Welcome to East Loddon P-12 College

We are excited to welcome families who are considering East Loddon P-12 College for their child's Foundation (Prep) year in 2027.

Starting school is a very special milestone for children and their families. At East Loddon P-12 College, we are committed to providing a positive, welcoming and supportive start to school, where every child feels safe, valued and ready to learn.

Our School Zone

East Loddon P-12 College has a designated school zone.

Your child is guaranteed a place at their designated neighbourhood school if you live within the school zone, which is determined by your permanent residential address.

Families can visit **Find My School** at findmyschool.vic.gov.au to identify their designated neighbourhood school and view information about school zones across Victoria. Our school manages enrolments in accordance with the Department of Education's Placement Policy. Students have access to their designated neighbourhood school and may apply to enrol at another school where places are available.
