From the Principal

**Step Up Week**
Next week sees the College launch into Step-Up Week, with all students moving into their 2019 classes for the week to get a ‘step-up’ into what the year ahead has in store. Where possible (and in most cases) staff who will be teaching specific subjects in 2019, will be teaching them next week. This gives staff the chance to set the scene for the following year, outlining and starting upon classwork, setting expectations and rules for the room and getting to know the students who they will teach in the new year. Our 2019 prep students will also join us for the day on Thursday, which we are very excited about!

**Extended Leave – Mr Cameron**
Just when we had hoped that the all too frequent and severe occurrences of ill health with staff and loved ones had come to an end for 2018, we have been affected once again with the news of Mr Cameron’s wife Beth being diagnosed with breast, liver and bone cancer last week. As a result of this terrible news, Mr Cameron will take extended leave for the remainder of the year. Life just does not seem fair at times, and this is certainly one of those times! Beth is a wonderful lady, and together with Mr Cameron and their 3 young children we are sure that they will meet this challenge head on and kick cancer right where it hurts! The love, best wishes and offers of support that have been forwarded to the family have been very much appreciated by both Beth and Andy.

At this stage the College is looking to assist the family with a ‘frozen meal drive’ in which we will make and freeze some good old-fashioned home-cooked meals that can be stacked into the family’s deep-freeze. If you would like to offer assistance with this at all, please make contact with myself, Mr Wilkinson or Mrs Wendy Twigg via the College Office.

**New College Business Manager In 2019**
As mentioned in previous editions of the newsletter, Mrs Sue Cail is taking extended leave next year which will in-turn see the College have a new Business Manager for the year ahead. I am excited to announce to the College community that Mr Nathan Twigg has been appointed to this role and will begin with the College in January 2019. Nathan was a former student of our College and has spent the past six years learning and working in the accounting and finance field. Nathan is a Certified Practicing Accountant, who brings a strong understanding of financial operations to the College.
College Leadership Day
The 2019 College leadership team met in Bendigo for the day yesterday to work through various aspects of strategic planning for the 2019 school year. This work was kick-started with a meeting of the team and our Senior Education Improvement Leader, Damien Jenkyn on Tuesday afternoon, in which we evaluated the 2018 Annual Implementation Plan, before setting Key Improvement Strategies for the 2019 school year.

The College leadership team in 2019 will consist of Principal – Steve Leed, Assistant Principal – Scott Wilkinson, Junior School Leader – Jackson Clayton, Middle School Leader – Andrew Cameron, Senior School Leader – Sarah Byrne and Curriculum Specialist – Sarah Clare.

Expressions Of Interest For Another First Aid Course?
The first aid course that was offered to community members last week was a great success and already there has been a call out for a further course to take place before the end of the year. Please call the College office if you would be interested in undertaking a first aid course at the College on Monday December 17th. If there is sufficient interest, then we will endeavour to make this a reality.

Special Thanks To Eaglehawk UFS Dispensary!!!
A massive thankyou is extended once again to the team at Eaglehawk UFS Dispensary for their very generous community sponsorship of College students who undertook recent first-aid and CPR training at the College. The team at the dispensary are tremendous supporters of the College and we very much value their support!

End of Year Timeline – Plans Yet To Be Finalised
The final week of the 2019 school year, which will take place from Monday 17th December to Friday 21st December is known as ‘activity week’. The following dates and events are slightly different to those of previous years. Please take the time to note these on your calendar.

Monday 17th December – Activity Day with afternoon Wellbeing Activities at the College
Tuesday 18th December – Community Pool day at Mitiamo Swimming Pool
Wednesday 19th December – Activity Day (Planks Incursion and Cinema) at the College
Thursday 20th December – End of Year Presentation Assembly
Friday 21st December – Curriculum Day. Student Free.

Further details on these days will be found in the newsletter next week.

I hope you have a great week!

Steven Leed
College Principal

**Booklists for 2019.**

This year Sub-school leaders, teachers and admin have taken considerable time organising the booklists to make them as economical as possible for parents. As always, parents have the choice to use the preferred book seller or purchase via another source. It is recommended that parents who choose to buy from another source purchase the recommended supplies and text on the booklists.

Families that are having financial difficulties and wish to engage in a payment plan with the school for 2019 should contact the Business Manager as soon as possible to work through this process. Families who require financial assistance must demonstrate a commitment to make regular payments back to the school in an agreed timeframe as the school is not able to carry outstanding debts over a long period. Confidentiality is respected and adhered to in all instances of payment plans agreed to by families and the College.

**Camps, Sports and Excursions Fund**

**Page Content**

- The Camps, Sports and Excursions Fund (CSEF) provides payments for eligible students to attend activities like: school camps or trips
- swimming and school-organised sport programs
- outdoor education programs
- excursions and incursions.

On the first day of term one (29 January 2019) or the first day of term two (23\(^{rd}\) April 2019), a parent or legal guardian of a student must:
- be an eligible beneficiary of one of these cards:
  - Veterans Affairs Gold Card
  - Centrelink Health Care Card
  - Pensioner Concession Card
- OR they must be a temporary foster parent
- OR the student is 16 years or older and holds a valid concession card (such as a Youth Allowance Health Care Card)
- AND the parent or legal guardian must submit an application by the due date.

Parents who receive a carer allowance on behalf of a child, or any other benefit or allowance not income tested by Centrelink, are not eligible for the CSEF unless they also comply with the above.

Eligibility will be determined when the parent’s concession card successfully validates with Centrelink on either the first day of term one or term two.

For students aged 16 or older, if the eligible card is in the name of the student, the fund is only granted to that student, not their siblings.

**How to apply:**

New applicants should contact the school office to obtain a CSEF form. If you applied for the CSEF at East London P-12 College in 2018 you do not have complete an application form in 2019 unless there has been a change in your family circumstances.

You only need to complete an application form if any of the following changes have occurred:

- **New student enrolments;** your child has started or changed school in 2019 or you did apply in 2018
- **Change to family circumstances;** such as a change of custody, change of name, concession card number or new siblings commencing at the school in 2019.

Please check with the school office if you are unsure.

Sue Cail
Business Manager.
Assistant Principal’s News

It’s close. You can start to feel it. It’s just around the corner. You know, all the signs are there. Rooms are decorated, the supermarket is full of hams and mince pies (whatever they are). That’s right, the end of year presentation assembly is just around the corner. This year it is to be held on **Thursday the 20\textsuperscript{th} December**. It starts at **10 am** and rounds off usually at about noon. The buses are scheduled to leave that day at 1pm. We don’t have a fancy booking scheme like the bigger Bendigo schools, you just rock up to the gymnasium and it’s first in, best dressed. Parents of students who will be presented with awards will be sent an invite, so that you know to attend with your camera. Following the assembly there will be a light luncheon consisting of food that we bring to share. All staff and parent attendees are asked to bring a plate of share food. The luncheon is for Year 12 students, invited guests, staff and any interested parents. It is not for students other than Year 12, so tell the scavengers to stay away.

Great news about Georgia Welsh taking it to the world again. She is a true champion and way more modest than what I would be. Great stuff Georgia!

Step up week next week. This week we step all students in to their new classes from Prep moving to Year 1, all the way through to the 11’s moving to 12. This sounds simple but logistically it’s a pest. Sometimes due to changed time fractions and staff retirements and camps and in-services and illnesses, it is not possible to have all students with their exact teachers. However when not possible a suitable replacement will be arranged. The idea of step up week, is to sort out as many teething problems as possible, so that the beginning of 2019 is seamless and uninterrupted.

The 18\textsuperscript{th} of December sees a whole school pool day and a real community day. If you’re interested in attending, please get the calendar off the kitchen wall and scratch it in. It was such great fun and a good chance to bombard students with projectiles as they ran the gauntlet, from one end of the pool to the other. Heaps of fun. Be there. If we can’t get it, it will still be an awesome day, just not as awesome.

In what has been a year of distressing news about health matters of those close to the school, we have been rocked again with the sudden onset and diagnosis of Mr Cameron’s wife Beth. It goes without saying that we are all thinking of you Beth and Andy. It also serves once again to remind us of perspective and gives us a chance to ponder what it is really all about. Put the newsletter down, put your phones away, get off facebook, turn off the telly, go and play with your kids.

See you at step up week

Mr Wilkinson
Assistant Principal
P-4 Update

Building Strong Foundations

Student of The Week
Prep—Lylah for showing the initiative to find a quite learning space to produce some very good writing.
Year 1—Jessica for an excellent writing piece about gorillas.
Caitlin for her tremendous attitude and skills in Numeracy.
Year 2—Ruby O for trying her best and completing work with good handwriting.
Year 3—Billy for the determined effort he put in to all his work.
Year 4—Riley for assisting others.

You Can Do It! Awards
CONFIDENCE
Prep—Joseph for responding to questions asked by peers during show and tell.
Year 1—Logan for his improved skills in writing.
Year 2—Charlie for her confidence in answering questions about a book she read.
Year 3—Emma for demonstrating confidence in every aspect of her work.
Year 4—Jorja for confidently using ‘Prodigy’ to develop her Maths skills.

Assembly News-
Last assembly we continued on the theme of Respectful Relationships, reinforcing the concept of personal strengths.
Keira, Emily and Emma showed leadership by presenting a book review on the text ‘How to Tame a Bully’. The message was outstanding and we thank our young presenters for their wonderful initiative.
Respect - Resilience - Responsibility - Relationships

Prep Sounds in Focus

The sound in focus this week is the digraph ‘oy’ as in ‘boy’, this sound is also created using the ‘oi’ as in ‘coin’.

Literacy Hints

With Christmas fast approaching, have you considered giving a book as a gift, especially if it is inscribed with a personal message from you.

The Challenge is Out There

Over the last few years our students and their parents have demonstrated that 300 nights of Reading is achievable. Accordingly, with the best interests of our children in mind, we will ‘bump up’ our reading goal from 250 to 300 nights in 2019. A Bendigo school has shown what can be achieved when parents are ‘on board’. It’s a great challenge, but then, we are a great community. Education opens doors and creates opportunities in your child’s future.

P-4 Elections

Our Year 3 students made us incredibly proud when they delivered their speeches for the positions of Captains and Student Representative Councillors on Monday and Tuesday. The successfully candidates will be announced at the Awards Ceremony. In 2019, we will be looking to fill the positions of House Captains for each of our four sports teams.

Step Up Week

This coming week is step up week. It is an opportunity for students to meet their 2018 teachers and for teachers to get to know students and start thinking about developing personal goals in each of the learning areas. Our College is committed to providing straight classes in the core areas of Literacy and Numeracy, at considerable cost. As in previous year we will need to run composite classes consisting of a Year 1/2 and a 2/3 in non-core areas (Art, Performing Arts, Science, Humanities and PE). Our Curriculum meeting works consistently to ensure that regardless of which class your child is in, they have similar learning experiences and the same learning outcomes.

Year 4 Graduation

Today we celebrated the graduation of our Year 4 students from the P-4 Sub-school. These students have made a significant contribution over five years, role modelling our College values; Responsibility. Respect, Relationships and Resilience. They will be missed but now they gone on to continue to shine as they enter the Middle Years. Thanks to their parents who have provide inspiration support to help build strong foundations in their child’s education.

Peter Vernon
On behalf of the P-4 Teaching and learning Team
**Summer time – Reading Time.**

Summer is a fun time for everyone to enjoy the outdoors, spend time with families and friends and simply relax. It is also a perfect opportunity to encourage students to read! To help with this, we have registered to participate in a national reading contest.

We have **FREE ACCESS to the myON Digital Library** to motivate kids to read and reward top schools with exciting prizes.

The goals for the Summer Reading Program:
1. Encourage every student to find books that they love!
2. Giving anytime, anywhere access to students so they can continue reading wherever this summer may bring them.
3. Reduce the “summer slide” effect by empowering students with content choice and reading motivation.

Here’s how to participate:

(Be sure you are connected to Wi-Fi.)

1. Go to [www.myON.com/school/ASR](http://www.myON.com/school/ASR)
2. Enter the following information.
   - Username: ELCVIC91
   - Password: read
3. Select a book and start reading!

**Phil Kidman**

---

**Deutsche Nachrichten**

Last Thursday Sophie H flew out of Melbourne Airport and arrived in Germany to a warm Willkommen from Anna and her family. Klasse 3/4 are working on their Passport to Languages, Klasse 1/2 are learning a St Martin’s song-Ich gehe mit meine Laterne, Klasse 6 are learning about German Christmas food, Klasse 7 are working on their St Martin play and making Laternen and Preps have been learning about St Nikolaus, which is celebrated on December 6th. Klassen 8 and 5 have tried German Weihnachts Kekse during lesson time. The hardest decision was, Which Keks do I select?.

Annette Burgstett
German Co-ordinator

**Year 2/3 Integrated Studies-Science**

Last week and this week, students who brought their baby photos for their ‘Watch them grow’ project presented their photos and told the class the things they got up to as a baby or toddler. Even Fraulein brought some of her baby photos along and did a Show and Tell. Did we laugh and giggle during those lessons. There were also lots of ‘Ah’s’ and ‘Oohs’. Thank You to the mums and dads who helped their child select some of the photos.

Annette Burgstett
Year 2/3 Integrated Studies teacher
Middle Years Parents, please join Bloomz to get regular updates from your child’s classroom.

Middle Years Captains’ Report

This week has been really busy for us. We have been organising the Sub-School Captain election for next year’s Sub-School Captains. We have also been helping to organise the Year 4 and 8 graduation. Next week is step-up week which is really exciting. We have enjoyed being busy but it is a bit sad because we will miss being in the middle years and ‘captaining’. On behalf of the middle years, our thoughts are with Mr Cameron and our love goes out to him and his family. Alicia and Levi

The year 7s created picture story books about water and other resources and then shared them with the Preps last Friday.

German Christmas Traditions— it is very challenging trying to choose a biscuit!

The Middle years have felt like an elf workshop this week with classes decorating their rooms to impress the Preps on Friday.

Middle Years captains elections will take place on Friday Period 1, with Keira, Libby, Gemma, Steph, Brandon and Josh giving a speech and then one girl and one boy will be elected.

Parent Communication—Bloomz/Compass

With our school moving to using the Compass app for reporting next year we are considering also moving our current Bloomz posts and parent communication to the News Feed within Compass.

Over the next few weeks I shall be posting our Bloomz posts on your Compass News Feed, which can be viewed on the front page of both the Compass website and app.

If you have the chance, please have a look at Compass from time to time to read class updates. I shall be asking for some feedback from you towards the end of the year.
Please RSVP by Friday 7th December
Out of uniform day TOMORROW

The SRC will be raising money to put towards the Rotary Club of South Bendigo’s Christmas fundraiser. Their fundraising efforts across the region aim to raise $5000 to be split equally between Headspace and Lifeline – both important causes that many people rely on over the Christmas period. Please come to school in casual or Christmas themed clothes tomorrow in exchange for a gold coin to this cause.

SRC Committee

**Television broadcast of the 2018 Victorian State Schools Spectacular**

Channel 7 will air the 2018 VSSS performance featuring 14 of our students in the massed choir on Saturday 8th December at 7pm. The performance will also be available to watch via the 7plus website and app for 30 days from the broadcast date.

A trailer and more information is available at:
https://www.education.vic.gov.au/about/events/Pages/spectacular.aspx

Ms Harrington

Yesterday six Year 9&10 students spent the day at Bendigo TAFE (City and Charleston Road campus). They had a tour of both facilities and explored a range of courses available including Beauty and Hairdressing, Nursing, Automotive, Plumbing, Electrical and Horticulture (along with many more!).

It was great to be able to see a range of options available and to get an idea of how TAFE courses are ran and structured.

Thanks to Will, Jack, Nicholas, Keenan, Sharnie and Harley for coming along for the day!

Thanks, Miss Pilkington.
Year 9 & 10 Advance Camp
Congratulations to the 19 awesome Year 9 & 10 students that braved the promise of challenges and fun to attend the Year 9 & 10 Advance Camp. We had the opportunity to surf, kayak in the ocean, do some whale spotting, bike riding (up hills and thankfully down hills too), adventure games / team challenges and even the Geelong Water Park. It was great to see students excelling in a range of activities, Jack was flying on the bike, Bek, Vic and Zekie enjoyed the downhill runs too. It was great to see the students kneeling, standing, falling and surfing the waves. Well done to Mr Smith and Mr Young for organising the camp.

Year 10 Driver Ed
Our Year 10 students participated in the Driver Ed program at Charlton this week on Monday and Tuesday. It was great to see our students participating in all aspects of the course. Whilst they were a little nervous, it was evident that their driving knowledge and skills improved across the course. The students were advised to check out some useful websites for resources and information for parents and guardians also. www.howsafeisyourcar.com.au or www.keys2drive.com.au or www.vicroads.vic.gov.au

Year 11 Lions Youth of the Year Public Speaking
Well done to the Year 11 students who represented the College on Tuesday evening at the Lions Youth of the Year Public Speaking competition. It was great to see our students speaking so fluently and with such confidence. It was really interesting to hear their points of view on the various topics they had selected. Yet again an impressive display of the students’ skills. Congrats to Jess for receiving the Lions Youth of the Year award and well done to Macey, Rylee, Nathan and Stephen for their awesome efforts. Special thanks to Mrs Fleming for assisting the students to prepare.

Year 12 Valedictory Dinner Celebrations
On November 22nd the Year 12 students celebrated 13 years of schooling at the National Hotel Complex in Bendigo. It was a special occasion with students attending alongside their parents and guardians. Staff who had taught them from Prep to Year 12 were also in attendance. Each student had the pleasure of a selected staff member speaking about them in reference to why they were a Year 12 Champion. This was followed by myself sharing some stories and speaking about their future plans. Staff indulged and some spoke for awhile about how proud they were of these students. We had memoirs from Preps, Year 2 class and even letters to Santa. Mr Leed spoke about his time with these students as their Prep teacher. He had unfortunately forgotten to post their letters to Santa back in 2006. The list of questions and items requested from Santa ranged from the expected such as, teddy bears, toys to a baby boy. It was certainly a nice reminder of their Prep days.
College Captains Jo C and James V spoke regarding their time at East Loddon P-12 College and how it had helped to shape their bright futures. Sarah J made a heart felt speech with many individual thank you messages to her family and staff. She spoke from the heart with gorgeous messages of thanks.
The evening finished with a 700 slide powerpoint of photos from Prep to Year 12, it was a beautiful reminder of all they had achieved, experienced and participated in across their time at the College. I would like to take this opportunity to say how incredibly proud she is of these wonderful young adults. They have worked hard all year, they are a devoted and dedicated group. Yet always finding time to support each other through the ups and downs of Year 12 life.

Next week I’m away on the Year 3&4 camp Monday to Wednesday. On Friday I will be meeting with Year 12 students and parents/guardians regarding their VCE results and pathways preferences. Thanks to the staff Mr Leed, Mr Rippingale and Mr Cameron who have been noticeably growing some trendy facial hair above their lips. It is great to raise awareness for prostate and other cancers. Please make the effort to visit your doctor for prostate checks regularly, it can often go unnoticed without any symptoms.

Ms Byrne
Senior Sub-School Leader
Dingee Lawn Tennis Club
Tennis Clinic

A four day tennis clinic is being conducted at the Dingee Lawn Tennis Club commencing,

**Monday December 17th** – **Thursday December 20th**

Session times are from 4.00pm
Children’s groups / times will be finalised as bookings are confirmed.
Racquets are provided for children who require one.
Younger players can register for a free hotshot shirt.
Adult lessons are also available.
All children enrolled for the tennis clinic go into the draw to win a Wilson Tennis **Racquet valued at $150.00**
Cost for the clinic is $55.00

**To register please phone Nicole Hocking on (M) 0427-368-499**
