POLICY

1. School profile

The College was originally established as a Consolidated School (P-8 in 1951 and P-9 in 1954). East Loddon High School was established in 1973 as a separate institution, but both Consolidated School and the High School operated as a P-12 from 1977. The school was recognised as a single P-12 unit in 1987, but has only recently been formally recognised as a P-12 College.

As a P-12 College the strength of the school is that it offers a 'seamless' education from Prep to Year 12. The College caters for a range of learning needs and career options in the senior school by offering VCE, VET and VCAL. The College also offers numerous extra curricula activities such as career planning, student exchanges, cultural, sporting and social events.

2. School values, philosophy and vision

East Loddon P-12 College's *Statement of Values and School Philosophy* is integral to the work that we do and is the foundation of our school community. Students, staff and members of our school community are encouraged to live and

demonstrate our core values of respect, integrity and kindness at every opportunity.

Our school's vision is to help prepare students for their future, by fostering skills and knowledge with cultural capital that equips students to be active contributors within their community.

Our Statement of Values is available on our school website.
