From the Principal

Plant donations—Yr 10 ADVANCE request

As a part of our Year 10 Advance Community Project, we are looking for donations of native plants or cuttings that we can plant as part of our Raywood Cemetery working bee. Some ideal plants would be something that doesn't need a lot of water and doesn't get untidy. E.g. agapanthus or yucca.

If you have any plants to donate, please send them to school prior to the 23rd of October.

With thanks from Jasmin G, Bridget B, Izzy B and Taylah D (Year 10)

Mr Chris Sanders, our 'Intern Principal' from the Bastow Unlocking Potential program, started with the college on Monday. Mr Sanders will be a part of our Principal Class staff for the next 6 weeks and we thoroughly look forward to what he is able to offer our college. Mr Sanders will help to gather information on the effectiveness of our student feedback program and I-LEARN Teaching and Learning Model, and will visit all classes on a regular basis during his time at our wonderful college.

Congratulations are extended to college councillor Dusty Pascoe, who was recently awarded a prestigious Nuffield Scholarship. What a terrific achievement!

Envision have received over 3 million bottle-tops (8000 from our school, local area and associated coffee shops alone!) and will now stop collecting until further notice. Thanks are extended to all who have been assisting with the collection of tops for this great cause.

Please keep collecting if possible as we hope to have another bottle-top drive shortly.

'Pipe Issue' - As the result of a cracked water pipe this week, the college has had to turn off water to our toilets from time to time in an effort to minimise further damage to the pipe and grounds whilst we await tradespersons to fix the breakage. By the end of today, this issue should have been rectified and all should be back to normal with our toilet water.

Thanks are extended to all who attended our terrific Alice in Wonderland Production at the end of term 3. Although I was not present myself, I have been told by a great deal of people that the event was another wonderful community evening.

A great big 'Merhaba' (hello) is extended to all in our community from our sister-school in Turkey, of which I was fortunate enough to visit during our recent holidays. The team in Canakkale are very eagerly awaiting another East Loddon visit in April next year!

Please remember that term 4 is a hat term. All staff and students are to wear hats at all break times until the end of the year. College hats are available for purchase in the office for those that need them.

I hope that all families were able to enjoy some quality time during the recent holidays, and that all students are ready for a big final term of 2019.

I would like to wish Trista, Ciaran and Montana all the very best for their Alpine School experience. Enjoy!

Regards, Steve Leed

P-12 Athletics Carnival 24th October 2019

Curriculum

Alpine School

The time has come to send off our very first team to the Alpine School.

On Sunday, Montana T, Ciaran G and Trista W will travel to the campus at Dinner Plain to participate in the School for Student Leadership for Year 9 students. They will spend a total of nine weeks there! While there, they will go on expeditions, learn leadership skills and develop their independence.

We wish these students all the best and look forward to benefiting from their leadership experience as a whole school in the future.

2020- Snowy River Campus

Exciting news: we have recently been allocated a place at the Snowy River Campus next year in Term 4. Current Year 8 students are encouraged to consider taking part. A parent information session will be held after Year 8 Graduation.

Sarah Clare
Curriculum Learning Specialist

Welcome back, particularly to Mr Leed who has been overseas for three weeks with his girls. What an amazing experience especially for your kids.

With term 4 comes the onslaught of teachers harassing students to wear hats. Term 4 is a 'hats outside at all times' term. If you can't locate your old hat you will need to purchase a new one. These are available from the office for \$11, regardless of how big your head is.

Mad Cow Disease has struck the Art room this week, as our team of Archie Art students frantically try to put finishing touches on the old cow. (Archie Bull Prize comp). It's looking amazing and has taken a lot of work to put

together. Once complete we will place it in a prominent accessible place for all to see.

Had a bit of an East Loddon reunion during the holidays at Miss Pilkington's wedding. It was so great to catch up with numerous past students and their parents and see how everyone's lives had evolved since leaving school. So many wonderful examples of students making it good, regardless of how much they enjoyed classes at school.

Please see the note below from Mr Young.

Hi all! On the **17 of October 2019** we are going to be having an ocean themed dress up day and bake sale. All students are en-

Assistant Principal's news

I'm Jealous!!!!!! (not of the man or the bag).

couraged to come to school dressed up as their favourite ocean animal. We will be collecting \$2 donations from students in casual clothes and \$1 for those dressed in the ocean theme. All donations are going to **WWF**, the World Wide Fund for Nature, which works in preserving our natural environments and reducing the human impact on the environment. We will be running the bake sale at lunchtime, students who have returned order forms will be guaranteed food but there will be some available to buy.

Also, if anyone can help we are after some hay for the Ag department. Not sure how much, please contact Miss Pilkington if you can assist.

Notices

Some Mental Health Week activities happening during October @ ELP-12 College:

- Walk to School activities organised by Loddon Shire. On Tuesday students enjoyed some Yoga activities with Sharon Lister, followed by breakfast provided by Dingee Bush Nursing Centre.
- RUCS Information Sharing
- Sunshine Breakfast next Tuesday provided by the Shire and Lions Club. Loddon Youth Health Expo Booth
- Our SRC students have some activities planned to share across the school, including cooking, colouring and sports activities.

Sub-School Updates

Junior

"Walk to School"

Throughout October, students will be regularly participating in walks at school in lieu of walking to and from school. This initiative is supported by the Loddon Shire and aims to encourage healthy lifestyles for students. We were fortunate to have Sharon Lister come run yoga sessions with each of our P-6 classes, followed by a special cooked breakfast. Thank you to all who were involved in putting on this special day! Namaste.

"TEENAGE TWILIGHT" MIDDLE YEARS SOCIAL

When: Friday 25th October 6.00pm – 9.00pm

Where: East Loddon P12 College

Theme: Dress as a Disney character!

All Year 5-8
students invited!

BBQ
MUSIC & DANCING
GAMES & PRIZES

Senior

Senior School students are awesome

The first two days of the holidays I took these lovely students and Hayley R across to Shepparton for some VCE revision lectures. I was so impressed with their dedication, commitment and motivation. Well done!

Year 10 Driver Ed

Driver Ed will take place on Monday 2nd and Tuesday 3rd of December in Charlton. Consent forms went home to stu-

dents on Tuesday. They are due back with payment on Nov 11th.

GO TIGERS, how good was that GF win!

AROUND ELP

Hi all! On the **17 of October 2019** we are going to be having an ocean themed

dress up day and bake sale. All students are encouraged to come to school dressed up as their favourite ocean animal. We will be collecting \$2 donations from students in casual clothes and \$1 for those dressed in the ocean theme. All donations are going to **WWF**, the World Wide Fund for Nature, which works in preserving our natural environments and reducing the human impact on the environment. We will be running the bake sale at lunchtime, students who have re-

Loddon Mallee Region Athletics Carnival:

Well done to
