your child read, please consider using the FACES acronym to prompt the feedback you provide.

Peter Vernon
On behalf of the P-4 Teaching and Learning Team

FETE REMINDER

It’s ‘countdown’ to the College Fair. Any help your family can provide with any of the following items would be greatly appreciated:

- Crafts
- Plants and garden items
- Cakes, preserves etc. (Please label ingredients, even if only on a card which we can display).
- Other saleable items (You can be creative here)

Please price the items and send them along to school.

We will all be indebted to you for your thoughtful support.

CONGRATULATIONS!

A special congratulations goes to Marley (Y5) and Keira (Y4) on receiving Distinctions in the University of New South Wales writing competition. Both girls were presented with their certificates at the last P-12 assembly. Thanks to Mr Cameron for organising these opportunities for stu-

Nude Food Day Wednesday the 12th of September

Our Grade 3 students want to make a difference in our wonderful school and in our world, so East Loddon P/12 College is participating in a **Nude Food Day** to encourage healthy food choices that are less processed and packaged. Our Nude Food Day will be held on **Wednesday the 12th of September**. On this day we encourage you to send in healthy food for your children with as little processing and packaging as you can.

**What is Nude Food?**

**Nude Food** is food without excess packaging. This reduces the amount of ‘stuff’ that needs to go in bins to be sent to landfill. Durable, reusable containers are a great way to bring food, as they may last from pre-school through to high school and beyond, providing long term cost savings and environmental benefits.

Choosing whole fresh food with little processing and packaging is good for the environment and is also the best choice for our health.

We hope this **Nude Food Day** encourages a sustained healthy and environmentally friendly change to our school lunches and for the future.

We appreciate your support and involvement on this day. If you have any questions or require any further information please contact Mr Leed or Mr Smith.

**Go Nude!**

Bloomz Snapshot

Maths Pathway awards for Jye, Keira and Makayla

Year 5 — Exploring earthquakes and the Richter Scale.

Ciaran practicing his tennis skills with the rest of the Year 8 PE class.

Isaac’s cheesy pocket bread in Year 6 Food.

Middle Years Captains Report

This week we were delighted to come across some ideas for the ideas box. Some of these were having fruit in all middle years classes and having a locker clean-up. Also this week we had the Year 7’s start food scraps for chooks, initiated by Tahlia B. Finally this week, period 6 today the year 7’s and 8’s have participated in a social media workshop! Have a good weekend.

Alicia and Levi

Book recommendation

Isaac Johnstone Mc Cloud recommends “Rangers Apprentice — The Ruins of Gorlan” by John Flanagan

“This book is about a boy called Will who has been in the ward at the castle after his Mum and Dad have died. Halt the Ranger teaches him everything that he needs to know to be a ranger. They have to fight in a war which they win. When they go back to the castle they are classed as champions. I’d recommend this book for Yr 6 -8 student”

Middle Years Camps

Year 5/6 Ballarat Camp — $50 deposit and form was due to the school office on Wednesday 5th. Please contact the office asap if you haven’t booked.

Year 8 Melbourne Camp — $50 deposit and forms due on Friday 7th September.

COLLEGE FETE — WEDNESDAY 19th SEPTEMBER Starting at 10am until 2pm

**Senior School Newsletter – Thursday 6\(^{th}\) September**

**Jack S VCE Business Management Excursion**

On Monday Jack S had the opportunity to travel to Wedderburn to participate in his VCE Business Management group work presentation. He would really like to thank Mrs Cail for kindly volunteering her time to transport Jack to and from the excursion. Thanks Mrs Cail!

**Kwong Lee Dow Scholarship: Year 10 students**

KWD is run through the University of Melb. It is aimed at helping students to prepare for uni life, and in particular uni life at Uni of Melb. There are bonuses on offer if you are involved in the program that relate to a lowered atar entrance score in 2021. It would involve some travel to Melb but also involves a range of online support and resource services.

The degrees they are specifically encouraging students to consider are; **Arts, Biomedicine, Commerce, Design or Science.** More info at unimelb.edu.au/kld. If this interests you please let me know.

**Road Safety within the Senior School coming soon...**

On Friday 21\(^{st}\) of September the Senior School students from Y10-12 will participate in our Road Safety Awareness day. The agenda is as follows;

**Year 12 Looking After Your Mates during our lunch time:** An education session, delivered by trained presenters, about responsible consumption of alcohol and strategies to avoid drink driving. An initiative of RoadSafe, Looking After Our Mates is supported by Victoria Police, TAC, Australian Drug Foundation, Good Sports and VicRoads.

**Year 11 Fit 2 Drive 9am – period 4:** The co-ordinated program consists of a Police Presentation of factual information focussing on speed, drugs, alcohol and fatigue. The activities may also involve people who have been involved in emergency services, where they will discuss real life case studies where the young people make decisions about how to avoid dangerous outcomes. The program consists of practical activities relating to choices, situations and risks surrounding young drivers, but also some facts about road traffic accidents and fatalities and DVDs showing TAC commercials and footage of the consequences of things like speeding or drink driving. The students’ examine their own levels of risk taking, values, decision making and what they can do to help reduce road crashes.

**Year 10 Keys Please period 3 and into period 4:** The information session runs with presenters from VicRoads and there are plenty of opportunities to ask questions and get the right information.

**Who’s it for?**
- Soon to become learner drivers
- Learner drivers
- Parents and anyone that help Learners get at least 120 hours of driving practice.

**Why attend?** It’s important for learners to get the right driving experience at the right time. But how do you know what or when that is?

**At Keys Please you’ll find out about:**
- Why young drivers are at risk and why driving experience is so important.
- How to plan your driving practice so it matches developing driving skills.
- Tips on how to work together and manage any stress that could get in the way.
- The importance of developing a positive partnership b/w learners and their parents. The importance of learning to drive in stages. eg quiet roads to more difficult drives in all sorts of road, weather and traffic conditions.

If any parents or guardians would like to participate in these road safety events please let me know as soon as possible.

Thanks
On Friday the 31st of August Jasmine Lawry, Courtney Ramskill, Jasmine Condliffe and Miss Pilkington travelled down by train to the Melbourne University to attend a Biomedical Science Day, where we looked at different parts of animals under a high tech microscope. We next experienced the anatomy and pathology museum where we were able to hold different parts of real human bodies eg. Lungs and heart. These parts have had all liquids sucked out and been replaced with a liquid that stops them from aging. All these bodies had been donated to the museum as part of the student’s studies, then we lastly played around with VR (virtual reality) where we walked the plank. We would like to thank Miss Pilkington for organising and taking us down to Melbourne. We would like to thank the Melbourne University for inviting us to come and Miss Pilkington for taking us down to Melbourne so early.
In June, ABC News reporters, Sophie Scott and Rebecca Armitage, wrote an article on "Are headphones damaging young people's hearing?"

There are more and more people wearing headphones or ear buds of some sort, all day and every day, with a major concern with children using them for prolonged periods.

"Experts fear our constant exposure to audio played straight into our ears could be creating a prematurely deaf generation of Australians... One in Six Australians will experience some degree of hearing loss... And expensive headphones don't necessarily protect your hearing better than cheaper ones... That's expected to rise to One in Four by 2050, thanks to an ageing population and our regular exposure to dangerously loud noises... We are very concerned. Most people who are working or travelling are now wearing ear buds, but they don't necessarily know the sound levels they're exposing themselves to," Professor David McAlpine, Director of Research at the Australian Hearing Hub, said.

"The World Health Organisation estimates more than 1 billion young people are in danger of hearing loss from portable audio devices, including smartphones. But it's not just teenagers who are at risk... Anyone who uses headphones for more than 90 minutes each day could be jeopardising their hearing."

"When hearing damage starts, then you're really on an irreversible journey. If you don't protect your hearing, you're going to damage it for life," Professor McAlpine said.

"A good rule of thumb is that if others can hear the sounds coming out of headphones while you are wearing them, they are too loud."

"It doesn't matter whether it's death metal or classical music — what's important is the volume and duration of your listening session... We have to take some personal responsibility." (to protect our hearing) Professor McAlpine said.
The greatest gift we can give someone is to listen to them. Not a, mmm, mmm, mmm, as you tick of in your head, what has to happen for the day, type of listening, but a listening with your eyes, ears and heart. (James 1:3)

Hi, my name is Sue and the ministry the Lord has given me is; a heart for the extension of His kingdom. I am a Pioneer Priest in the Anglican Diocese of Bendigo. For me, being a Pioneer Minister is a missionary ministry within our own Australian context, bringing God to the people, keeping the rumour of God alive within the community that I live. Pioneer Ministry is a ministry of servant hood both to God and to the community; it is being an ambassador for Christ, reflecting Jesus in all you do and say, being a bridge between two worlds, the secular and the sacred, the church and community, explaining one to the other.

Take a moment to think, in our communities what is the only institution in society through which every person passes? a school.

Regardless of social background, interests, beliefs, race, colour, age we have all experienced school at one time or another. Everyone passes through this complex environment that has so much influence on every young person’s value system and view of the world. Throughout our school years we accumulate information, behaviours and skill that stay with us for life. Some are learnt at home and in classrooms, but many are developed through our interaction with our peers and the large social network that comes from within a school environment. It is in this environment that we make decisions about the types of relationships we will pursue in our adult lives.

This is the environment that the Lord has me working out my call as a Pioneer Priest. The school that I work as a Chaplain in is East Loddon P-12 College. East Loddon P-12 College is a well established school of approximately 230 students from prep to year 12. Due to the location of the college nearly all the students travel to school by bus. It serves the towns of Dingee, Mitiamo, Raywood, Serpentine and surrounding areas. The surrounding community is reliant on rural industries and over the last 15 years has decreased significantly due to the effects of aging population, drought and flood.

Within this local community context I am called to work with those who are less resourced, or you could say, the least, the lost and the lonely, (Luke 4:17-21) My work at the school takes on the look of pastoral care to the staff, students and their families. I spend many hours bringing the precious gift of listening to the Lord’s broken humanity and listening to the dark side of human behaviour, to people’s painful, hurtful, frustrating experiences. Trying to help them to find a balance between colours in what they can only see as darkness. I try to support, give information, counsel, offer practical assistance, refer to outside agencies and provide advocacy when necessary. I find the work both very challenging and a privilege, as I am allowed into a place of intimacy in relationships that few experience.

This is only a small glimpse of the work that I do and I thank you for taking the time to listen.

Blessings

Rev. Susan Allen

Below pictures; are of our students participating in a ‘Colour Run’ that our Wellbeing Team held in December 2017.
Year 9/10 Sports Day:
On Thursday 30th August we had students travel to Bendigo to compete in the Sandhurst Competition for Year 9/10 Basketball and Table Tennis.

Table Tennis:
We sent two teams (made up of 4 students) for the Year 9/10 Table Tennis competitions.

Thanks to Mr Rudkins for taking the team and supervising them on the day. The students represented the school in a professional manner.

Girls Team – Victoria B, Abbey C, Emma P, Hayley R
Boys Team – Oscar H, Ben C, Jack D, Nick V

The Boys team finished 5th in a field of 8 defeating Crusoe and Weeroona in cross semi and final playoffs.

The girls finished 7th of 8 and defeated Marist in their crossover final. The girls and boys tried hard and some of their losses were quite close. All the team members demonstrated excellent sportsmanship and their skills improved as the day developed. Well done to all on their representation of the school and thanks to Mr Young for organising our participation.

Basketball:
We sent a team of nine girls to represent the school in the Year 9/10 Girls Competition for Basketball. This was a first for some of the girls to play basketball in a tournament. Their athleticism and competitive spirit drove an improvement of their basketball skills over the day. Their efforts were commended by coaches from other schools. Well done to Sharnie A, Bridget B, Isobelle B, Jasmine C, Taylah D, Jasmin G, Sophie H, Zoe L and Georgia Welsh.

Thanks to Mrs. Fleming for coaching and supervising the team.

We also sent a team of eight boys to represent the school in the Year 9/10 Boys Competition for Basketball. The boys improved dramatically from our first game to the last with defence being a main focus. We even ran with BSE (Winners of the competition) being only a few points down at half time. Their competitiveness and positivity should be commended.

Thanks to Mr. Rippingale for coaching and supervising the team.

A big thanks to Rebeka G and Zekiela J for also coming and scoring all of the games.
Deutsche Nachrichten

Klasse Preps have been learning the song ‘Mein Hut der hat drei Ecken’ (My hat has 3 corners) and the dance ‘Bruderchen, kommtanz mit mir’. Klasse 1/2 and 2/3 have also been learning the dance and song. This is so that they can sing and dance with the Eurofest choir. The Eurofest choir will perform German songs and dances for the P-4 classes on Thursday, 6th September. Last week we had Frau Kline (a teacher from Germany) visiting the school. She joined Klasse 3/4 and Klasse 7 and worked with the senior students on their oral tasks/Sacs. Klasse 5 have been working on writing German food compound words. This week they have the longest German compound word to learn for next Tuesday’s lesson, here is the word Donaudampfschiffahrts-elektrizitätenhauptbetriebswerk.

Year 2/3 Integrated Studies-Science

This week the Year 2/3 class were given their ‘Soil and Rock collection’ project booklet. They have until August 18th (heard it is someone’s birthday) to return their samples and booklet. Some students have asked if photos can be taken of the soil and rock samples also. I have said ‘yes’ to this, just as long they do not ‘nag’. I have included some photos of the students working in their groups while outside, collecting and observing soils and rocks as part of the topic, ‘Beneath our Feet’ which we are studying this term.

Year 2/3 Integrated Studies teacher-Science

Annette Burgstett
KFC – Kids Friday Club Term 3

KFC for Term 3 got off to a great start last Friday and continues on August 31st, September 7th and 14th with our Annual Bush Olympics at Bears Lagoon on Sunday August 16th. Information will be handed out at this week’s KFC.

All Prep to Year 6 students are welcome to come along to KFC. For registration forms/KFC newsletters or enquiries please contact one of the leaders listed below.

Please fill in the bus and sign out note below (also in KFC Newsletter) and return to the office.

During Term 3, KFC will be running its annual fund raiser for charity. We usually do a ‘Loose Change Challenge’ (collect loose change) but this year we are supporting **2 Pairs Each**. Josh Berry, a 12 year old boy, started 2 Pairs each when he was 9 in an endeavour to care for the homeless by supplying pairs of warm socks. His aim is to provide 50,000 pairs of socks and is on track with nearly 19,000 pairs already. So, KFC children can either collect Loose Change to buy socks or purchase the socks themselves and bring them to KFC during Term 3.

**Contacts for enquiries** - Robyn Falls 0429368242, Leanne Welsh 0447689309, Judy Mountjoy 0488379222, Wendy Twigg 0427807124, Anne Baker 0429368453
## Canteen News

**Pies, Pasties, School Pies, Potato Pies, Sausage rolls are available Term 2 and Term 3.**
