

Dear Parent/Guardian,

The 2025 booklist order forms have been distributed which specifies the items required for the school year. You are invited to purchase your items through Education Plus using the booklist. If you choose this option, you can order online from today to 3<sup>rd</sup> January 2025. You may also choose to purchase these items from other sources, however, please ensure that the equivalent items follow the recommendations provided by the booklist so that students have everything they need to start the school year.

East Loddon P-12 College is looking forward to another great year of teaching and learning and would like to advise you of our voluntary financial contributions for 2025.

Schools provide students with free instruction to fulfil the standard Victorian curriculum and we want to assure you that all contributions are voluntary. Nevertheless, the ongoing support of our families ensures that our school can offer the best possible education and support for our students. We want to thank you for all your support, whether that's through fundraising or volunteering your time. This has made a huge difference to our school and the programs we can offer.

Within our school this support has allowed us to:

- Subsidise the cost of materials for specialist subjects
- Support Literacy and Mathematics subscriptions on digital platforms allowing students to learn at their point of need
- Subsidise the costs of excursions and activities run by the school
- Support the supply of iPads for our P-2 classes
- Supply individual netbooks for students from Yr 3-12
- Allow students access to interschool sports days.

For further information on the Department's Parent Payments Policy please see a one-page overview attached.

Yours sincerely,
