Mr Leed took it too literally. He went to Disneyland with his kids to find Alice in Wonderland.

From the Principal

You know how Hong Kong is having a few issues of late, well its just been pulled back in to line. The big fella has arrived and everyone's behaviour has improved somewhat, This is the impact that Mr Leed has all over the world.

Whilst we were all attending the spectacular that was our production of Alice in Wonderland, Leedy was at Disneyland Hong Kong with his girls talking to the actual Alice. Looks like she shrunk.

There's been a lot of questions asked about out of uniform day tomorrow or at least the lack of communication about it. So here's the heads up, we are having an out of uniform day tomorrow. Gold coin donation to the SRC who will find something terrific to spend the money on. With Ms Harrington's absence this has been tricky to organise. Please feel free to wear footy colours or maybe dress in wedding gear because Miss Pilko is getting married or just come in casual. We will leave that up to you, but you will need to bring a gold coin.

BBQ lunch tomorrow if you've got another \$2.

Thanks so much to the following staff who have filled in this term for various periods whilst others have been absent. Mr Lee, Mrs Duncan, Mrs Hocking, Mrs Collins, Mrs McCarthy and anyone else that I've forgotten. Have a great holiday.

Literacy & Numeracy

NAPLAN

Often we hear about NAPLAN results but have you ever seen a test?

This was a question on this year's Year 9 Language Conventions test.

Shade all the words that are adjectives in this sentence:

The thundering waterfall sprayed a fine mist in the air, making the rocks on the path slippery and dangerous.

It's a bit tricky, isn't it? Why not see if you can puzzle out the answer with your child?

Holiday fun!

Over the holidays, the Bendigo Library Corp. run different activities in a variety of locations. They are not only fun, but also allow students to use their Literacy and Numeracy skills.

All holidays, Bendigo library will have the very popular 'Planks' activity to drop in and enjoy. We've been fortunate enough to have this activity run at our school in the past and students love it.

There are also some activities available at the Dingee and Pyramid Hill libraries.

Inglewood will host a performance of the 'Seussical' musical next Monday from 2-3pm.

Sub-School Updates

Congratulations to the students for putting together yet again a wonderful production. Well done to Mrs Harrington for all her hard work, the Art department and other staff for inspiring and helping our students to participate. It was great to see all the sub-schools come together for the event. Wishing you a happy and safe holidays. Go TIGERS!!!

AROUND ELP

Hi all! On the 16 of October 2019 we are going to be having an ocean themed dress up day and bake sale. All students are encouraged to come to school dressed up as their favourite ocean animal. We will be collecting \$2 donations from students in casual clothes and \$1 for those dressed in the ocean theme. All donations are going to WWF, the World Wide Fund for Nature, which works in preserving our natural environments and reducing the human impact on the environment. We will be running the bake sale at lunchtime, and only students who have returned the order forms will be guaranteed food. Order forms went out last week to most students – spare forms can be collected from the office.

Thanks Zekie, Kayla and Molly (Year 10)

Turkey 2020 Update

We've had a busy few weeks, with a group of students talking to the Inglewood and Bridge-water RSL, interviewing Keith Hocking about his experiences in Vietnam, a BBQ fundraiser at the Eaglehawk Supa IGA last week, and this week we went to the Boort RSL to talk about our trip and visit their museum. We are also in the process of finalising the winners of the 'Living in the Loddon' competition and they will be announced at the next P-12 assembly – there has been some awesome artwork submitted which made the judges' job really hard! Our next big fundraiser is the trivia night and silent auction on Friday October 18 – we are aiming for this to be a family friendly event and let us know if you would like to come along but don't have enough for a full table as we can match you up with a team. Thanks again for everyone's support over the past term – it really has been amazing!
